"We, the American People," if we think President Donald J. Trump is one of America's greatest presidents ever, are nuts if we think President Donald J. is different from any President, any chief government executive in one major regard. President Donald J will act on his personal attitudes, values, and beliefs (PAVB), be those PAVB Constitutional or not, if he deems it necessary to so do.

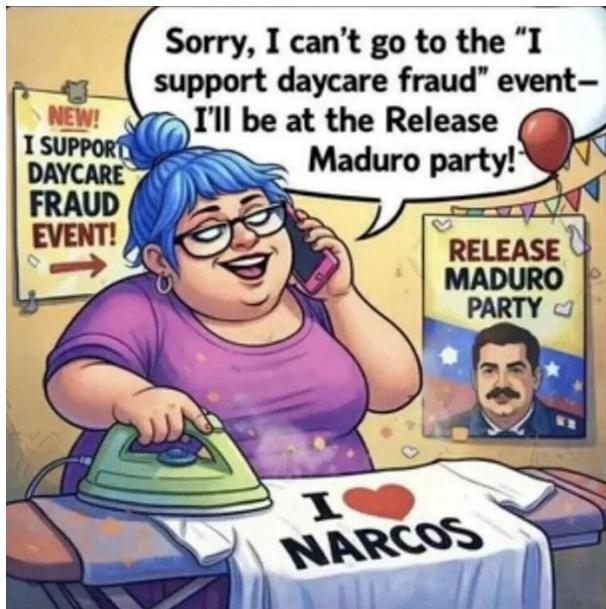

“To disarm the people is the best and most effectual way to enslave them.”

~ **George Mason**

Media Report "Our, the American People's" President Donald J. Trump wants credit card companies to cap interest rates at 10% for a year. Not surprisingly, President Donald J. is coming under fire for such proposal. Media assessment of President Donald J's 10% credit card interest rate cap is based on dealing with a much pilloried political hot button natter bandied about as affordability. Prices.

“You can’t get rid of poverty by giving people money.”
~ **P.J. O’Rourke**

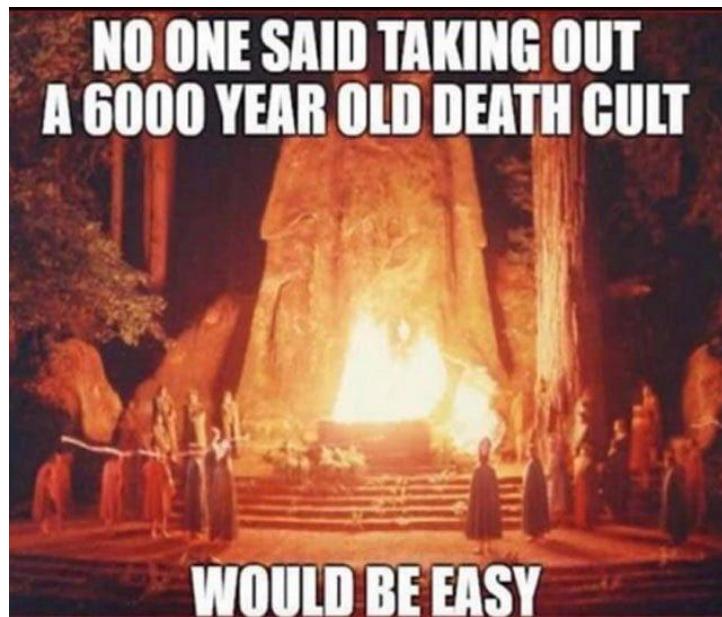

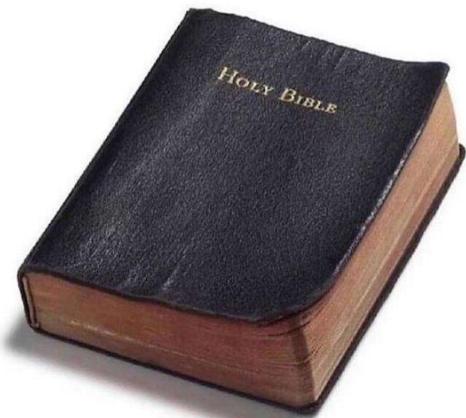

Media Coverage Has It Affordability ‘crisis’ is a President Donald J. Trump bugaboo, given President Donald J.’s promise to bring prices down. It would be smart for “Us, the American People” to bear in mind prices are driven by market demand. Market offerings on price are based on cost-of-sales. Merchants (including credit card companies) can no better afford cost-of-sales than can consumers.

