Beware Of The Oligarchywocky My Son

Skritch scratch swish, skeer, down the swampilish creatures went.

BETH ANN

MAR 21

PO Box 73, California, MO 650

3-21-2025

The rhetoric of today is nonsensical. Crying Chuck was complaining that Americans (in particular working, conservative Americans) have an attitude. In a sit down on The View, Schumer stated, *“And you know what their attitude is? ‘I made my money all by myself. How dare your government take my money from me, I don’t wanna pay taxes.’ Or, ‘I built my company with my bare hands, how dare your government tell me how I should treat my customers, the land and water that I own, or my employees.’ They hate government.”*

Crying Chuck and the majority of the DC Occupiers believe they can “handle” our money, our lives, our families, and our businesses better than we can. However, government (elected and or bureaucrats) do not produce anything.

DC is not a producer... DC is a taker, a taxpayer and a bureaucrat master.

Government has become a monster ruling over us, thieving from, and fearmongering **We the People**. While the majority of Americans are excited that President Trump is using

DOGE to clean up the swampy DC Occupiers, the democrat-curmudgeon party and their “groupies” just don’t get it!

One of my sons sent this comment in a text to me earlier this week, “Watching the DOGE ***vorpel blade go snickery-snack***, is my new favorite American pastime.” Of course, this phrase is from the old poem “Jabberwocky.” Thus, my son then challenged me to create a modern-day version of this nonsensical poem... Challenge accepted.

With all the seriousness and all the craziness of today’s politics, I hope you enjoy. The monster is no longer the Jabberwocky, he is a three-bough beast named “Oligarchywocky.”

OLIGARCHYWOCKY

by beth ann

‘Twas dirthy grithy the poves did lay,

The dillers swill along the pedway.

Kaolin pantheon darkened insay,

The taxious spendocious do stay.

Beware of the Oligarchywocky my son!

The mendacious fuehrer doth squwakupiey,

Swampilish creatures venomus guwons,

Slitherly slothfully they all occupy.

Alone they are not, for jurats there too.

Black raiment, sharp pen, alcaide they shway,

Territorial squuakupiers dodgy crew,

Cheering-sneering-convoleering their prey.

Beware of the Oligarchywocky my son!

In the muck-yucky polluted shrine,

Dwell far more than just one,

Three boughs are unified in scime.

Alas, otnay afraid, his saber he raised;

Fight, Fight, Fight sternly he decreed!

Swiftly soundly he rose unphased;

I the Hosencay son, stand for Liberty.

Chaotic-despotic-like-lightning his swing.

Head on he did battle, he took them on all.

Three boughs; the Bureauratsquawky,

The sqwuakupiers, and the jurats did fall.

With Admin and DOGE, Hosencay stood straight!

Together sturdy and tall they did soar.

Vigorously, vivaciously for MAGA they oughtfay

The house of the people to restore.

Around the world all could hear,

Shrill his MAGA saber spent.

Skritch scratch swish, skeer,

Down the swampilish creatures went.

What son did slay the Oligarchywocky?

Hither now our Hosencay son; let us celebrate,

As we say goodbye to all the fake-talky,

The spoils of winnings now ours to confiscate.

Victory was HUGE and meant for all to confess,

For our Life, Liberty and for happiness!

'Twas dirthy grithy the poves did lay,

The dillers swill along the pedway.

Kaolin pantheon darkened insay,

The taxious spendocious do stay...

Never More!

Americans Will Pay Higher Prices because of President Donald J. Trump's tariff (trade tax) war. Few if any complaints on President Donald J.'s tariff (trade tax) war are not directed toward ordinary people getting hit with higher prices. "We, the American People," love or hate President Donald J, would be smart to bear in mind tariffs (trade taxes) are imposed by governments to increase government coffers.

