STARTED**

**HOW
IT'S GOING**

“Our, the American People’s” Congressional House Of Representatives democrat legislators are fighting an uphill battle iver redistricting as Election 2026 looms. Media reports of assessment of Supreme4 Court of the United States (SCOTUS) April 29th, 2026 voting Rights Act (VEA) related redistricting decision prove correct redistricting outcomes favor GOP House midterm candidates.

“To disarm the people is the best and most effectual way to enslave them.”

~ **George Mason**

uphill battle

a difficult task

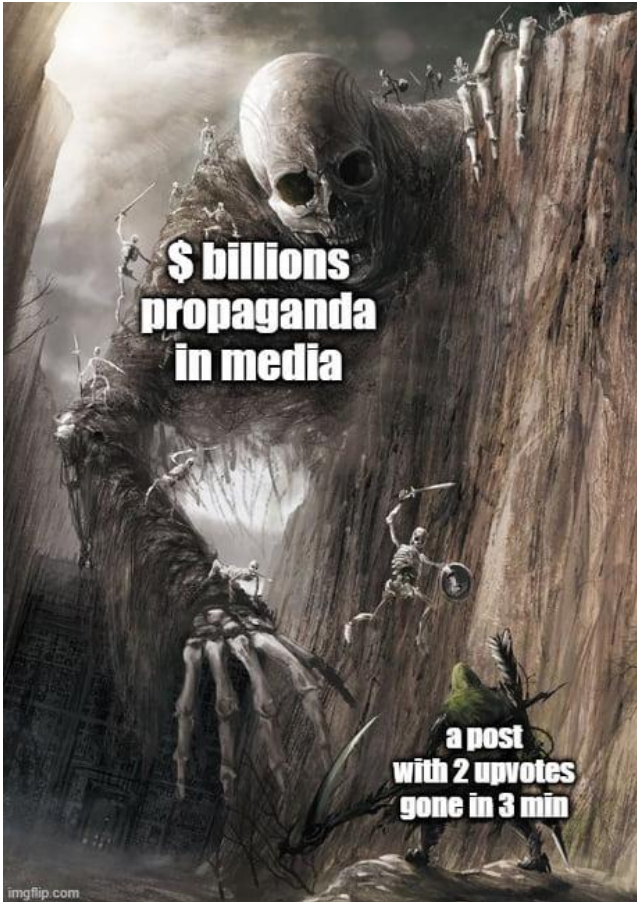

It will be an **uphill battle** to win the election.

Wouldn't Be Unreasonable To Argue redistricting tactics like gerrymandering, while they might offer a theoretical advantage to one political party over another, are not carried on to favor voters as part of a sovereign citizenry. Voting redistricting tactics are aimed at getting a party in office, not, necessarily, representatives who are neutral to politics. Political elections are about gaining lawful political power.

“You can't get rid of poverty by giving people money.”

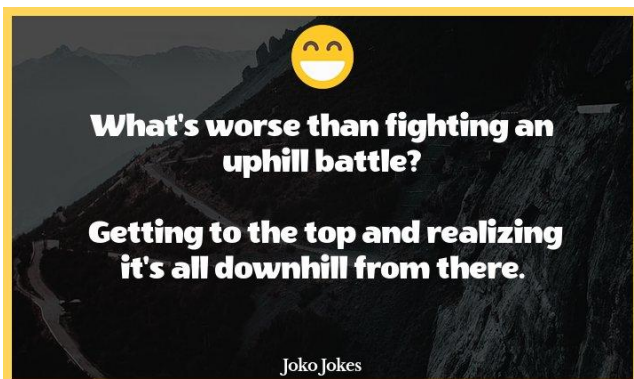

~ ***P.J. O'Rourke***

"We, the American People" are abject fools to sand by while politicians carve out voting districts to help them (politicians) make their personal attitudes, values, and beliefs (PAVB) lawfully compulsory. We would be smart to force our government officials to lay out voting district lines so there is no hint of bias toward anything other than numbers of citizens living within district lines. No other criteria.

"Government is not the solution, but rather the cause of our problems."

~ *Ronald Reagan*

It Is Incumbent On "Us, the American People" to take steps necessary to have our government operate without prejudice toward anyone's political leanings, racial or ethnic background. It's hard enough to hold PAVB-driven government at bay, given America's commonwealth, federal (U.S./National) and state Constitutions empower legislators to make laws as they see fit. Tyranny is always a candidate,

People Intending To Live In Liberty do not allow legislators - or other public officials within These United States of America, to enter into defined-benefit contracts with collective bargaining units to confiscate American’s property. They exercise citizen sovereignty to protect their property.

