

There Is A Lw Down Lone Star State way banning private property developments from becoming Sharia Law compounds. “We, the American People” might, if we draw lines between how private property owners may use their property versus how pertinent laws may permit property use. Arguably, there is not much difference from a community adopting Sharia Law or adopting other use standards.

“The essential notion of a capitalist society ... is voluntary cooperation, voluntary exchange. The essential notion of a socialist society is force.”

~ ***Milton Friedman***

Housing Developments With Associations restricting property use are common across “Our, the American People’s” United States. Such associations might have architectural committees with supposed power to control landscaping options, erecting structures, displaying flags, or, conducting business or politically oriented meetings. Prospective buyers would do well to check before buying.

“Consider Social Security. The voluntary transfers strengthened the bonds of the family; the compulsory transfers weaken those bonds.”

~ ***Milton Friedman***

Sundry Internet/AI Sources To Be Believed, Sharia Law has no legal standing in overriding America’s civil laws. Sources, however, indicate Sharia Law is sometimes upheld in disputes over private agreements. It would be smart for “Us, the American People” to cast questioning eyes on exactly how Sharia Law – or any behavioral regulatory power where private agreements impinge on personal rights.

“The American people are becoming more and more afraid of, and are running away from, their own revolution.”

~ *Leonard E. Read*

We Are, All Said And Done, able to make choices inconsistent with societal norms, laws, expectations of religious Faith membership, or organizational practices. Choosing to be inconsistent might bring disharmony or other penalties. Exercising ‘free will’ against religious precepts, for example, could result in communal loss. Breaking laws against assault could mean captivity. Freedom has conditions.

“The only freedom which deserves the name, is that of pursuing our own good in our way, so long as we do not attempt to deprive others of theirs, or impede their efforts to obtain it.”

~ *John Stuart Mill*

People Intending To Live In Liberty do not allow legislators - or other public officials within These United States of America, to interfere in health matters between private citizens and their physicians. They uphold their right to make their own medical decisions, unconstrained by government edict.

“I shall exert every faculty I possess in aiding to prevent the Constitution from being nullified, destroyed, or impaired; and even though I should see it fail, I will still, with a voice feeble, perhaps, but earnest as ever issued from human lips, and with extinguish, call on the people to come to its rescue.”

“The economic miracle that has been the United States was not produced by socialized enterprises, by government-union-industry cartels or by centralized economic planning. It was produced by private enterprises in a profit-and-loss system. And losses were at least as important in weeding out failures, as profits in fostering successes. Let government succor failures, and we shall be headed for stagnation and decline.”

Anyone who thinks the invasion of third world Marxist voters is no big deal, should ask himself why the enemy is so ruthless in stopping Trump from kicking the invaders out of the country.

America's Politicians Who Answer questions pointedly have to stand behind their words. Not an easy thing for someone who needs to be evasive. There's always a risk politicians will not get elected if they tell "Us the American People" their real intentions. Better to have voters think, for example, a candidate calling for tax cuts means for everyone, not just for taxpayers who happen to qualify.

"The ground of liberty is to be gained by inches, and we must be contented to secure what we can get from time to time and eternally press forward for what is yet to get. It takes time to persuade men to do even what is for their own good."

There Is Some Merit To Not Answering question if whoever is asked lacks enough information to give a verifiable answer. In Pennsylvania Commonwealth Governor Shapiro's case on ding a full term if elected, such would not be so. People who campaign for public office can be expected to do full terms if not kept from doing so by unavoidable circumstances. Governor Shapiro could have said yes or no.

“Democracy – A government of the masses. Authority derived through mass meeting or any form of direct expression. Results in mobocracy. Attitude toward property is communistic – negating property

rights. Attitude toward law is that the will of the majority shall regulate, whether it is based upon deliberation or governed by passion, prejudice, and impulse, without restraint or regard for consequences. Results in demagogism, license, agitation, discontent, anarchy.”