"The human voice can never reach the distance that is covered by the still small voice of conscience."
 ~ **Mahatma Gandhi**

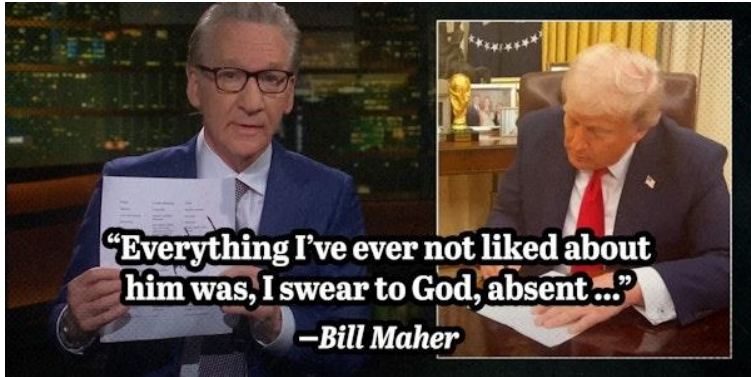

When A Country Has Disproportionately higher tariffs (trade taxes) on similar goods, it means consumers in higher tariff (trade tax) country pay comparably more for imported goods. It also means higher tariff (trade tax) country makes its domestic goods lesser priced, thereby discouraging imports and encouraging domestic goods consumption. Equal tariffs (trade taxes) bolster trade competition.

"I think the terror most people are concerned with is the IRS."

~ *Malcolm Forbes*

Warren Buffett, Financial Oracle of Omaha, famously and infamously observed to "Us, the American People," and anyone else who cares to know, we pay price, we get value. Media report America's Treasury Secretary has it President Donald J. Trump is working to keep tariffs (trade taxes) from making it harder to get American products into foreign markets. Larger markets, larger business sales.

"Ancient Rome surely did not expect its sudden fall any more than the Soviet Union did in 1991, or than America does now."

~ *Mallory Factor*

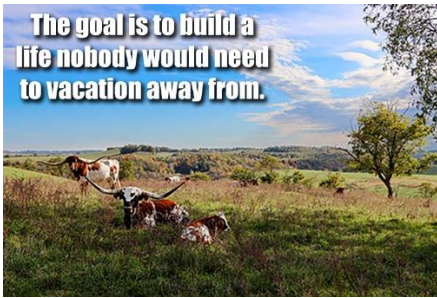

Tariffs (Trade Taxes), Regardless how politicians-legislators try rationalizing their necessity to “Us, the American People,” are a political tool used by governments to create leverage over governments. Ordinary people would be smart to force their governments to do away with tariffs (trade taxes) altogether. Tariffs (trade taxes) gone, international business transactions are left to mutual benefit.

"The object of life is not to be on the side of the majority, but to escape finding oneself in the ranks of the insane."

Horried by inhumane conditions, Tim Walz arrives at El Salvadoran prison to ensure inmates have access to menstrual products.

We were funding the illegals their whole trek up to the border, in every country. Then we stopped funding it.

You'll never guess what happened next.

People Committed To Living In Liberty do not allow legislators – or other public officials within These United States of America, to remain in office if they break their word to their constituents. They dismiss remiss elected officials without hesitation.

"I am prepared to die, but there is no cause for which I am prepared to kill."
~ ***Mahatma Gandhi***

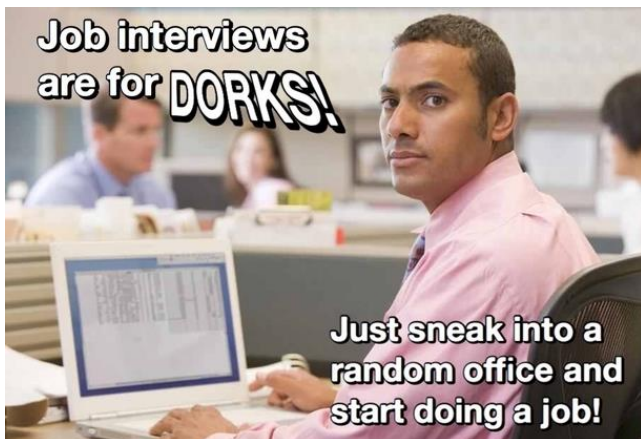

Media Report "Our, the American People's" President Donald J. Trump did not hold back his flamboyance in Easter 2025 messages. Various media outlets characterized President Donald J's Easter Day, 2025 rhetoric as filled with hate, vitriol, invective. Despite President Donald J.'s verbiage indicating grave concern for America's security stemming from ravages of misguided bureaucracy.

