

**People Are Not Paying Their Fair Share.** Of taxes. According to Adam Smith. If media coverage is accurate, not distracting, disinformation, misinformation, misdirection, or fake news. To be clear, Representative Adam Smith, not bygone Scottish economist-philosopher Adam Smith. Representative Adam Smith prefers property (wealth) confiscation to advance public service and good works for all.

“State-mandated compassion produces, not love for ones fellow man, but hatred and resentment.”  
~ *Lizard*

“We, the American People,” should Representative Adam Smith have his way, would be compelled to surrender as much private property (wealth) as Representative Adam Smith decides shall be surrender for public (government use as Representative Adam Smith sees fit. Because, it is not unreasonable to deduce, sees his personal attitudes. values, and beliefs (PAVB) superior to those of ordinary folk.

“It is a besetting vice of democracies to substitute public opinion for law. This is the usual form in which masses of men exhibit their tyranny.”

***“Our, the American People’s”*** much lauded self-government underpinning for freedom and Liberty is designed to keep government enthusiasts from getting undue lawful power over Americans who, push come to shove, are a sovereign citizenry. We, not legislator, chief government executive, or judge are Constitutionally empowered to stop government from taking our property (wealth) absent our consent.

“Choose loss rather than shameful gains.”

~ ***Greek proverb***

Those Of "Us, the American People" skeptical of Artificial Intelligence (AI) might be dazed to find AI candid on government coercive need . Coercive, as in forcing people to pay taxes or pay penalty of punishment by law. Government is coercive, saith AI, so government can compel compliance. Fair share taxation, therefore, is nothing less than government prescription as regards evenhanded taxation.

People Intending To Live In Liberty do not allow legislators - or other public officials within These United States of America, to impose direct taxes of any kind. They refuse to allow government to confiscate private property.

Pope Leo XIV Is Calling For "Us, the American People" (people everywhere) to embark on a 'moral renewal.' Pope Leo's said moral renewal would accomplish two vitally important changes toward attaining world peace, universal love, and - not least among needs, equitable justice. Firstly, His Eminence would have unbridled respect for migrants. Secondly, rigorous ethical weaponry oversight.

"Nationalized health is synonymous with delays, waiting lists, rationing, and high taxes."

"We, the American People" would not be too far afield of Pope Leo's world tranquility and wellness prescription, were we too deduce Catholicism's Holy See would, in a second, tell everyone how they are to make use of their property (wealth) and future earnings. Firstly, to generously contribute to solving world-wide Illegal Immigrant Migrant Refugee (IMMR) embarrassment. Self-inflicted.

Fair To Say Most Illegal Immigrants/Migrants/Refugees (IIMR) leave their homes for a better life elsewhere. Not unfair to say IIMR home countries are capable of dealing with IIMR strife without IIMR people having to leave their homes, loved ones, friends, neighbors. Pope Leo, given his formidable position of influence might prevail on IIMR home country leaders to take ownership.

## America Has Been Seized!

But we are not helpless, unless we choose to be.

There isn’t one part of our lives, here in America, that isn’t controlled or regulated by government. Nearly 2.2 million federal ‘government’ employees are writing and dictating regulations and mandates. They (these departments) determine what is illegal and what is not! The American people are then forced to apply for and pay for a permit or a license to do that particular thing which

they have determined to be unlawful. **I believe that is the very definition of extortion!** You must succumb to government inspections and fear the fines that might befall you for the failure to capitulate to even one of their rules. ***This is harassment and fear mongering.***

“They” seized our agriculture.

“They” seized our Bill of Rights.

“They” seized our businesses.

“They” seized our cities.

“They” seized our communication.

“They” seized our communities.

“They” seized our Constitution.

“They” seized our counties.

“They” seized our education.

“They” seized our energy.

“They” seized our faith.

“They” seized our Freedom.

“They” seized our Happiness.

“They” seized our Prosperity.

“They” seized our healthcare.

“They” seized our homes.

“They” seized our infrastructure.

“They” seized our land.

“They” seized our law enforcement.

“They” seized our Liberty.

“They” seized our Life.

“They” seized our manufacturing.

“They” seized our markets.

“They” seized our media.

“They” seized our money.

