

Proponents Of Safeguarding America's Voter Eligibility (SAVE) Act might be inclined to declare election integrity will be strong enough to prevent undermined elections by assuring only eligible voters will get to make their marks in election booths. Suffice it to say people have put SAVE Act together; should it pass, there will be people smart enough to take it apart. There's a better election fraud remedy.

"The robber baron's cruelty may sometimes sleep, his cupidity may at some point be satiated; but those who torment us for our own good will torment us without end, for they do so with the approval of their own conscience."

~ *C. S. Lewis*

America's Socio-Economic Ailments are due less to election fraud than to lawful authority misuse. Misuse stemming from America's legislators, government executives, and judges, along with sundry activists, academics, and special interest operatives doing their outright best to make their personal attitudes, values, and beliefs (PAVB) lawfully compulsory. Liberty is an effective PAVB antidote,

**No Government Misuse, Abuse, Excess** born of PAVB-driven selective, arbitrary, and discriminatory legislation, taxation, and regulation (SADLT&R) can survive self-government onslaught. No election fraud can overpower a sovereign citizenry bent on uncompromising self-government. America, especially, is profusely stocked with firearms to cause tyrannous government to pause SADLT&R.

## WHAT IS A SHEEPLE?

What's For Lunch?

"Sheeple" is a term comparing people to sheep; as in being docile, foolish, or easily led.

Are you a sheeple? Do you follow without question? Do you believe "rights" are privileges?

Do you believe in a form of government that is **of the people, by the people and for the people?** If so, it's called a Republic. It's not a democracy, as we are continually told by the media and our elected "democratic congress." Benjamin Franklin made it clear – we are not a democracy! This is why our Founding Fathers, after much deliberation, created the greatest experimental form of government ever, a **Republic**. (if you can keep it)

So sheeple, take note: **“Democracy is two wolves and a lamb voting on what to have for lunch. Liberty is a well-armed lamb contesting the vote!”**

If a sheeple prefers democracy, he’s going to get eaten every single time!

This is precisely why our Founding Fathers not only established our form of government as a Republic, but also created the Electoral College. As Ayn Rand so wisely stated: ***“Individual rights are not subject to a public vote; a majority has no right to vote away the rights of a minority; the political function of rights is precisely to protect the minorities from oppression by majorities, and the smallest minority on earth is the individual.”***

Several years back there was a “Sheeple Quiz.” Imitating Jeff Foxworthy’s style, I’ve put a new twist on it and added a few more “thoughts” to the “Sheeple Quiz.” I hope you enjoy!

You believe the mainstream media is here to keep you informed with truth and facts, and is not feeding you misinformation while distracting you from the real issues facing our world.

#### **YOU MIGHT BE A SHEEPLE IF...**

You believe social security is a financial safety net that makes sure people have a retirement income, and is not a government Ponzi scheme.

#### **YOU MIGHT BE A SHEEPLE IF...**

You believe the national debt is under control and is normal spending that will be paid off in a “few years,” and is not on the verge of collapsing our economy and changing life as most Americans know it.

**YOU MIGHT BE A SHEEPLE IF...**

You believe the FDA is here to protect the people from dangerous medicines, and is not following the interests of big pharmaceutical companies.

**YOU MIGHT BE A SHEEPLE IF...**

You believe the EPA is here to protect the environment, and is not looking out for certain “special” chemical companies while using regulations and fines to control the people and their land.

**YOU MIGHT BE A SHEEPLE IF...**

You believe climate change is a serious threat and the “Green New Deal” and billions/trillions of dollars will save the planet, and is not yet another government socialist agenda meant to control and tax people, take the land, and squash Liberty and independence once and for all. (Break America)

**YOU MIGHT BE A SHEEPLE IF...**

You believe the Federal Reserve functions to stabilize the economy and keep America strong, and is not controlling and manipulating America’s economy for the interests of a few world bankers, or if you believe inflation “just happens.”

**YOU MIGHT BE A SHEEPLE IF...**

You believe the purpose of the TSA checkpoints at airports is to keep air passengers safe and secure, and is not conditioning the people to accept a police state and surrender their privacy.

**YOU MIGHT BE A SHEEPLE IF...**

You believe the BLM is managing land for its betterment, and is not managing land in such a way as to remove the people from the land.

You believe our monetary system based on fiat dollars has value and is stable and that the gold standard was unnecessary.

**YOU MIGHT BE A SHEEPLE IF...**

You believe the practical function of the U.S. Supreme Court is to protect the Constitutional Rights of the Citizens, and is not to legitimize federal tyranny over the people by ignoring the "original intent" of the Constitution and its Bill of Rights.

You believe the Bill of Rights “grants” you rights and freedoms, and not that it merely acknowledges the rights and freedoms you already possess according to the creator.

You believe big daddy government can make better decisions for your health than you and your personal physician, and that they can do it more efficiently

“Our, the American People’s” Congressional Senate is dealing with nothing more important than Safeguarding American Voter Eligibility (SAVE) Act. According to President Donald J. Trump, according to media coverage. President Donald J. wants SAVE Act passed before other business, says media. And, President Donald J. wants to know who, of GOP Senators, vote against SAVE Act.

“The evils of tyranny are rarely seen but by him who resists it.”

Imagine having a 2 day work week with 16 weeks of paid vacation per year while making \$200,000 per year and getting insider stock and trading tips..

Welcome to Congress.. in America

**Media Coverage Includes President** Donald J. Pronouncing GOP Senators who vote against SAVE America Act will never be elected again. “We, the American People” would be smart to look with some skepticism on politicians who pronounce on other politicians as to their likelihood of election. We, voters, not presidential pronouncements, elect people to public office. We’re lousy at it but do it.

“Democracy must be something more than two wolves and a sheep voting on what to have for dinner.”

~ **James Bovard**

Why SAVE America Act is more important than, say, getting federal workers paid, is more than a little puzzling. Media reports on rather long lines at airports is at least as problematic as Congressional Senators not passing a particular piece of legislation. Moreover, SAVE Act particulars stand to have long-standing/on-going tedious complications if Act is passed in its proposed form. More bureaucracy.