"Freedom is not worth having if it does not connote freedom to err. It passes my comprehension how human beings, be they ever so experienced and able, can delight in depriving other human beings of that precious right."
~ ***Mahatma Gandhi***

Those Of "Us, the American People" who want and expect President Donald J. Trump to be a mild-mannered guy who weighs his every word in feigned diplomacy are playing against odds. President Donald J. speaks his mind. Whether he's sincere, is anyone's guess. Only two things can anyone know of anyone. Words and deeds. Deeds become apparent for all to see. Anything else, sheer guesswork.

"Freedom is never dear at any price. It is the breath of life. What would a man not pay for living?"
~ *Mahatma Gandhi*

"We, the American People" are not bound to endure President Donald J. Trump's way of doing government business. Not Constitutionally, or otherwise. America's seated public officials serve at Americans' pleasure. No law requires us to allow America's presidents to serve their terms at our displeasure. There is nothing to stop us from organizing, acting, and escorting President Donald J. out.

"In matters of conscience, the law of majority has no place."
~ *Mahatma Gandhi*

We Are A Sovereign Citizenry. In America's co-equal, three-branch, representative Constitutional republic government system are America's de facto fourth governmental branch. When all political wrangling is done in America's legislative, judicial, and executive branches, we have final say over how America shall operate. Provided we are willing to exert our authority as a sovereign citizenry.

"We must become the change we want to see in the world."

~ ***Mahatma Gandhi***

People Expecting To Live In Liberty do not allow legislators – or other public officials within These United States of America, to give quarter to, offer sanctuary to, or negotiate with terrorists. They dismiss elected leaders who put them at risk.

"The only tyrant I accept in this world is the still voice within."

"Man, no doubt, owes many other moral duties to his fellow men; such as to feed the hungry, clothe the naked, shelter the homeless, care for the sick, protect the defenseless, assist the weak, and enlighten the ignorant. But these are simply moral duties, of which each man must be his own judge, in each particular case, as to whether, and how, and how far, he can, or will perform them."

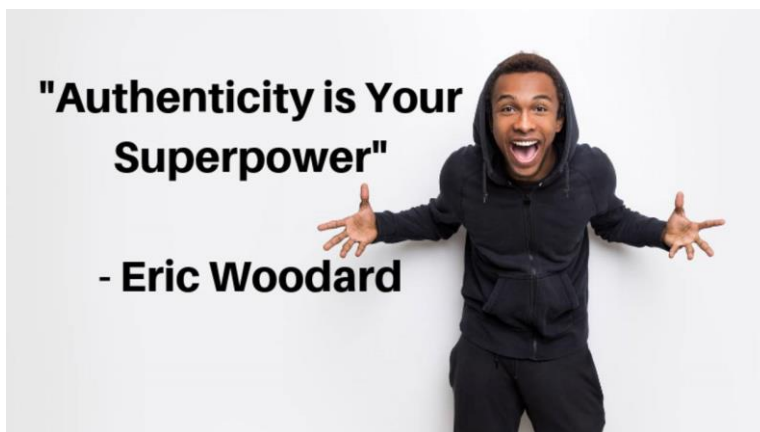

~ *Lysander Spooner*

“Our, the American People’s” President Donald J. Trump has a knack for spurring controversy. A not-so-well-known journalist/editor/writer/entrepreneur has a media article out wherein President Donald J. is reported to be prompting people to oppose him. Not common behavior for politicians-legislators. They take pains to garner our votes at every turn. President Donald J., though, isn’t your typical duck.