All 25 states Biden won in 2020 have refused to comply with DOJ request to share voter rolls and ensure compliance with federal law. What does that tell you?

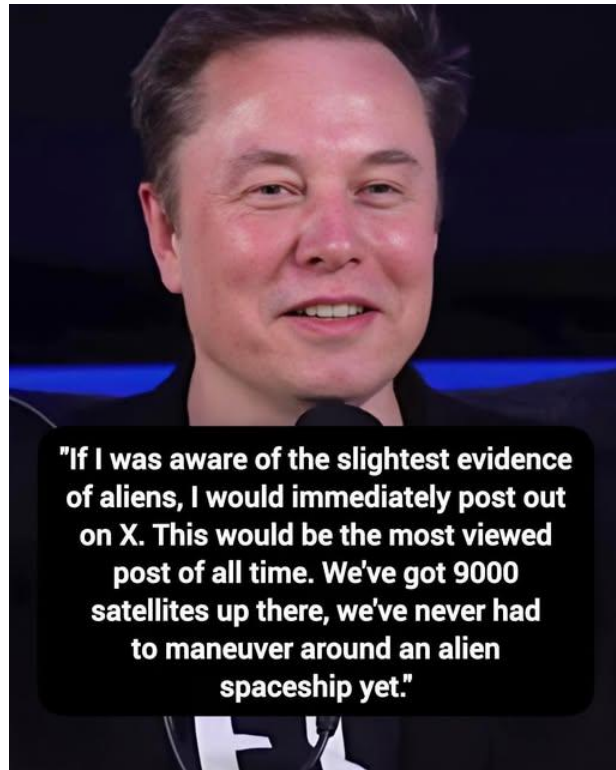

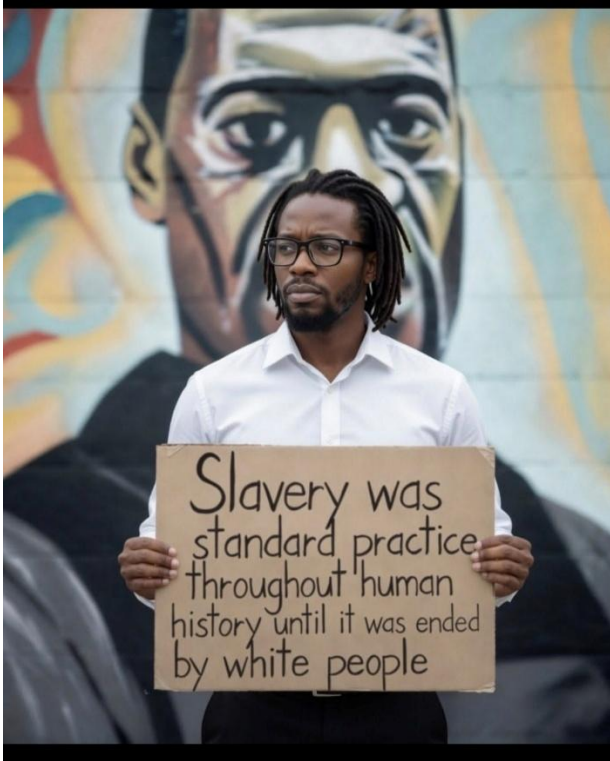

“Our, the American People’s” media is pressing on with steady articles on voting redistricting clambering. Redistricting ado, media coverage reliable, has to do, mostly, with alleged Voting Rights Act (VRA) violation in Supreme Court of the United States (SCOTUS) April 29th, 2026 redistricting decision/ Former Merchant Marine officer and retired lawyer says VRA dispute is over political power.

“I would rather be exposed to the inconveniences attending too much liberty than to those attending too small a degree of it.”
 ~ *Thomas Jefferson*

