PI2025 #0656 – Lawful Authority Is Meaningless

"Government is actually the worst failure of civilized man. There has never been a really good one, and even those that are most tolerable are arbitrary, cruel, grasping and unintelligent."

~ **H.L. Mencken**

**"We, the American People"** are seeing how politicians-legislators can turn riotous situations into political footballs by how they are dealing with deportation demonstrations in California. We err if we allow President

Donald J. Trump and Governor Gavin Newsom to toss verbal barbs at each other while Californians have their property destroyed and their safety compromised by orchestrated violence.

"I believe that any man who takes the liberty of another into his keeping is bound to become a tyrant, and that any man who yields up his liberty, in however slight the measure, is bound to become a slave."

~ *H.L. Mencken*

**"Our, the American People's"** safety and security are first-order business of government officials, regardless how those officials might take political stands for or against unbridled illegal immigrant/migrant/refugee (IIMR) influx. Government officials who do not act to protect Americans first can not expect support from those Americans who are attacked or their property destroyed.

"Under democracy one party always devotes its chief energies to trying to prove that the other party is unfit to rule – and both commonly succeed, and are right."

~ *H.L. Mencken*

**They Who Believe There Should** be no barriers to IIMR folks who decide to breach America's borders, in effect, are telling "Us, the American People" our property and our safety is up for grabs to anyone who can harm us or steal from us. There are no Constitutional precepts or protections for those who are of a mind they can go where they please, take as they wish, and destroy as they choose. Not one,

"The state remains, as it was in the beginning, the common enemy of all well-disposed, industrious and decent men."

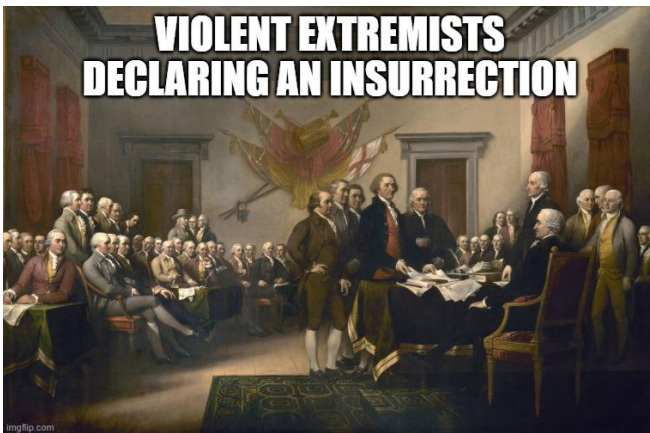

~ *H.L. Mencken*

**Government Officials Who Use Lawful** power to advance their political agendas, regardless how we, a sovereign citizenry, object, stand to come face-to-face with people who will, if they need to, dismiss with notions of law and order when they affix crosshairs on those who threaten their very lives or safety of those they love. Lawful authority is meaningless when people find their lives are at stake.

"Democracy is the art of running the circus from the monkey cage."

~ ***H.L. Mencken***

**People Intending To Live In Liberty** do not allow legislators – or other public officials within These United States of America, to permit federal authorities or courts to define or limit their 10<sup>th</sup> Amendment powers beyond specific Constitutional constraint. "We, the American People" are not happy with how America's Congressional legislators are doing their job. We're less happy with how Congressional Democrat legislators are doing their jobs. If media-reported poll results are to be believed. Understandable, in both cases. Would be understandable were poll numbers taken on GOP Congressional legislators. In either case, we, not they, are at fault.

"All government, of course, is against liberty."

~ *H.L. Mencken*

"Our, the American People's" legislators work for America's taxpayers. Employers – those who expect their businesses to stay in business, do not (can not afford to) keep unsatisfactory employees on their payrolls. We,

for reasons known only, if at all, to extraplanetary intelligence, keep unsatisfactory legislators around to keep doing their jobs unsatisfactorily. We are our problem. No one else, No one,

"I believe that all government is evil, and that trying to improve it is largely a waste of time."

~ **H. L. Mencken**

**America's Political Parties, Principally**, America's Democrat and GOP parties, work relentlessly and feverishly to woo "Us, the American People" into voting their legislative, judicial, and chief governmental executive office candidates into office. with goals of confiscating property (wealth) and restricting choice (Liberty). We are constantly lulled into voting as though we think it will work.