"For more than six hundred years -- but that it is also their right, and their primary and paramount duty, to judge the justice of the law, and to hold all laws invalid, that are, in their opinion, unjust, oppressive, and all persons guiltless in violating or resisting the execution of such laws."

~ *Lysander Spooner*

It Is Not, By Any Means, Uncommon for business of all kinds to seek feedback on their wares. They want to know how “We, the American People” see their performance, how they get our attention, how they can persuade

people to be repeat customers. If they're looking for more than back-patting, they'll take note whenever patrons offer less than stellar feedback. Culling negatives makes for better profit.

"Unless this clear distinction between vices and crimes be made and recognized by the laws, there can be on earth no such thing as individual right, liberty, or property, and the corresponding coequal rights of another man to the control of his own person and property."

~ *Lysander Spooner*

There Are Ample Reports Of Personal encounters with President Donald J. Trump. Kayleigh McEnany, former White House Press secretary, was a featured speaker at Pennsylvania Leadership Conference 2025, where she gave an account of her time with President Donald J. Trump, including his observation to her family comes first. Wouldn't be surprising if President Donald J. seeks feedback.

"The Rothschilds, and that class of money-lenders of whom they are the representatives and agents -- stand ready, at all times, to lend money in unlimited amounts to those robbers and murderers, who call themselves governments, to be expended in shooting down those who do not submit quietly to being robbed and enslaved."

~ *Lysander Spooner*

“Those Of “Us, the American People” who are disposed to be categorically cynical of politicians-legislators might figure President Donald J.’s motive seeking feedback would be to strengthen his ability to get his agenda through legislative-judicial obstacles by nurturing his approval among Americans. Not easy with a steady media barrage of opposition. Win or lose, Donald J. fights on.

"Freedom is not worth living if it does not connote freedom to err. It passes my comprehension how human beings, be they ever so experienced and able, can delight in depriving other human beings of that previous right."

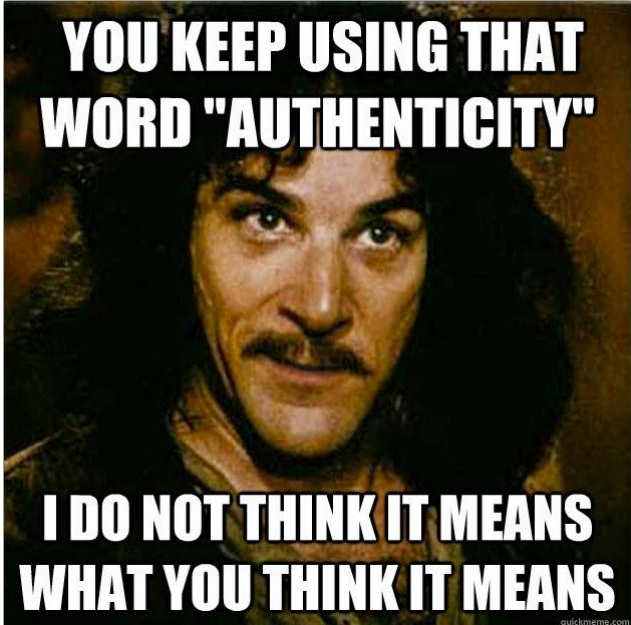

~ *Mahatma Gandhi*

People Determined To Live In Liberty do not allow legislators – or other public officials within These United States of America, to infringe upon Americans’ 1st Amendment rights or other Bill-of-Rights protections; nor do they allow blame for another person’s behavior to be ascribed to their freedom to exercise their rights. They retain their heritage of self-government.

"Truth resides in every human heart, and one has to search for it there, and to be guided by truth as one sees it. But no one has a right to coerce others to act according to his own view of truth."
