

*Selective, Arbitrary, And Discriminatory* legislation, taxation, and regulation (SADLT&R) let “Our, the American People’s” government pretty much confiscate property (wealth) and restrict choice (Liberty) at will. SADLT&R, unfettered by proactive self-government under auspices of a sovereign citizenry enables over-zealous government officials undue power to undercut people’s reassurance.

“War has all the characteristics of socialism most conservatives hate: Centralized power, state planning, false rationalism, restricted liberties, foolish optimism about intended results, and blindness to unintended secondary results.”

~ *Joseph Sobran*

President Donald J. Trump, Much Like every legislator-politician since legislators-politicians were invented, strives to have his personal attitudes, values, and beliefs (PAVB) be made lawfully compulsory. President Donald J.'s aim to have America's seniors be freed from paying tax on their social security benefits is a classic example of how PAVB-driven SADLT&R bolsters taxation inequity.

"There never was a good war or a bad peace."

~ *Benjamin Franklin*

"We, the American People" would be smart, when looking for ways to improve and stabilize socio-economic activity, would be smart to recognize and appreciate a fundamental taxation axiom. All taxes are paid, directly or indirectly, by consumers. There is no reason why we, as a self-governing sovereign citizenry, can not abolish all taxes save taxes on commerce, controlled exclusively by local voters.

"is hardly too strong to say that the Constitution was made to guard the people against the dangers of good intentions."

~ *Daniel Webster*

A Common Argument Against 'Commerce Only' taxation is lack of progressive taxation making tax burden progressively greater on people with greater income/wealth. A similarly common argument is locally approved sales taxes exclusively would hamper government's ability to meet expenses or provide necessary services. Undue power to tax puts "Us, the American People" at financial risk.

Democrats Rally to Declare They Have No King!

4-3-2026

Mazie Hirono, a Senator from Hawaii, declared the obvious on X last week when she posted, **“Donald Trump is not, never will be, and has never been a king”** ... and then she added #NoKings. Mazie is not the brightest bulb in the box, which led her to unknowingly post the truth.

Donald Trump is not a king! Mazie is correct, he is an elected President.

Donald Trump never will be a king! Correct again Ms. Mazie.

Donald Trump has never been a king! WOW, Mazie was correct all three times! As the old saying goes, even a broken clock is correct twice a day. Of course, Mazie, the obvious DEI Senator from Hawaii, didn't quite mean this truth to be revealed.

The deep truth of all the “no king” rallies is reflective of the previous statements and actions of the Democrat Party.

It dawned on me that the democrats (the organized political party) actually serve no king. While they abuse President Trump and use him as their object of hate to kick around, it is America they really hate. They hate God and His laws. The truth is that these haters serve “No King.”

Their stance has nothing to do with the “Separation of Church and State” but everything to do with the denial and removal of God from our government documents and from America’s culture. In fact, they reject the King of Kings and Lord of Lords. No, I am not talking about President Trump, however, they reject him too. The Marxist-democrat-party does not believe in Creator God or the Savior Jesus Christ. Oh perhaps many of them are affiliated with an established church or synagogue, however, they are not believers of Almighty God. How do I know this? Because they have made it quite clear. In the 2012 Democrat National Convention, the crowd of democrat delegates, booed the name of God: not once but twice. (I will confess, this made the hair on the back of my neck stand up... it was demonic.) Fast forward to the Democrat National Convention of 2020 when they openly removed “God” from the Pledge of Allegiance. Then fast forward to the 2024 Democrat National Convention when they blatantly hosted a mobile abortion clinic in front of their convention center; as if to slap God in the face with their casual murdering of the unborn. Satan loves the killing of human babies and all humans... he loves suffering and torture; Satan is in charge of the Marxist-democrat party! He loves the chaos, he snickers at gender confusion and he cheers for the want of blood in the streets of America.

The Marxist-Democrat-Party does not hold inalienable rights to be sanctified. Neither Communism, Marxism or the radical Islamic Sharia law are compatible with our Constitutional Republic or our Constitution.

***“Our Constitution was made only for a moral and religious people.***

***It is wholly inadequate to the government of any other,” John Adams.***

Without the belief in Creator God, there can be no honoring of “inalienable rights.”

***We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. –That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed...***

Let’s break this down, according to the words and actions of democrats.

If you do not believe in “Creator-God,” then you reject that rights are inalienable or natural. Democrats might believe that governments are instituted by men, but they do not believe the power belongs to men... “consent of the governed.”

Senator Tim Kaine stated:

*“The notion that rights don’t come from laws and don’t come from the government but come from the Creator—that’s what the Iranian government believes. It’s a theocratic regime that bases its rule on Sharia law. And they do it because they believe that they understand what natural rights are from their Creator. So, the statement that our rights do not come from our laws or our governments is extremely troubling.”*

Does Senator Kaine believe that our Founding Fathers, who wrote the Declaration of Independence were Islamic and not Christian? His party is the one electing radical Islamic people to positions in congress or as a NY Mayor...and there are others across the nation as well. He knows, he chooses to serve a government-oligarchy-king and “No Creator King.”