We Can Expect There Will Be no shortage of critics who will demand merchants lower their prices,

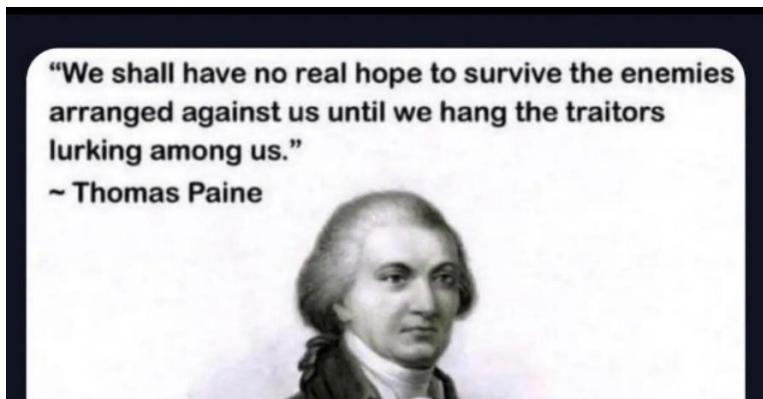

no matter consumer cost. Affordability, all said and done amounts to one's ability to pay. We are naïve to think business owners can survive because third parties demand prices be lowered. Cost is cost. Our control over prices, as consumers, rests with our willingness to forego unaffordability.

The Democrats Declare War – Again!

There is a mental illness epidemic in this nation, and it has infected the entire Democrat Party.

1-9-2023

They stole billions of dollars from Americans (from all 50 states) and today Governor Walz declared war on the Federal government. It's not the first time the democrats declared war. They want a civil war! They are encouraging violence; they tried to assassinate President Trump twice. They claim everything he does is unconstitutional, yet they cannot name the exact Article or Section they are referring to. The Democrat Party broke the Federal immigration laws and now fight to keep illegal aliens, murderers, gang members, rapists, drug traffickers and human traffickers in our country. It is only right that we ask ourselves why does the Democrat Party have such a strong allegiance to illegal aliens and criminals?

When in power, the democrats unlawfully opened our borders and illegally allowed an invasion of over twenty-five million aliens: many of them foreign enemies, most of them

violent criminals. The democrats knowingly broke Federal Immigration laws. There are a few questions that should be asked, and answers should be demanded.

If the democrats believe the Federal Immigration laws are bad and need to be reformed, why did they make zero effort to do that when they were in power?

ICE is a legitimate Federal Law Enforcement agency, why do democrats believe they can make the decision that it's up to them to say if they will respect and obey the authority of one law enforcement agency and not another?

President Trump is a duly elected President, why do democrats believe they have the right to go contrary to the honest election of 2024 and block this president from carrying out what he was elected to do? Elections have consequences; losing power is one of them! Losing an election is not the go-button for an insurrection. Impeaching a president, simply because you don't like him... is a form of forced regime change, tyranny!

Why do democrats look at the over eighty million Americans that elected President Trump as "enemies" to them?

Upgrade to paid

Goofy Governor Tim Walz has used civil war rhetoric. He says they will not abide by Federal Laws. Of course, to that I would say zero federal dollars will be sent to Minnesota. Yes, innocent people will be hurt, but then maybe they will take their elections seriously and stop electing corrupt Somalian bought-and-paid-for governors and mayors. If Tim Walz will not allow federal agents into his state, then we should not allow federal dollars into his state.

Walz calls ICE Gestapo; yet it was Walz who had his own police officers shoot Minnesotans, with paint balls, during covid for simply standing on their front porches or in their own front yards. It was also Walz who allowed much of the city of Minneapolis to be burned to the ground, law officers injured and a police precinct burned. Does that sound like an American who is worried about Gestapo behavior? Or does that sound like a man drunk with power, ignorant of the law and heartless toward Minnesotans? I can't help but

wonder too, why are the police there loyal to a Governor and Mayor who refused to protect them during the George Floyd riots?