**Changing (Voting In/Out) Legislative, Judicial, And Executive** office holders has been no solution to government of, by, and for 'the people,' 'the people' being a sovereign citizenry. New office holders operate like old office holders. They work to make their personal attitudes, values, and beliefs (PAVB) lawfully. They succeed, all but entirely, because we, a sovereign citizenry, let them codify their PAVB.

"I believe that the finest qualities of man can flourish only in free air -- that progress made under the shadow of the policeman's club is false progress, and of no permanent value. "

**People Planning To Live In Liberty** do not allow legislators – or other public officials within These United States of America, to impose direct taxes of any kind. They forbid government from confiscating their property.

# How Do They Treat Animals And The Elderly?

It is said you can tell the true heart and character of people by how they treat animals and the elderly. Democrats will use and continue to abuse elderly Joe Biden for their power, even though it is obvious Joe is a very sick and elderly person, incapable of running this nation. His wife Jill and his family have benefited from his political positions and they are not ready to give up their corrupt ways for wealth or the status of being a part of the “first” family.

Biden himself, has always been a power seeker and a money grabber. He has lied and plagiarized all throughout his life; the only thing real about Joe Biden is that he is consistently dishonest! Before we feel sorry for him, remember Biden’s character is that of a nasty, angry tyrant who raises biting (undisciplined) dogs!

The democrats’ display during the hearings and such this week was an example of their lack of good character. Democrats were disingenuous, impertinent and downright rude to Tony Bobulinski! Fani Willis, the Georgia prosecutor, had a meltdown during her testimony, she was completely disrespectful to the judge, the court and the procedure. She had an arrogant attitude and on several occasions, called those asking her questions: Liars! A news host was caught yelling at a congressional representative she was interviewing. She even threatened the representative to stop the interview if the “guest” didn’t allow her to speak! This host was angry and claimed the USA currently has no

immigration laws. She was ignorant, dumb, obstinate, rude and wrong! Of course we have immigration laws, they just aren't being enforced.

***“Nothing is more essential to the establishment of manners in a State than that all persons employed in places of power and trust must be men of unexceptional (modest) characters.”*** Samuel Adams

The Democrats in this nation have consistently and openly showed us how they hate and disrespect this nation and **We the People**. Remember when Nancy Pelosi took it upon herself to be the display of defiance against President Trump, as she ripped his speech in two after the State of the Union Address in 2018? That document was not hers, it belonged to the People and in the National Archives, yet she destroyed it! I'm certain there was another copy, but my point is this, the character of these politicians needs to change!

Going back to an old country song by Hank Williams, perhaps these politicians need *“An Attitude Adjustment.”*

**Upgrade to paid**

We can see how they treat the elderly and others who disagree with them or threaten to remove their power; it's time **We the People** remove them from their positions of power and helped them experience a little humility.

Dear CCPC Commissioners Rosenberg, Jackson, and Master, Mr. Belluck, Ms. Grays, each of the other Commissioners, Chief Judge Wilson, IG Campbell, and Advocates of Honest Judiciaries,<sup>‡</sup>

## **A. Pattern of preposterous pretense and unresponsiveness to avoid investigating judges and exposing their cover-up**

1. I am in receipt of the latest of 11 letters([pages 3-4<sup>‡</sup>](#)) from the Commission on Judicial Conduct([CJC](#)). They bear different “Re: File No.” and dates although they concern the same complaint. Thereby the CJC:
  - a. pretends that the letters are not related;
  - b. conceals the date when its continuous cover-up started; and
  - b. gives the false impression that I did not file my complaint with reasonable promptness although I did file it with the CJC and other authorities contemporaneously with the triggering events, as shown below and at [♠](#).

