There Is A War Against America!

There is a war going on in America and it's against all Americans!

Is it a culture war? Yes!

But it is much more than that; it is evil vs. good.

Evil is still (and always will be) warring against God's creation - against all that is good and all that is just and pure. With that in mind you must understand it is also a spiritual war in America.

There is a war against God and against His creation. The democrats seem to have gone insane, but I'm beginning to believe they've always been insane, evil, and corrupt! They are not alone, for many of the republicans are no better, in fact, perhaps worse, they actually pretend to be something they are not!

I saw a meme recently which read something like this, **"God created two genders, male and female and the democrats created, invented or made up all the rest..."**

.... And of course, we are to believe what democrats say is true and all that conservatives say is false. If you believe there are only two genders, you're a bigot, homophobe, trans-hater and a racist! The democrats have placed themselves and all that is perverted on a pedestal and it's time Americans humbled them a bit. I heard long ago that first they (the LEFT) ask tolerance of you and then later they will demand and force you into acceptance. We are seeing the truth of this today. Remember a few years ago it was about sharing bathrooms with transgender men pretending to be women? Now it is women's sports, women's beauty pageants and more.

The LEFT has declared war against women.

These attacks are being led by the party who claim to be advocates for women. The same party who in the past supported slavery and supported the abuse and the using of female slaves to increase their “fold.” They banned all blacks from owning guns and from being educated. Now this same party are attempting to preach to us about racial prejudice, RACISM! You must understand those accusers are the real racists. With their stand against school choice they continue to promote the dumbing down of educational curriculum, they continue to keep our black Americans from being well educated.

According to Rep. Burgess Owens, ***"0% math proficiency for predominantly black students in 22 Maryland public schools. SUCCESS for the Progressive Left who view human misery as a political strategy. Our children pay the price."***

Does that sound like democrats (the Left) care about the education of America's inner-city children? No, it does not! They don't want children well educated nor do they want them to “think for themselves.”

The LEFT has declared war against American Children.

The trans movement is anti-children. The democrats (the LEFT) are doing their loudest to remove parental rights and confuse the children. Gender dysphoria is a mental illness, but the LEFT is promoting it like it's “normal.” They are confusing children at an early age and promoting the mutilation of their bodies. The democrats call parents who object to the pornography in school and the promotion of trans-gender dysphoria, domestic terrorists. As they promote this sickness in the public schools, they are encouraging teachers and children to not let the parents know. They are promoting the hate of Christianity; as we believe in God's Creation; male and female He created them.

The same Democrat party who banned gun ownership from black Americans, now want to ban gun ownership from all Americans, in the pretense of safety.

The same Democrat party who was ok with using female slaves are still using women. They are trying to control the population of blacks through abortion. Young women in America are not free! Human trafficking in America is a growing industry, which is promoted and approved by the Democrat party. I will add that Republicans remain too silent on this matter.

There's a War declared against Free Speech!

The media is corrupt and works for the two-party-system. Americans now find themselves under a large corrupt oligarchy.

WHAT is preventing the Republicans or **We the People** from holding townhalls? We should do this in every state capital, every large and small town and in every county in America.

Let's go around the corrupt media! We need to do this! I know they held town halls before, but it was always for media purposes. The corrupt media doesn't need to know what is being said in Townhall Meetings. The panel of these meetings needs to be the election officials and local bureaucrats. The people will be leading the questioning! Let's reduce the media to meaningless, because when all they feed you are lies and propaganda, they are not only meaningless to Liberty and Free Speech, but they are also the enemy! They are the enemy and it's time we stopped giving them any credence.

There is a War Against our Constitutional Republic!

Our government system has grown beyond measure! Seriously, we cannot count all the government "workers," and oh how they loathe and look down on us, **We the People**. They are "special" characters indeed. None received our vote. Their infringements upon American lives by mandates, regulations, restrictions, demands for permits here and licenses there, and all those "inspections" which are forced on **We the People**, we did not give our "consent." This is again taxation without representation.

Deep inside their dark and sinister hearts, they know that **We the People** have the power to remove them. While coordinated corruption makes it more difficult, we can and must find a way to remove the bureaucracy and stop the oligarchy.

Lest we forget, these infringements against **We the People** are nothing new. Long ago it was a king, today it is an oligarchy!

*....We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.--That to secure these rights, **Governments are instituted among Men, deriving their just powers from the consent of the governed**, --That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness.*

The LEFT has declared war against our culture, against women, against black Americans, against our children, against Free Speech, and against our Constitutional Republic. The LEFT is in a war against God, they will lose, where will you stand?

Scripture tells us, there's a time to love and a time to hate, a time for war and a time for peace. **Ecclesiastes 3:8 NIV**

America, this is a time of War! Not a gun battle, but a battle nonetheless. So, let's put on the Full Armor of God.