If “Our, the American People’s” public office holders have good reasons not to answer questions on some matters where divulging pertinent information would compromise, say, criminal investigations or national security, so be it. Otherwise, there is no reason why people in public office should not render a full accounting on any and all matters of their offices. Or, take their leave, or be tossed out.

But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism...

Despite the efforts of America’s media and the politicians, truth in this nation is finally being revealed.

“...And you shall know the truth, and the truth shall make you free.”

John 8:32. KJV

Fox News host Tucker Carlson is now unveiling thousands of hours of security tapes from the January 6, 2021 rioting. Let's name this "A Day at The People's House."

The revelation of truth from all this footage thus far: There was no armed insurrection and they have been lying to us for over 2 years!

There's only one reason for a government to lie to its citizens!

There's only one reason for a government to disarm its citizens!

There's only one reason for a government to silence its citizens!

ABSOLUTE DESPOTISM!

We have suspected all along that the J6ers are being treated unjustly. Now we know without a doubt that they are being held as political prisoners. The purpose of this is to intimidate any other such citizens from peaceably protesting and standing for Constitutionality and election integrity.

LET MY PEOPLE GO! Trump stated today that these prisoners should be released immediately, and I concur! Where are all those fancy-dancy-Constitutional lawyers now? Why aren't they surrounding the D.C. prison and demanding the release of these citizens? The American people should also demand the J6 committee be arrested immediately for their lying crimes to the American People.

Tucker Carlson said outrightly that "They lied to us!"

They've been lying to us from day one - for over two years! They've been lying to us on just about every issue that plagues this nation!

Allow me to use the installed president Biden's words...

Lying dog-face-pony soldiers.... The J6 committee and the FBI!

Lying dog-face-pony soldiers ... The WHO, CDC, and the FDA.

Lying dog-face-pony soldiers ... The Climate Change Worshipers.

Lying dog-face-pony soldiers ... The bought and paid for media.

Lying dog-face-pony soldiers ... Federal Reserve Board Chairman Ben Bernanke and Treasury Secretary Janet Yellen.

Lying dog-face-pony soldiers ... The entire current White House administration.

Lying dog-face-pony soldiers ... The Democrat Party and their RINO Republican lackeys.

Lying dog-face-pony soldiers!! Their creed contains all the Ds of their **“precious”** democracy...

Deceive – Distract - Dismantle –Demand – Destroy America!

Their goal? Absolute Despotism

They must break the American spirit and bring the government to a **complete communist state** of **Marxism**. We are very close to that now! As President Trump said on Saturday, “We are no longer a free America.” Sad to say, but we haven’t been free for a long time; but we IS GOOD at pretending!

America is full of “useful idiots” and the rest of us have been like the ostrich with his/her head in the sand! We have remained silent while the Marxist teachers unions stopped educating our children and started indoctrinating them with their sinister perverted ways. We remained silent as the government began destroying our families, our churches, our communities, our currency, our economy, our jobs, and our national security. They’ve destroyed our parks and our cities.

They are still coming after rural America as they continue to regulate, mandate, and implement their Climate change lies and seizing land.

They've destroyed our population by inviting an invasion of foreign agents into our land and by encouraging our own citizens to murder their unborn children!

They've been chopping up unity in this nation as they created a culture war which previously did not exist. They absolutely deny truth in American history; to destroy our history is to wipe America away!! My old boss used to say, "The race to the bottom." America must become like a third world country (hellhole) before they can continue with their globalism. Globalism is nothing more than world-wide-Communism.

We now have a nation overrun by useful idiots, as Marxist Saul Alinsky discussed in his book, "Rules for Radicals." In his book he listed eight steps for turning a nation into a complete socialistic state:

#1. Control healthcare and you control the people.

#2. Increase the poverty level, as poor people are easier to control.

#3. Increase the debt to an unsustainable level.

#4. Gun Control: Remove the ability to defend themselves from the government and establish a police state.

