

Were “We, the American People” to ask Artificial Intelligence (AI) for evidence Pope Leo XIV really did mouth ‘disarmed’ in calling for AI to be restrained on a short stay, AI would, like as not, offer a string of media reports attesting to Pope Leo saying AI must be disarmed. Strong word, disarmed. Media coverage has it Pope Leo admitted disarmed is a strong word, but strong words are needed.

**ME: ALL WORDS ARE MADE UP.**

Not Unlike Any Number Of English Language words, ‘disarmed’ has several definitions, several similar words. Only Pope Leo knows, if he knows, his intent when saying AI must be disarmed. It would not be smart for “Us, the American People” to presume Pope Leo is only interested in assuring Ai is used for humanity’s good. More likely His Holiness wants AI used precisely as Pope Leo says.

“The best argument against democracy is a five-minute conversation with the average voter.”

~ *Winston Churchill*

Media Report People Leo Looks At Ai as a digital slavery of sorts. Wouldn’t be too much a stretch to figure Pepe Leo thinks AI will destroy “Our, the American People’s” ability to distinguish between is

and is not. It would not be too much a stretch to infer Pope Leo would, if Pope Leo could, have one and all pass judgment on AI as Pope Leo has passed judgment on AI. Curiously, free will formed AI

**Would-Be Benevolent Dictators** lie in wait, run for office, strive to have their personal attitudes, values, and beliefs (PAVB) be lawfully compulsory. Pope Leo, no matter his lofty positional authority, has no power to force anyone to do anything. Pope Leo can use, may be using, prospect of Divine retribution to turn fearful people against digital Satan AI. Ironic. AI, unsure, advises enquirers to double check.

***“We, the American People,”*** skeptics though we may be, will not condemn AI because someone in positional authority demands it. Were we to learn AI is, in point of fact, evil incarnate, as Catholicism’s upper management looks to be declaring, AI will have no place in our ethos. We will show AI out. Odds are not likely. AI is a mere informational tool. Not unlike a dictionary, or manual.

# They Say You Can't Go Home Again...

With God all things are possible, and with Him, We the People can, and MUST, Bring America Home©

BETH ANN

APR 3

4-3-2023

They say you can't go home, that the past times you held so fondly in your memories are irrecoverable; the past is the past and cannot be relived!

They say this is the 'new normal' and we must accept it! What is normal now, the riots, foreign collusions, and confused people not knowing who or what they are? Is normal a war against the English language? Are pronouns now weapons of mass destruction? Is the 'new normal' a mother hating her unborn baby enough to kill it and sell it for its body parts and organs? Is normal a man being a woman and a woman saying she's a man? What is normal about feminizing men and demeaning womanhood? What is normal about the persistent persecution of one person in order to stop the rising up of truth and Liberty? Are

political prisoners and persecutions the 'new normal' in America? Are lies now normal, while truth is considered radical?

There is absolutely nothing normal about any of that; all of those '*new normals*' amount to one thing, **PURE EVIL!**

They say, "**No one is above the law.**" BUT their words are LIES as their actions show a completely different scenario. There is no rule of law with the LEFT, only an oligarchy dictatorship. One party is now the law ruling over Americans and that is NOT a Constitutional Republic. It is the democracy, for which they scream, and democracy is MOB Rule! The Democrat-LEFT-WOKE- Party is a mob of bullies seeking only one thing – POWER!

**I understand, as much as anyone can understand, the LEFT's push to overtake this nation for power and greed...** However, I do not and cannot understand the American people sitting idle and just taking their abuse! When will it all be enough? Will you wait until your grandchildren have been neutered and enslaved?

**If we can't go home again, perhaps we can Bring America Home, I believe there is a difference.**

**What do we do America?** How can **WE THE PEOPLE Bring America Home©** and put an end to the regime that is killing our children, abusing their authority, consuming, weakening, and ruining our nation?

I have some ideas, but you must be willing to make a few sacrifices for the sake of your freedom and independence.

**First, we must stop accepting all the political lies!** We must stop the MSM by boycotting their advertisers. Let the media outlets know and call or write the companies (their advertisers) and tell them that you will no longer purchase their products. **Do not allow any of your dollars to fund the WOKE and LEFT agenda.** *As our economy is driven to the brink of collapse by installed President*

*Joey Biden, we're all going to have to "tighten our belts" so let's make sure the few dollars we spend actually support America! This might mean giving up some of your favorite products or candies! Is Liberty worth a small sacrifice?*

Be aware of your purchases and stop buying anything made in China! Try to buy only made in America products. If you're dealing with an American company, who has their products made in China, let them know you will no longer purchase their product until it is Made in the USA. **Consumers matter to these companies because their profits matter!**

**Second, never vote for another democrat. NOT ONE!**

The Democrat Party hates America and have done everything they can to keep people enslaved to government and to compromise this nation's security.