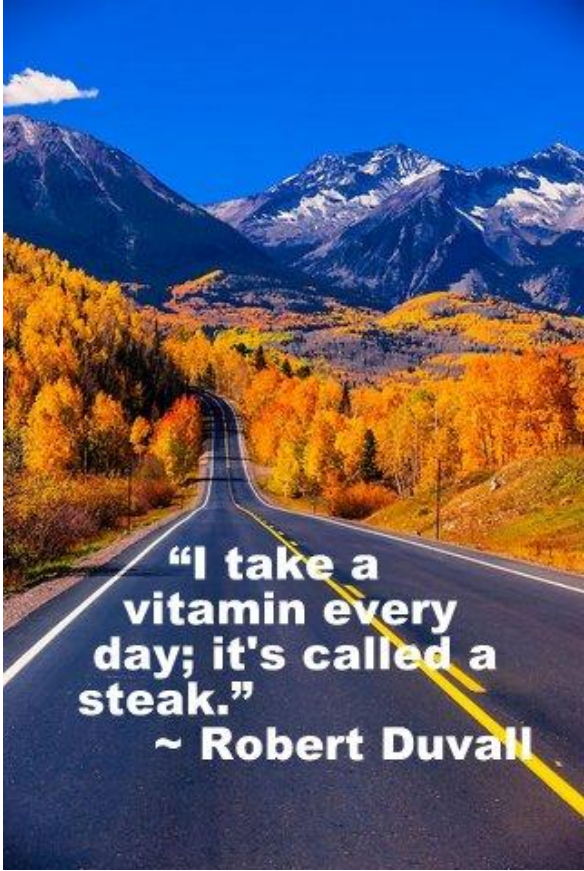

Edit

"We, the American People" would be smart (if we expect America's elections to be unmitigated expressions of our one-person, one-vote self-government franchise) to recognize voting district manipulation amounts to legislators (representatives) choosing their constituents, rather than constituents choosing their legislators. Self-government, in essence, is citizen-supervised government.

"We have rights, as individuals, to give as much of our own money as we please to charity; but as members of Congress we have no right so to appropriate a dollar of public money."

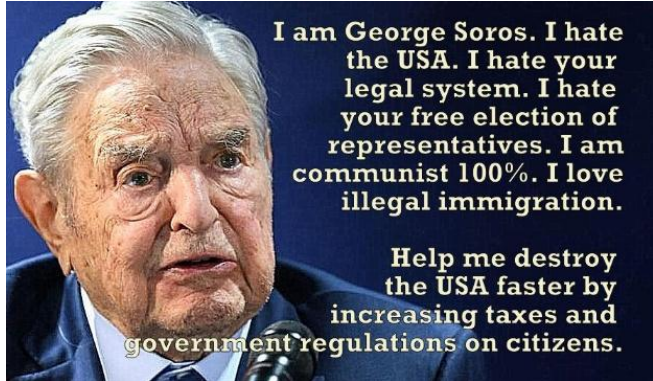

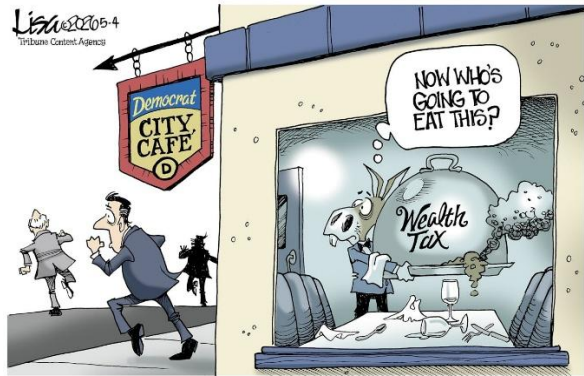

~ **David Crockett**

I WILL BE VEGETARIAN!!**

I am George Soros. I hate the USA. I hate your legal system. I hate your free election of representatives. I am communist 100%. I love illegal immigration.

Help me destroy the USA faster by increasing taxes and government regulations on citizens.

It's Long Past Time For "Us, the American People" to, as a sovereign citizenry, disallow government authority to confiscate property (wealth) and restrict choice (Liberty). We, odds are, can not long remain a free society based on self-government if we continue to allow legislators to engage in gerrymandering-like voting manipulation, or, amongst other misbehaviors, saddle us with debt.

If a man wants to pretend he's a woman, that up to him.

But if he wants us to pretend he's a woman, that's up to us.

Legislators, Chief Government Executives, and judges, points of law notwithstanding, strive to make their personal attitudes, values, and beliefs (PAVB) lawfully compulsory. Whose PAVB become lawfully compulsory depends, to large extents, on who we seat in legislative, executive, and judicial authority. If we can not avoid government by PAVB, then let it be by our PAVB, not government's.

SWAMPBUSTERS!

by Beth Ann

If there's something strange

In your government

And your Liberty

Has all been spent

Who you gonna call?

Swampbusters!

If Free Speech costs

Your job plus jail

And Commonsense

Has been derailed

If your Second Amendment

Has been infringed

And your safety here

Has come unhinged

Who you gonna call?

Swampbusters!