#5. Welfare: Take control of every aspect of their lives (food, housing and income).

#6. Education: Take control of what people read and listen to. Take control of what children learn in school. (no parent's rights)

#7. Religion: Remove the belief in THE God from the government and the schools. (Thus, the lie of separation of church and state)

#8. Class Warfare: Divide the people into the wealthy and the poor. This will cause more discontent and it will be easier to take (tax) the wealthy with the support of the poor.

If you agree with any of these 8 points, you are anti-American!

Our politicians, especially the Democrat Party, are following Saul Alinsky's guide to the T. Like useful idiots, we have fallen for the lie of "I'm the government and I'm here to help you." With each social program we "accept" we are changing our nation into a complete socialistic Marxist state.

Biden must be dethroned and Obama must be kicked out of our government. He is past his time! He was a horrible president and he's even worse as the shadow president. He and his Marxist tribe are destroying this nation, Biden is just the face. I'm sure they laugh at that fact several times a day! They don't care who they put in the White House, because the deep-state (permanent) government is secretly running (ruining) this nation. AND YES, the RINO Lackeys are helping them! They are all growing richer, while the American people grow poorer and less free.

It would appear we are at the mercy of the tyrants! Despotism is rampant...

As I was composing this article a news flash distracted me. So here is a bonus to end with:

The slithering serpent Schumer is slashing out at Tucker Carlson, Speaker Kevin McCarthy, and Fox News for allowing the tapes to go public. He's claiming the capital police did not "approve" them, that Tucker is lying, and much more. Schumer is seething with anger. Schumer is allowing his dark side to

show again. He is a criminal who threatened Supreme Court Justices and nothing happened! (We have that on tape too) *“I want to tell you, Gorsuch. I want to tell you, Kavanaugh. You have released the whirlwind and you will pay the price,”* Schumer ranted. He continued, *“You won’t know what hit you if you go forward with these awful decisions.”* What he said did provoke violence. President Trump did not! What he needs to understand is that The Capitol is “The People’s House.”

Schumer said of Tucker Carlson, *“He has enabled the Big Lie and eroded away at our **precious Democracy**. I condemn Mr. Carlson for defending the enemies of Democracy.”* He went on, *“I strongly condemn Speaker McCarthy’s actions and fiercely oppose his decision.”*

Schumer is a slimy, slithering, serpent of a senator who strongly urges Fox News to order Tucker Carlson to “Cease propagating the Big Lie on his network and to level with his viewers about the truth!” Which is comical since Schumer has no truth within him!

His words are never to be trusted, as they are never about keeping Americans safe. He only cares about his position in his **precious “democracy.”**

The Security Tapes belong to We the People. We should have had public access to them (unredacted and unedited) immediately after January 6, 2021.

The security of the People’s House will not be “breached” by allowing the public to view these tapes. Revealing the truth, however, is exposing the lies that **We the People** have been fed non-stop for over two years.

As citizens, who want to know the truth, we should encourage Fox News and Tucker Carlson to continue with the airing of these tapes and to make them public to all news outlets!

Without Truth, there is no freedom and there is no Liberty!

Liberty is always in the hands of the people! Demand the truth be revealed and pray that we will soon see justice prevail in America again!

Reject the Ds of democracy, restore our Constitutional Republic and...

Think it Through, See It Through

"I gave my life for freedom -- This I know; For those who bade me fight had told me so."