There is no truth in the Marxist-democrats. You might say, now Beth, you cannot judge their hearts. That might be true, but we can certainly judge their actions; their fruits.

*“Beware of false prophets, who come to you in sheep’s clothing, but inwardly they are ravenous wolves. **You will know them by their fruits.** Do men gather grapes from thornbushes or figs from thistles? Even so, every good tree bears good fruit, but **a bad tree bears bad fruit.** A good tree cannot bear bad fruit, nor can a bad tree bear good fruit. Every*

*tree that does not bear good fruit is cut down and thrown into the fire. **Therefore by their fruits you will know them.***” **Matthew 7:15-20 NKJV**

What are the fruits that are produced by the Marxist-democrat-party?

They blatantly deny the existence of God.

God’s creation of male and female has been perverted. Remember March 31, 2024, when the Biden administration held **Transgender Day of Visibility** on Easter Sunday?

**The actions of the Marxist-democrats is from the pits of hell, demonic in every way!**

Human life has no value.

Chaos in the streets.

Lies from the mouths of the politicians and their Marxist-democrat-media.

They side with violent criminals. (birds of a feather... always flock together)

They cheered when Charlie Kirk was assassinated.

They are anti-America! During their “no-king” rallies they carried the communist flag and burned the American flag.

Marxism, which they claim, is anti-god and anti-family. There is no hallowed belief in marriage between a man and a woman.

There is no freedom, no sovereignty, and no independence within the governance of Marxism, which is now the very essence of the Democrat Party.

Marxism is a dictatorship! In such a government you will serve king government or you (the people) will be severely punished or killed.

All citizens, of a Marxist or Islamic regime, are brutally oppressed.

It was actually quite sad to see the people that were participating in these “No King” rallies; they were lost souls dependent on government; “king government.” Their biggest fear about President Trump’s Make America Great Again campaign, is that they might actually have to go get real jobs to make a living, instead of mooching off the government or hiring out as protestors.

The protestors were dressed like animals, men were pretending to be women and women were dressed masculine; it was a weird crowd of very confused, unhappy and lost people. Actor Robert De Niro, the epitome of TDS, proved he can’t read a speech card, will now be forever known as a Communist. The choice of Jane Fonda seemed appropriate as she is already a known Communist and traitor, responsible for the deaths of many of our soldiers in Viet Nam. Jane in her eighties now... has a lot more plastic in her face but hasn’t grown any wiser. Bruce Springsteen, for whom I’ve never been a fan, joined in the **We Love Communism rallies**, which hid under the guise of “No King” rallies or protests.

**Today is Good Friday.** Christians all around the world will solemnly commemorate the crucifixion of our Lord and Savior. Sunday is victory day. We are already victorious regardless of where this nation ends up. The Good News is that this victory is for all who will believe. Robert De Niro, Hanoi Jane, Bernie Sanders, Tim Kaine, crazy Mazie, and all who were lost and present rallying against our Constitutional Republic and President Trump, can be set free from their bondage... Just accept and serve the King of Kings, Our Lord and Savior Jesus Christ.

- **Romans 10:9 (ESV):** “...if you confess with your mouth that Jesus is Lord and believe in your heart that God raised him from the dead, you will be saved”.
- **Acts 16:31 (ESV):** “And they said, ‘Believe in the Lord Jesus, and you will be saved, you and your household’”.
- **John 3:16 (NIV):** “For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life”.
- **Ephesians 2:8-9 (NIV):** “For it is by grace you have been saved, through faith—and this is not from yourselves, it is the gift of God—not by works, so that no one can boast”.
- **Mark 16:16 (ESV):** “Whoever believes and is baptized will be saved, but whoever does not believe will be condemned”.

We cannot **Make America Great Again** until **We Make America One Nation Under God Again**.

The party of the democrats has chosen the path of destruction; the evil one. The party is done, as far as I'm concerned, but the people can still turn their lives around and Be Free From The Bondage of Sin.

**Bring America Home... Back to the King of Kings...**

**No King But Jesus!**

**Good Friday - Good News!**

**Happy Resurrection Day Weekend!**

*"We, the American People"* can expect President Donald J. Trump's political enemies to blast away at President Donald J's uncaring attitude toward putting federal money into day care and health care. We might take a breath and give some thought as to how it is government has an obligation to provide day care and health care, regardless government level so tasked. Could be it's loco parentis concept.

President Donald J. Trump, No Doubt, will be cast as an uncaring lout during upcoming election campaigns. For “Us, the American People” it is a legitimate question of from where shall money come, budget-wise, to care for parentless children and healthcare for those not having healthcare. No strong argument against localized funding for localized control. Make s for less passthrough expense.