“They” seized our parks.

“They” seized our pharmaceutical.

“They” seized our recreation.

“They” seized our representation.

“They” seized our Republic.

“They” seized our states.

“They” seized our towns.

“They” seized our transportation.

“They” seized our unity.

“They” seized our vote.

“They” seized our water.

“They” seized our way of life.

**“They” seized the American dream.**

That is a long yet incomplete list of all “they” have taken from **We The People**.

*Constitutionally speaking*, the mandates, the rules, the regulations established by these alphabet bureaucratic departments, are not laws! They have no constitutional authority over **We the People**. Yet we bend to them as if we are “their” subjects. We did not elect any of these and their authority over us is only by our own submission, yet they seem to be “*in-for-life*” and cannot be fired.

So not to sound like a complete rebel, I do understand there should be some rules and laws when caring for this nation, it’s people, and our communities. There are obvious ones, which I think is a shame we have to write certain things down, like NO LITTERING. “Pick up the litter” and don’t be a slob! I’m not opposed to speed limits and traffic laws; those only make commonsense. I am opposed to the federal government dictating to the state which limits and laws they should establish. I do not think like a libertarian, who seem to believe there should be no laws or restrictions regarding drugs and abortion...etc...

How many government departments does it take to “run” this nation?

There are 15 executive departments: Departments of Agriculture, Commerce, Defense, Education, Energy, Health and Human Services, Homeland Security, Housing and Urban Development, Interior, Labor, State, Transportation, Treasury, and Veterans Affairs, and the Attorney General.

Additionally, the Cabinet includes the White House Chief of Staff, the US Ambassador to the United Nations, the Director of National Intelligence, and the US Trade Representative, as well as the heads of the Environmental Protection Agency, Office of Management and Budget, Council of Economic Advisers, Office of Science and Technology Policy, and Small Business Administration.

Government this BIG cannot be that of a free people. With this many departments (and more) the **“consent of the governed”** has been lost.

The president can continue to create departments and appoint secretaries for each to meet his agenda. Each new department isn't about safety, they are about control!! Controlling YOU! Controlling **We the People!**

This has grown completely out of hand and our Founding Fathers would not approve!

When I read this line, which our Founding Fathers included in the Declaration of Independence... **“He (the king) has erected a multitude of New Offices, and sent hither swarms of Officers to harrass our people, and eat out their substance”**... I thought, OMGosh, that's exactly what is going on here in America today!

Socialism! Our government, as it is currently being run, is socialistic in nature. Government creates social programs in order to control and appease the people. The citizen becomes enslaved and addicted to government assistance.

As a Constitutional Republic **We the People** are the ones who should be in control. The larger the government grows itself, the more “they” control us and the less freedom we as citizens enjoy.

Our Constitutional Republic, our Freedom, and our Liberty has been seized by this oligarchy democracy. The insurrection (the seizing) of our Republic happened long ago.

When Donald Trump (an outsider) thought he could run the government better and more efficiently and decided to run for president, the socialistic-oligarchy-democracy of the united states became threatened. Like a wild animal, they began to fight back the only way they knew how. DIRTY and Vicious!

Political opponents are not satisfied to legally fight it out at the ballot box, they must control the ballot box; the counting, redistrict the precinct areas and change the rules.

In an earlier article about Tyranny, I described it this way:

**Tyranny is a vicious enemy**, limitless with its tactics to subdue a people and conquer their land. Tyranny is cunning and deceitful, never hiding its face just its intentions. Disguised as a do-gooder, Tyranny preys on our emotions and uses our own system of governance against us. Tyranny changes the rules, amends the contract, ignores the rule of law, spreads falsehoods, and sows discord among the people.

Tyranny sees sovereignty as an evil creature.

Tyranny is godless, seeking only to be a god.

Tyranny produces nothing but destruction, pain, and death.

**Tyranny is a plague upon our land!**

**America Has Been Seized!**

Liberty is always in the hands of the people, but first it must be a longing and lust within their hearts. If people are content as slaves, their children will be

condemned to that same slavery. The only way to break free will be by the blood of those who refuse to be slaves!

Our nation has been seized by an evil regime of elected and unelected people. There is absolutely no honest dispute in this.