George Floyd was a criminal, not totally unlike the illegal aliens ICE is trying to remove from our nation. The truth of the George Floyd lie, is that Floyd was a hardened criminal, he was high when he was arrested, he was begging for air before the officer helped him to the ground and held him there. The autopsy report was evidence (not allowed in court) that proved the officers did not abuse Floyd and the actions of Derek Chauvin did not cause the death of George Floyd. Floyd was responsible for his own death, a self-induced drug overdose! Why was making these officers criminals so important to the democrats? Why did the democrats erect a statue to commemorate George Floyd, a life-long criminal, as a hero? Goofy Tim Walz continues to say Floyd was murdered...that is a lie! Americans should realize they are being lied to by democrats at every turn! On a side note: Democrats are against the arrest of Maduro, who was probably responsible for the drugs that George Floyd was addicted to and eventually took his life.

Upgrade to paid

Governor Walz claims state's rights for Minnesota and says federal law enforcement agents should not carry out their duties within the state of Minnesota; they are not welcome there. The local police refused or were not allowed to assist ICE while carrying out their responsibilities. Had the police supported and assisted ICE, the protest would not have escalated as it did. Let this be clear, what happened earlier this week was not a peaceful protest; it was an attempt by a crowd to interfere with and impede the duties of the ICE officers; federal law agents. The young woman that was shot and killed made the decision to harass and block Federal law agents that day.

Anti-American, Anti-Trump democrats and their media accused President Trump of using the Venezuela arrest of Maduro as a distraction from "Epstein files." I find that laughable, since they totally ignore all the democrats, including Bill and Hillary Clinton's involvement with Jeffery Epstein. However, the violence that took place in Minnesota was conveniently timed with the hearing in Congress regarding the billions of dollars of fraud perpetrated by Minnesota officials and the Somalian community. The death of a young woman, who was

convinced it was her place to stop ICE, has turned out to be a very convenient distraction and purpose to once again bring violence to Minnesota.

These corrupt democrats are not good people; they are evil! The Democrat party collectively has denied God and promoted the murder and rape of American women. The Democrat Party denies women's rights; Title IX. In fact, they cannot (purposefully) define what a woman is. Notice they never ask to define a man. They claim President Trump is responsible for the chaos and violence they are acting out. The entire Democrat Party repeats the lies and continues to gaslight and confuse Americans. The Democrat Party wants a civil war... Goofy-Corrupt-Communist-Governor Tim Walz came out and said Minnesota will be at war with the Federal Government, and with President Trump.

Upgrade to paid

Questions we should ponder and then consider seriously:

Why do democrat leaders ignore crime on American citizens?

Why did democrats allow the illegal alien invasion into our nation?

Why is it that no democrat is interested in all the fraud that takes place across this nation?

Why did democrats stand against DOGE?

Why do the democrats believe it is their obligation or duty to push back at every effort or policy of President Trump?

If you are a President Trump hater or a sufferer of TDS (Trump derangement syndrome), you should ask yourself, "what are my reasons to hate Trump?" Make a detailed list of your reasons and then research what you have written down. I think you'll be surprised that your TDS has been brought on by some powerful democrat media gaslighting!

Another question is: Why did Republicans not push back on Biden, knowing he was incapable of making decisions for the United States of America? Are Republicans just that

nice? Or are Republicans simply not interested in the corruption that has taken place against the American people?

Upgrade to paid

We are in a civil war; I have mentioned that before. The violence is being encouraged and paid for by democrats and anti-Trump organizations.

Are Americans to sit glued to the newsfeeds and watch as complete corrupt stooges like Governor Walz and Mayor Jacob Frey continue to gaslight and promote violence on Americans?

Democrats hate America, they hate the Constitution, they hate Americans, they hate President Trump. They have put together a fraudulent system of governance, in which they take money from hardworking Americans and give it to their special interest groups or buy votes.

Larry Behrens wrote a great article that I encourage you to read: **Three Examples of the “Theft Industrial Complex” in 2025** <https://amgreatness.com/2026/01/07/three-examples-of-the-theft-industrial-complex-in-2025/>

Upgrade to paid

A TACTIC OF WAR

Did you notice that the violence in Minnesota took place almost immediately after Governor Walz made his public statement that he was suspending his campaign for reelection and that he was going to stay and FIGHT!??

If we pay attention and I mean really pay attention, they tell us exactly what they are going to do.

