John 15: 13 - **Greater love hath no man than this, that a man lay down his life for his friends.**

We've produced many Memorial Day shows throughout the 14 years of CSC Talk Radio. I've shared the history and origin and how it was meant to unite a broken nation.

These days it designates the first day of summer and Americans are all encouraged to bring out the swimsuits and start up the barbeque grills...

But maybe, just maybe we've lost who we are; and perhaps taking for granted our freedom, we've lost the reverence of this day in our history.

Recently in this small town, they tore down an old hospital. In its place they built a beautiful park, paying tribute to those who served and were a part of Moniteau County; it's a **Veterans Memorial Park**. It's a small park with a large memorial wall, listing the names of Moniteau County veterans along with honoring the names of those... who **"Gave All."**

Lyrics excerpt: Some Gave All

(by Billy Ray Cyrus)

I knew a man, called him Sandy Cane
Few folks even knew his name
But a hero, yes was he
Left a boy, came back a man
Still many just don't understand
About the reasons we are free
I can't forget the look in his eyes
Or the tears he cried
As he said these words to me

All Gave Some, Some Gave All
Some stood through for the red, white and blue

And some had to fall
And if you ever think of me
Think of all your liberties and recall
“Some Gave All.”

I’ve seen those tears in the eyes of my own brother; a Marine who came back a man after serving in **Vietnam**.

I hope you will take the time to go and listen to CSC Talk Radio’s Memorial Day Show as we honored and paid tribute to one who **Gave All**.

I’ve shared with you before that my dad, Hermon Byron Sumpter served in the Army during WWII. My Father in-law, Otto Albert Schoeneberg served in the Army Air Forces during WWII and was shot down and was a POW. My brother Phillip Allen Sumpter served as a Marine in **Vietnam**, and my son, Edwin Charles Schoeneberg, served in the Army during peace time, for which I was thankful.

My brother in-law Kelly, however, lost his dad, Kelly Clayton Odneal Sr. during the Korean War. I invited Kelly into my studio this morning to pay tribute to his dad. What a better way to tribute this day, than to honor one of our fallen...

Kelly was only a few months old and only had those few months of time with his dad, so he has no memories of his own... BUT he has a story to tell... as we honor his dad... **Corporal Kelly Clayton Odneal, Marine**.

[CLICK to listen to the Memorial Day Show.](#)

All Gave Some, Some Gave All

As you enjoy this long weekend, remember those who secured your Liberty and allowed you the freedom of your backyard barbeques and your fun in the sun.

All Gave Some, Some Gave All to...

President Donald J., report media, is at it again. Poking America’s court system slumbering bear. Not surprising, it’s over presidential authority.

~ **Carl Sagan**

“We, the American People,” if we’re inclined – at all – toward having a judicial system structured on passing judgement with objectivity and neutrality, might give some serious thought to a Supreme Court of the United States (SCOTUS) Justice claiming America’s lover court, “ , , , *instead cherry-picking which First Amendment principles it thought worthy of allowing through the schoolhouse gates.*”

"One of the saddest lessons of history is this: If we've been bamboozled long enough, we tend to reject any evidence of the bamboozle."

~ **Carl Sagan**

We, A Sovereign Citizenry, If We Expect to remain sovereign, and America's court system deliver justice for "Us, the American People," would be smart to establish criteria applicable to concluding when court decisions are objective and neutral. We would not be smart to, simply, use legislative verbiage codified in law. Law reflects law writers' personal attitudes, values, and beliefs (PAVB).

I was on a long line at 7:45 am today at the grocery store that opened at 8 for seniors only. A young man came from the parking lot and tried to cut in at the front of the line, but an old lady beat him back into the parking lot with her cane.

He returned and tried to cut in again but an old man punched him in the gut, then kicked him to the ground and rolled him away.

As he approached the line for the 3rd time he said, "If you don't let me unlock the door, you'll never get in there."

Self-Government – Government By Public Consent – removes notions of law's capacity for immutable correctness. Jury nullification epitomizes. Juries are not bound by law's presumed rightness. Rather, juries are empowered to pass judgement on law's suitability. While we may never overcome PAVB judicial bias, we can strive for less judicial outcomes tainted by judicial PAVB.