**But we are not helpless, unless we choose to be.**

To ignore evil is to give your stamp of approval over it. We have allowed the unrighteous to lead and to destroy. Do our families mean so little to us that we are content to sacrifice our safety and condemn them to slavery?

The Christians of this nation must rise up!! We must stand for God's righteousness – or we stand for nothing!

Our nation has become a land we do not recognize. There is no peace, there is no law and order, no rule of law, there is no unity, no free speech, no safety or security in our homes, and it appears, systemically, there is no longer any value placed on Life and Liberty.

Israel had to make the decision to press forward into the promised land. They were afraid – there were giants there; it was a land filled with great evil.

### **Joshua 5: 13-15**

*Now when Joshua was near Jericho, he looked up and saw a man standing in front of him with a drawn sword in His hand. Joshua approached Him and asked, "Are You for us or for our enemies?" **Neither," He replied. "I have now come as Commander of the LORD's army."** Then Joshua fell facedown in reverence and asked Him, **"What does my Lord have to say to His servant?"** The Commander of the LORD's army replied, "Take off your sandals, for the place where you are standing is holy."*

Joshua said, <sup>15</sup> *But if serving the Lord seems undesirable to you, then choose for yourselves this day whom you will serve, whether the gods your ancestors*

*served beyond the Euphrates, or the gods of the Amorites, in whose land you are living. But as for me and my household, we will serve the Lord.” Joshua 24:15*  
NIV

Since the time the pilgrims set foot on this land, America has been blessed by God! I believe we have been living in a land flowing with milk and honey. He cannot bless how we are now, killing the unborn and selling our own children and others into prostitution and slavery. Surely there are those CRYING OUT for rescue!! They need us to do the right thing! To restore our nation!

America was once a land of opportunity for all to live and worship free but now we are seen by the world as a fallen nation, with no hope.

**In 1630, while still aboard a ship bound for Massachusetts Bay, John Winthrop delivered his sermon “A Model of Christian Charity.”**

***He said, “For we must consider that we shall be as a city upon a hill. The eyes of all people are upon us. So that if we shall deal falsely with our God in this work we have undertaken, and so cause Him to withdraw His present help from us, we shall be made a story and a by-word through the world.”***

**Winthrop was the earliest example of the idea of American exceptionalism.**

America must return to that place! A place of Christianity, freedom, dreams, hope and opportunity. America must once again be that beacon to the world! America must return to God!

**Even though America has been seized,** all the world is watching and waiting. Many times I’ve received phone calls or notes from listeners abroad. They are discouraged where they live, because of the chaos and corruption here in America; *“We look to America for our hope,”* they have commented.

It’s time to retrieve our nation and restore our Great Republic. Let all the world watch and see as we, with the help of God... **Bring America Home!©**

Catholicism's Pope Leo XIV is on a warpath to make sure "We, the American People" are aware and take heed Artificial Intelligence (AI) may be evil like no other in known cosmos reaches. There may be no respite from AI deception, deceit, and destructive force. Unless we allow Pope Leo and other enlightened leaders to corral AI's rogue behavior and intent to corrupt Earth's every living creature.

"Why Common Thieves Are Better Than Socialists: Thieves have the guts to do the job themselves, steal in the name of "justice," masquerade as "liberals," comprise a unified political mob of millions, loath freedom and individuality, undermine the Constitution, promote mind control via "political correctness" and "hate" crimes, own/control the "establishment" media, indoctrinate our children to be unquestioning drones of the state. Thieves can be arrested."