~ *William Norman Ewer*

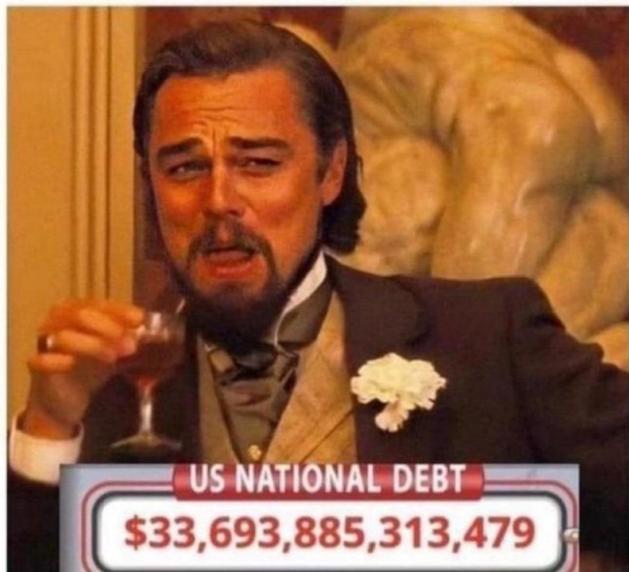

“Our, the American People’s” trusty media reports America’s Big Apple citizens will, each, owe Big Apple on order of \$1,415 owing to Big Apple’s deficit. Add \$1,415 to every Big Apple citizen’s share of America’s federal deficit share of some \$5, 205, and Big Apple citizens ‘owe’ \$6,620 greenbacks to America’s illustrious public spenders. Why Big Apple citizens don’t revolt is, at best, a but sardonic

“The fact throughout history is that whenever government dominates the economic affairs of its citizenry, a free society is eroded, then destroyed, and a minority government ensues.”

~ *William E. Simon*

Thomas Jefferson: "We must not let our rulers load us with perpetual debt. "

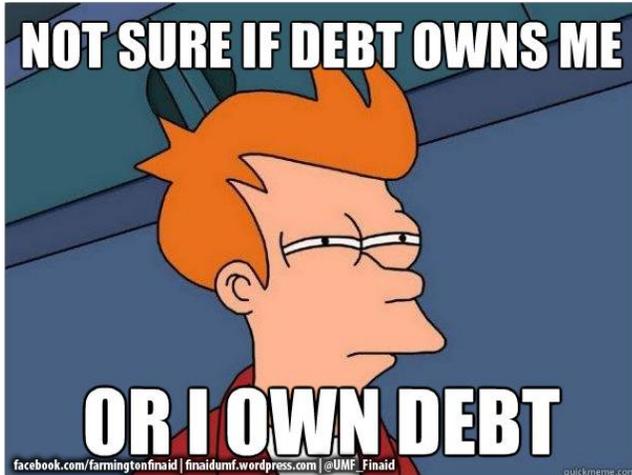

Our Rulers:

Financial Planners, Those Worth their salt, at least, warn against amassing debt. Debt not only robs people of their financial diversity. Debt robs people of their contentment. Whenever financial planners counsel people on managing debt, taxes are taken into account. Taxes are, for all intents and purposes, unavoidable. IRS tells “Us, the American People” it’s OK to avoid taxes, illegal to evade taxes. Illegal.

“Every significant movement in history has been led by one or just a few individuals with a small minority of energetic supporters.”

~ *Leonard E. Read*

Taxes Represent Cost Of Government. Not only is it illegal to evade taxes, it is impossible to avoid taxes. Taxes, one way or other, are paid, in their entirety, directly or indirectly, by consumers. Because all taxes are paid, directly or indirectly, from income. All income is generated, directly or indirectly, from sales. Even people who are subsidized entirely from government money can't avoid consuming.

“Man must have the right of choice, even to choose wrong, if he shall ever learn to choose right.”

~ *Josiah C. Wedgwood*

“We, the American People” may not be able to avoid taxes entirely. We can avoid taxes by acting, as a sovereign citizenry, to prohibit government from imposing any taxes not approved by us. Approved means directly, not because we vote people in office who have power to raise taxes. Since consumers pay all taxes, we could abolish all taxes, save taxes on commerce approved by local votes – exclusively.

“Central planning will eventually destroy individual liberty by concentrating all political power in one person or in a committee; furthermore, it will eventually end our prosperity by laying the dead hand of state control on the economy.”

~ *Robert M. Thornton*