Because of the leadership in this nation, who deny and defy God, who intentionally distort the truth and meaning of the statement of Separation of Church and State, America's foundation is becoming sinking sand.

John Adams said, ***"Our constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other."*** Morality and virtue are the foundation of our republic and necessary for a society to be free.

Our founding documents speak of equality and truth! ***"All men are created equal and are endowed by their creator."***

With the Globalists in charge America has gone a long way away baby. **We the People** have turned our backs on God and allowed fools and the evil ones to rule. **Why?**

We have been foolish; we have allowed the ungodly to lead... "love all people" right? So, we let the perverts lead, but they do not lead, they take! These sick perverts are bullying their way through our nation. Because we failed to stand up for our God, Truth, and Free Speech, because we refused to stand up for righteousness, with apathy and cowardice we have allowed the perverts and fools to "rule" **We the People**. When they are done with their corrupt and perverted ways, **We the People** will have nothing left and America will be a mere empty shell of a nation.

Gone are the days of Free speech in America; to speak truth or disagree with those in charge is now hate speech.

Gone are the days of living safely in America; crime is now rampant.

Gone are the days of justice, due process of law; lady justice has now been politicized.

Gone are the days of American Exceptionalism!

Gone are the days of American heroes!

Gone are the days of the American Dream; equity destroys the hearts of those who want to create, invent and to improve their way of life. Equity destroys equality and turns us into a society of slaves, dependent on government.

Gone are the days of Americans standing united!

Gone are the days of morality, for the ungodly now rule.

Gone are the days of common sense, for science is now politicized.

Gone are the days of Freedom and those peaceful times Norman Rockwell is so famous for portraying in his paintings.

Gone are the days of America righting her wrongs, instead we attempt to erase our history.

Gone is the Constitutional Republic, for we did not keep it...

It is extremely unfortunate that America is no longer that shining city on a hill. Our Founding Fathers had such a wonderful vision, America would be the exception to the rule of dictators and be ruled by the people. ...***That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed...***

Globalism is nothing more than world-wide-communism, where the wealthiest elite rule over all people! America, as it was founded, is the greatest obstacle to their *New World Order*, so they must break us.

Our forefathers landed on Plymouth Rock to establish a new world founded and based on freedom of religion. If the globalists are successful in breaking this nation, the entire world will suffer, for America is the last fortress of hope to the world.

There is plenty of blame to toss around, but the truth of it is, we are all to blame. Instead of sharing the love and beauty of the Holy Gospel, Christians in America were concerned about offending someone, and so many souls remained lost. Americans, known as a proud, independent, and free people, grew to be selfish and even lazy. **We the People** had a good life, but we did not appreciate what we had.

The following is referred to as

the "**Tytler Cycle**" or the "**Fatal Sequence.**"

By Alexander Fraser Tytler, Lord Woodhouselee

From bondage to spiritual faith;

From spiritual faith to great courage;

From courage to liberty;

From liberty to abundance;

From abundance to complacency;

From complacency to apathy;

From apathy to dependence;

From dependence back into bondage."

It would appear that America is following in this progression of self-destruction.

We can blame the socialists, the globalists, the woke, the democrats or the republicans. We can blame the bureaucrats and the deep state, but the truth is, **We the People** elected and allowed the leaders to force unconstitutional mandates and regulations on us. We listen to them when they change and pervert our language and the meanings of certain words and phrases. They now want to enforce their perversions on us and make it a crime to use improper pronouns.

The greatness of America lies not in being more enlightened than any other nation, but rather in her ability to repair her faults. Alexis de Tocqueville

What does the following mean to you?

Amendment 1

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

That first Amendment tells me the acts of those leading today and many of our yesterdays, have been in violation of our Constitution and are attempting to strip us of our unalienable rights, which come from God. Is there any doubt in your mind now as to why these same people now deny and defy God and Christianity?

Without God there is no liberty! Without God there is no freedom!

“Stand fast therefore in the liberty wherewith Christ hath made us free, and be not entangled again with the yoke of bondage.” Galatians 5:1

America is a unique nation and I still believe in Americans, but the hour is growing late! If we truly love this nation and God, who is the creator of all life and the giver of our unalienable rights; Life, Liberty, and the Pursuit of Happiness, then we must return to Him, stand fast in Liberty, repair the very foundation of this nation and **Bring America Home.©**