They push the ideals of the "new normal" and they push for the removing of God and His believers (Christianity and Judaism) from this nation. There is no place for God and His righteousness in their "new normal" of evil.

They obviously do not care about your safety OR about this nation being a "a shining city on the hill." The elected rule you through legislated promises; extortion of your vote. DO NOT fall for these shysters who promise to "take care of you."

**Third**, we must take responsibility to educate ourselves and our children. If you can't homeschool, you must still be active in your children's nurturing. Teach them Godly principles, values, integrity, respect, and love for others. Purchase books on American history and read them together as a family.

**Fourth, We the People** must get involved, from local politics, school boards, state-wide races, your county sheriff, to federal elections. Find out about the candidates. Maybe you should be a candidate. Use several different news outlets. Know your enemies as well as your allies.

***“Nobody made a greater mistake than he who did nothing because he could do only a little.”*** Edmund Burke

**Do you care, America?** Are you content for your children to live in a dark and confused nation, filled with perversions of God’s creation, chaos, violence, and slavery?

Do you believe God has no place in politics? If you are a believer, you cannot separate God from any part of your life, if you do, there is **NO LIGHT!**

We as believers are to be that light! If we are living in a dark and sinister nation, which was once a Godly nation, what happened? God did not move.

***“The only thing necessary for the triumph of evil is for good men to do nothing.”*** Attributed to Edmund Burke and others.

***“You are the light of the world. A city set on a hill cannot be hidden. Nor do people light a lamp and put it under a basket, but on a stand, and it gives light to all in the house. In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven.”*** Matthew 5:14-16

**Below is the First Amendment of the Bill of Rights. Did you ever wonder why freedom of religion and speech was a high priority with our Founding Fathers? If we were not a Christian nation, this would not have been at the top of the list!**

***Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.***

*I believe America was once that city on the hill because of the faith of our Founding Fathers. Established as a Christian nation, our values and morals*

were much higher than they are today. Our most valued documents refer to us as God's creation and those documents state that He created us all equally.

**Excerpt from the Declaration of Independence:**

We hold these truths to be self-evident, **that all men are created equal, that they are endowed by their Creator with certain unalienable Rights**, that among these are Life, Liberty and the pursuit of Happiness.-- That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed...

*"For we must consider that we shall be as a city upon a hill. The eyes of all people are upon us. So that if we shall deal falsely with our God in this work we have undertaken, and so cause Him to withdraw His present help from us, we shall be made a story and a by-word through the world."* **President Ronald Reagan**

America has gone from that shining city on the hill to a flickering light gasping for oxygen to continue to burn. Its light is oh so dim and the world is lost without that shining light.

**They say you can never go home, BUT our God is calling us home!** He is telling us to stop hiding the light and let it shine brightly to ALL people! Do not be afraid!

We are in the holy week of Christianity. The one scripture nearly every Christian of every denomination has memorized is, **"For God so loved the world that He gave His only begotten Son that whosoever believeth in Him shall not perish but have everlasting life! For God did not send his Son into the world to condemn the world, but to save the world through him."** John 3:16-17

· ***let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven."***

When Paul and Silas prayed and sang praises to God, the locks on their cells flew off and the doors were opened. Because of the light they shined, the jailer did not take his own life (as death was the punishment if a jailer lost a prisoner) but he and his entire household were saved; additional lights to shine and glorify the Father. (read Acts 16:16-34)

I sometimes wonder if I share my faith too boldly on air and in my writings. I have noticed more and more others mentioning that Americans need God, and we should turn back to Him. I do not think this is a coincidence that many of God's children are claiming Him now.

Now is not the time for American Christians to remain silent or to hide their faith.

Our fears are the chains that bind us, and our silence enslaves us, and slavery is darkness. God is LIGHT and Truth, and it is through Him we received Liberty!

While the word *darkness* is open to interpretation, since it's defined as a lack of light, there's also a figurative darkness, which can represent **wickedness, sadness, and ignorance.**

This 'new normal' is not America! This is not HOME! **They say you can never go home...** The light on that hill is flickering, will you NOW remove the cover and let your light shine?!

**With God all things are possible, and with Him, We the People can, and MUST, Bring America Home©**