“Put on the full armor of God, so that you can make your stand against the devil's schemes. **For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this world's darkness, and against the spiritual forces of evil in the heavenly**

realms. Therefore take up the full armor of God, so that when the day of evil comes, you will be able to stand your ground.” Ephesians 6: 11-13

There is a war America, we cannot deny it! Do we have any soldiers willing to rally? It’s time to circle the wagons for God and country... **We need to Bring America Home©.**

War always leaves a mess in a nation, and it leaves the people in an upheaval, some left orphans, many left homeless. While many decide to stay in their homeland, others make the decision to leave. I cannot imagine having to make that kind of an extreme life changing decision.

Saigon fell on April 30, 1975. Hundreds of thousands of Vietnamese who did not manage to escape the country were eventually sent to "reeducation camps," where they were often abused, tortured, or killed. After the American troops withdrew, the North Vietcong went from village to village murdering everyone; women, men, children, the young and old; it was genocide! I personally know refugees (now American citizens) who escaped Vietnam. They tell of how their families and the villages they once called home were completely wiped out, genocide! Genocide is the Communist way.

This occurred while Joe Biden was a senator. Senator Joe was quite outspoken against assisting the South Vietnamese people, who actually assisted Americans in the Vietnam "conflict." Senator Joe was anti refugee at that time.

President Ford wanted to help the South Vietnamese. Henry Kissinger stated that, "There were Vietnamese to who we have an obligation." Joe Biden stated,

“I will vote for any amount for getting the Americans out. I don’t want it mixed with getting the Vietnamese out, the U.S. has no obligation.”

Upgrade to paid

As President, Biden led an embarrassing, costly and deadly exit from Afghanistan. President Biden was caught on film as he anxiously paid more attention to his watch than he did giving a few minutes of tribute and honor to the 13 Marines who were lost on that day. Joe Biden, in his ignorance and arrogance, still claims he has no regrets regarding that day of horror in Afghanistan. America knows, the blood of Americans and Afghans are on Joe Bidens hands; he will one day pay for that day.

There was one Afghan interpreter begging to come to America, but last I heard he was not given permission, even though the American soldiers he was working with spoke out on his behalf. Yet, after this military debacle of an evacuation, the Biden administration brought over 80,000 Afghans into America. This administration did nothing to vet or keep track of these “refugees.” Three years later, this administration still does not know the identities of, or the whereabouts of these Afghanistan refugees. There is still an unknown, but believed to be large, number of Americans left behind; enslaved, in hiding or dead. Our government has done little to nothing to bring them home. This administration is concentrating on Ukraine and Americans in Afghanistan are completely forgotten by them.

The Democrats seem more eager to assist our enemies than they are to lend comfort to our own, our allies or our friends.

The same Joe Biden that was heartless with the Vietnamese refugees in serious need of asylum, is the same Joe Biden today who has opened up our borders, flown in “refugees” from all over the globe and sent them, unvetted, into our nation’s interior.

When you're a lifelong politician, as is Joe Biden, politics always comes before the people.

Upgrade to paid

Why The Change Of Heart Joe?

As President of the United States, Joe Biden has allowed over seven million illegal aliens into our nation. Not only are our borders wide open, but his administration is also flying illegals, unvetted and unknown (to us) into the interior of our nation. We don't know who they are, or where they are.

With Joe as president of the United States, the world is in complete turmoil. On October 7, 2023, Hamas conducted a horrific act of terrorism and war in Israel. This administration refuses to admit the gory murders, rapes, dismemberments and tortures that took place that day and night.

It seems that our college campuses have been infiltrated with Islamic activists and are leading American students into protests and riots across this nation. These riots have been blatantly antisemitic. The protestors have not allowed Jewish students to attend class or even enter the campus grounds. They chant "from the river to the sea," while they know nothing of what those words mean. They have taken down the American flag and hoisted the Palestinian flag on the U.S. campuses. They claim there were no rapes or murders. They have destroyed property and left quite a mess to clean up! A few activists easily brainwashed these spoiled and uneducated brats. Now they are demanding water, food, reparation and all kinds of absurdities.

Finally, President Biden made a two-faced statement, *"I condemn the antisemitic protests. That's why I've set up a program to deal with that. I also condemn those who don't understand what's going on with the Palestinians."*

I've seen no evidence that the President has any "program" set in place to deal with the riots and protestors. Earlier this week police have been clearing out and arresting the rioters but that was per the request of the college presidents.

It was brought to light this week that the Biden Administration is "hatching" a plan to bring Gaza (Palestinian) refugees to the U.S. "Gaza" and "Palestinians" are synonyms for Hamas.

Is his change of mind, and heart, for refugees based solely on the November 5, 2024, election?

The election polling is not going favorably for Joe, he might need some illegal-alien-refugees to win his next election.

There is no doubt in my mind that the 2020 election was stolen. Not stolen from President Trump, but from the people! **We the People** really "pissed-off" Obama when we elected Donald John Trump!

Joe Biden, once hater of helping refugees, is now filling our nation with numerous illegal aliens (refugees), many of whom hate America and wish death to all Americans.

Why The Change Of Heart Joe?

Truth is that career politicians make political decisions for their careers, not for **We the People**.

November 5, 2024, needs YOU! Get involved and stay alert America.