After Walz made his angry speech, in which he blamed Trump for attacking Minnesota, he refused to acknowledge the billions of dollars in fraud, which is a BIG deal, claimed it's all politically driven and that it's racist; the chaos and violence began. Basically, the trio of

fraudster leaders is now turning the fraud headline into an illegal immigration headline, as they defend the criminals and condemn ICE agents.

[**Upgrade to paid**](#)

HERE COMES THE ANGRY MOB

Obstructing the roads, throwing snowballs, starting fires, and yelling all kinds of nasty things; they are ready to kill federal ICE agents. What happened is exactly what the Minnesota Governor, the Mayor and their AG needed.

The escalation took a life! Now we have another George Floyd situation, and they are encouraging it. Immediately Mayor Frey blamed President Trump and called for his lynch mob to increase their protests.

I mentioned just last week that I fully expect the economy to take a tremendous uptick this year... unless the democrats pull another “summer of love” to wreak havoc and fear in the markets and **We the People**.

Don’t be afraid America and don’t be discouraged – we must remember... “**Liberty is always in our hands.**” Do not accept the gaslighting and know that the paid-for-protestors are receiving a paycheck and not fighting for anything! Like the Hessians, their heart isn’t in it! We can outsmart them, and we will defeat them. Hey, Thursday evening a little rain discouraged them.

Gov. Walz is lying, Mayor Frey is lying, Mayor Mamdani is lying, and the entire Democrat Party is lying. They’ve lied about everything, and they are guilty of the violence and the chaos that is circulating around our nation.

“A continual circulation of lies among those who are not much in the way of hearing them contradicted, will in time pass for truth; and the crime lies not in the believer but the inventor.” - Thomas Paine “The Crisis” 1777

There is a mental illness epidemic in this nation, and it has infected the entire Democrat Party and those who follow them. Beware of the lies and gaslighting. Practice your gift of discernment and commonsense.

Confiscating Wealth Stands To Be how people who need (or want) will take from people who have. Given media coverage on taxing rich people is accurate. There are myriad ways they with wealth confiscation power will exact wealth from wealth owners. Confiscation tactics vary from taxing unrealized capital gains (taxing wealth people don't have but are expected to have) to higher tax rates.

“I would rather be exposed to the inconveniences attending too much liberty than to those attending too small a degree of it.”

~ *Thomas Jefferson*

It Would Be Smart For “Us, the American People” to realize wealth confiscation schemes have a common thread. Take wealth from wealth owners so wealth taken can be used by whoever they who confiscate wealth decide. They with such power will, no doubt without exception, declare excess wealth can not remain in hands of those who have more than they need when others are in need.

This is what wealth looks like in 2024

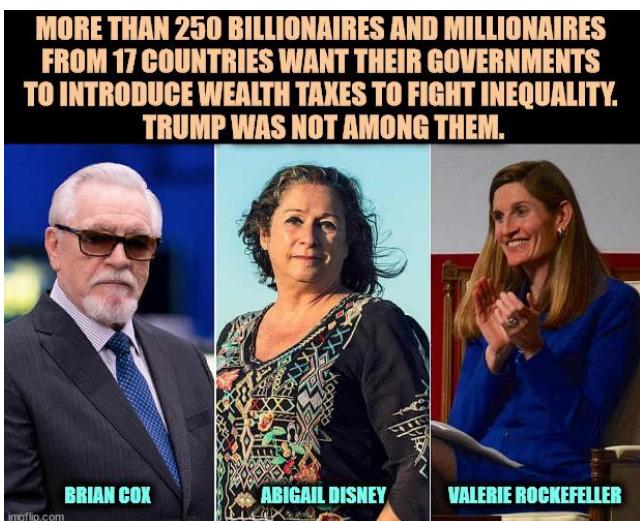

11 Jan 24 ·

It Would Not Be Surprising if “We, the American People” who have more wealth than we need take some serious measures to safeguard wealth (property) we have accumulated within bounds of legality. For government to confiscate wealth would be tantamount to forcing people to work for government edict. We, who are savvy enough to become prosperous, are apt to resent others sapping our wealth.

“I never consider a difference of opinion in politics, in religion, in philosophy, as cause for withdrawing from a friend.”

No Where In “Our, the American People’s” national origin are there principles for government to force Americans to surrender their property (wealth) simply because government - or anyone – declares a need for property so surrendered. Rather, we are a sovereign, self-governing citizenry obliged to do nothing for government absent our consent. We, as such, limit government power, not vice versa.