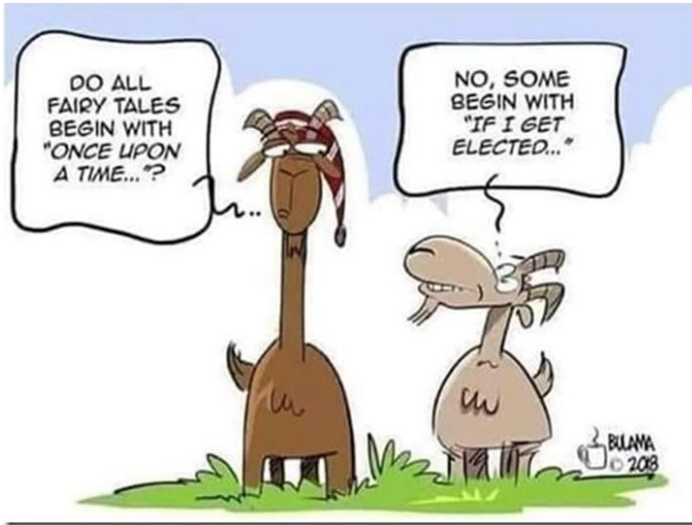

~ *Mark Gilmore*

***Fear. Next To AI, Fear Might Be*** "Our, the American People's" most vulnerable attribute. Pope Leo, should he be inclined, might draw on his unconditional Faith to fortify folks worried over AI's potential; (or, literally, if AI is, in fact, evil incarnate – or, in data manipulation) take heart in prayer blushing before courage. Or, our Holy See might counsel AI worriers to order, 'Get thee behind me, AI pest.'

"Socialism, like the ancient ideas from which it springs, confuses the distinction between government and society."

~ *Frederic Bastiat*

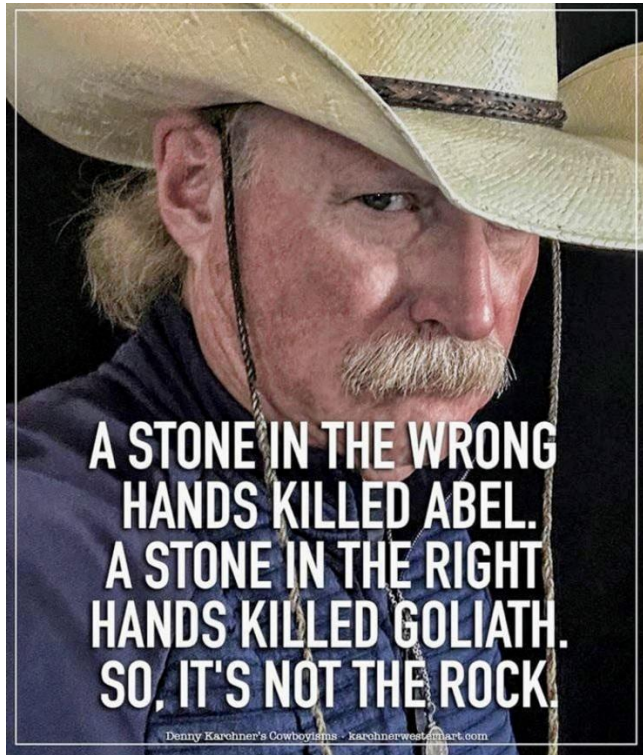

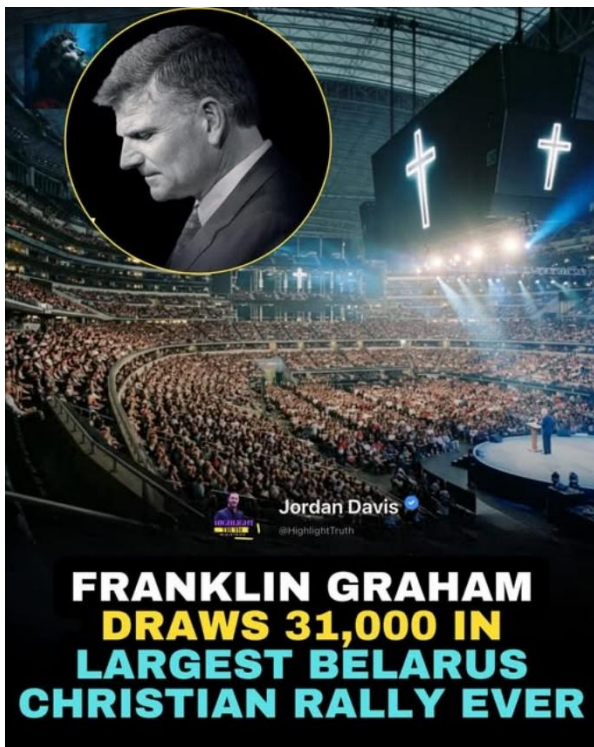

*A Cursory Internet Surf Effort* will render to “Us, the American People” more than enough references on how Pope Leo has sized up AI as a major weapon for, in essence, Lucifer to wield in Lucifer’s never-ending quest to undermine our innate ability to think for ourselves. Lucifer is reputed to be one very powerful deceiver. Could be. Odds are Lucifer is no match for awareness brought to bear on ignorance.