I ain't 'fraid of no swamp

I ain't 'fraid of no swamp

If they occupy

Government offices

And they're cuttin' deals

And running up debt

If there's bureau rats

Callin' for more tax

And they're eating out

Your sub-sta-nance

Who you gonna call?

Swampbusters!

I ain't 'fraid of no swamp

I ain't 'fraid of no swamp

If the installed president

Is speaking nonsense

And he's shaking hands

With air-pretends

If your courts are full

Of fake indictments

And the liars all stand

For the establishment

Who you gonna call?

Swampbusters!

I ain't 'fraid of no swamp

I ain't 'fraid of no swamp

If your government

Has grown too big

Ya gotta implement

That Schedule F

Who you gonna call?

Swampbusters!

If tyranny reigns

In your government

And they refuse pursuit

Of your happiness

Who you gonna call?

Swampbusters!

I ain't 'fraid of no swamp

Umph! I ain't 'fraid of no swamp

SWAMPBUSTERS!!

Levity is sometimes the better way to deal with the severity of the situation we find America in today. While the swamp in DC and around this country are greedy and unconstitutional, I believe their crimes are more horrendous than we can even imagine.

We don't have a \$33 Trillion debt because anyone is trying to fix it!

We don't have open borders because anyone is standing against them!

We don't have political prisoners because anyone in DC, republican or democrat or all the grand Constitutional scholars and lawyers, care to act, defend and do the "right" thing!

We aren't watching a former president of the United States being feloniously prosecuted and persecuted because this nation esteems true Justice, Rule of Law and Due Process of Law.

We don't march for the right to kill babies because we care deeply for Life, Liberty and the pursuit of Happiness!

We don't have unfair trade laws because our own leaders care to put Americans first!

The sick truth: We aren't the number one nation in human and sex trafficking because our establishment government is against it!

The oligarchy or the swamp does not care about America, and they continue to tread down the path that is contrary to our Constitution, our Bill of Rights and they legislate contrary to the will of the people, and they will speak one thing, while doing another, or not doing anything at all.

They will form special councils, hold congressional hearings, make a lot of fuss and noise and then do absolutely nothing; it's all theater and tyranny, there is no Liberty.

Our current administration has completely gone rogue, and the swamp is salivating at all the evil they have accomplished. The swamp is also in a panic over the growing possibility that **We the People** are going to elect President Donald Trump for a second term in office. Lest we tell ourselves that the swamp belongs to one party, remember the words of Paul Ryan and Mike Pence, who both refuse to vote for Donald Trump. You have to ask yourselves, what is it they truly believe President Trump did wrong? Early on in 2016, Paul Ryan told Trump he would never get the wall on the border approved by congress, and he made sure, as the speaker that it did not happen. It was at the very beginning of Trump's first term, that his VP Pence helped in the set up against Lt. General Michael Flynn. VP Mike Pence lied to the American people when he said, "I guarantee you that tomorrow your voices will be heard," leading all Americans

to believe he was going to make sure that the votes counted were legitimate votes, as the Senators presented evidence that needed to be investigated. He misled Americans about January 6 when he whined that the President didn't call him, while he, himself, was making one phone call after another; just not a call to the President of the United States. It was the so-called republicans Liz Cheney and Adam Kinzinger who helped staged the one-sided J6 hearings and allowed the withholding of evidence and truth of that day.

President Trump is promising to drain the swamp by firing a lot of bureaucrats, using Schedule F.

Read about Schedule F here: <https://brownstone.org/articles/the-astonishing-implications-of-schedule-f/>

Read Schedule F here:

<https://www.federalregister.gov/documents/2020/10/26/2020-23780/creating-schedule-f-in-the-excepted-service>

As a Constitutional Republic, “consent of the governed,” our nation was never designed to be top heavy in D.C. A large, centralized government was never in the plan, but it was in the warnings of our Founding Fathers. US Government has become a gargantuan swamp full of evil and unconstitutional people. If we are to ever gain back our power as **We the People**, the swamp must be drained dry! In order to do that, we need a **Swampbuster** and that person is President Donald J. Trump! Be mindful, President Trump needs a team of **Swampbusters** – will you join the team?

*I dedicate this substack article and limerick to my #47 President, Donald J. Trump. In 2024 the office of #47 will officially be elected as America's **Swampbuster!***

“We, the American People” would not be wrong if we considered tactics to control voting district election outcomes desperate attempts to swing elections by expecting voters in gerrymandered districts to vote as gerrymandering agents predict. We, as independent minded people, would break gerrymandering nuisance by voting precisely opposite gerrymandering manipulators expect.