“The Five Iron Laws of Big Government:

Big Government doesn't work, makes things worse, often hurting the very people it is intended to help, creates new problems, is costly and wasteful, diverts money and energy from positive, productive uses. That's why we must make government small!"

~ *Small Government Act to End the Income Tax in Massachusetts 02/06/02*

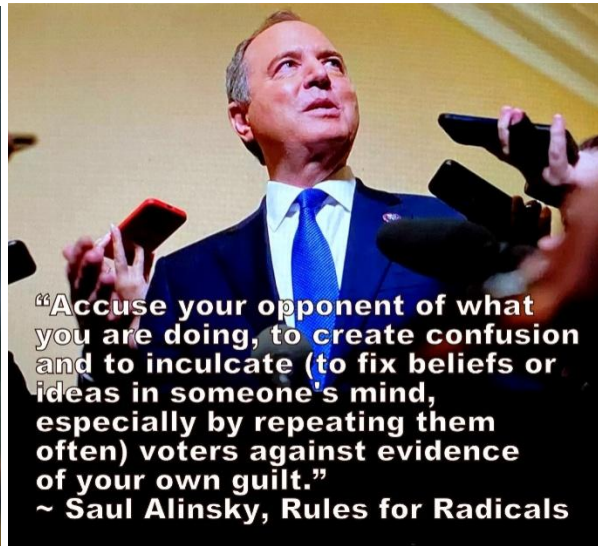

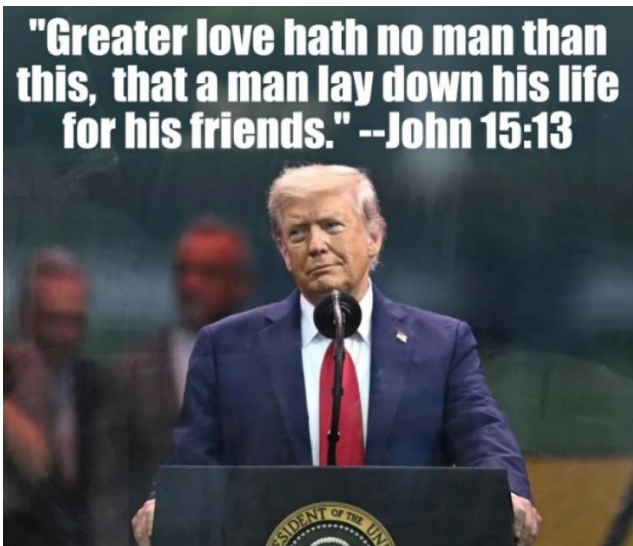

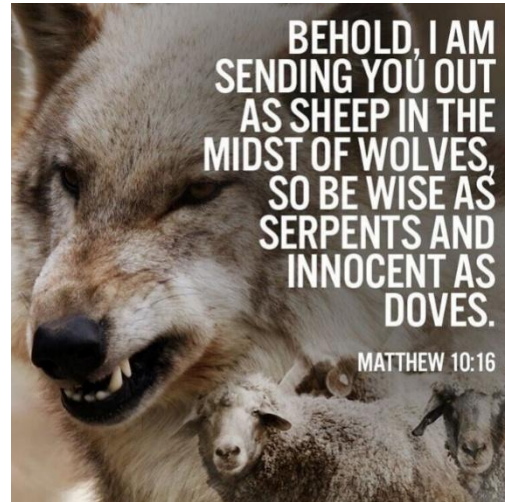

AI, More Than Likely, Is Here to stay. AI represents change. We might as well embrace change, use change to our betterment. Change will certainly embrace us. Used to be Faithful masses were denied direct access to spiritual power. Ordinary folk just were not capable of dealing with truth in its purest form. Ordinary folk had to be duly instructed. Lest they misinterpret. So, no more. And here, we are.