♠ [http://Judicial-Discipline-Reform.org/IAB/DrRCordero-Commission\\_Judicial\\_Conduct.pdf](http://Judicial-Discipline-Reform.org/IAB/DrRCordero-Commission_Judicial_Conduct.pdf)

2. I was a grand juror at the Bronx County Supreme Court Criminal Term, 265 E. 161st St., Bronx, NY 10451; tel. (718)618-3700. On May 23 and 24, 2022, I saw ADA Burim Namani, his supervisor, ADA Diana Jetta, and five NYPD officers and detectives present an indictment of two men for murder that had allegedly occurred on or around May 24, 2021.

a. The evidence presented did not include any photos or footage of the victim; the street crime scene; police, ambulance, medical examiner, or CSI cars, or incident or autopsy report.

b. Only one witness was examined. He testified that the alleged victim was his friend but that he was not with his friend at the time of his alleged murder and did not see it happen.

c. The footage presented was from neighboring restaurants and bodegas, had no sound, and only showed normal indoors and sidewalk business or pedestrian scenes.

d. The presenters relied on the known grand jurors' indifference and uncritical judgment that lead to their voting indictments based even on insufficient and false evidence. This attitude has given rise to the saying, "A prosecutor can have a grand jury indict a ham sandwich".

3. When I asked questions highlighting those facts, the ADAs referred me to Grand Jury Judge Laurence Busching, who summarily discharged me from the grand jury.

4. I stated these facts in a May 26, 2022 eight-page 4,743 words sworn statement -available upon re-quest- and mailed it to Administrative Judge Alvin Yearwood. His secretaries, Dana and Stephanie, acknowledged receipt of my statement
5. However, Judge Yearwood would not take my calls to discuss my statement. He was remiss in his supervisory duty by referring it to Judge Busching, who foreseeably held himself unaccountable: Without any discussion, he dismissed it on the inconsequential fact that the grand jury term had expired, with no regard for the fabricated indictees or me(3A1<sup>+</sup>)
6. Since May 28, 2022, I have mailed the complaint to three Court of Appeals chief judges; each of the associate judges; the NYC and NYS administrative judges as well as three NYPD commissioners; three chiefs of the Internal Affairs Bureau; NYC Mayor Eric Adams, who is a former NYPD captain; the respective inspectors general; council members; public advocates and defenders; et al. ♠

♠ [http://Judicial-Discipline-Reform.org/IAB/DrRCordero-Commission\\_Judicial\\_Conduct.pdf](http://Judicial-Discipline-Reform.org/IAB/DrRCordero-Commission_Judicial_Conduct.pdf)

a. I have emailed my complaint daily to more than 30 officers, as shown by each email's "To:" and "cc:" boxes, so that as of May 27, 2025, I have sent well over 15,000 emails.

b. See my complaints to the NYPD's Internal Affairs Bureau, which has disregarded them:

- |               |               |               |
|---------------|---------------|---------------|
| 1) 2022-03787 | 4) 2022-15601 | 7) 2024-07652 |
| 2) 2022-13831 | 5) 2022-19474 | 8) 2024-25697 |
| 3) 2022-15482 | 6) 2023-00275 | 9) 2025-02823 |

10) Nor did I receive any response after my complaint to Jonathan Darche, Esq., Executive Director of the Civilian Complaint Review Board([CCRB](#)), of February 10, 2023([OL3:1561](#)), was forwarded to IAB by its Director of Case Management, Eshwarie Mahadeo, who alleged CCRB's lack of jurisdiction, as stated in her/his email to me of August 2, 2024, in CCRB Case #202407652.([OL3:1701a♠](#))

c. Nevertheless, I have not received a single response addressing the complaint's merits. That identical no-response for years from so many people duty-bound to enforce the law and administer justice is not coincidental. Rather, it is the coordinated conduct of a cover-up.

7. On September 23, 2022, CJC received my complaint against Judges Busching and Yearwood. (3B1<sup>‡</sup>) The NYS Unified Court System([UCS](#)) identifies both on its website as UCS members(2<sup>‡</sup>).

8. Yet, beginning with the letter by CJC Senior Administrative Assistant Lee Kiklier of November 3, 2022(3B1<sup>‡</sup>), subsequently reaffirmed by Clerk Celia Zahner and Administrative Assistant Debra Douglas, CJC has informed me that it dismissed my complaint on the preposterous pretense that:

"Although the law requires the Commission to review all complaints, please note that the Commission's jurisdiction is limited to judges in the New York

State Unified Court System, which does not appear to apply to your complaint."

9. There is probable cause to believe that prosecutors, judges, NYPD, IAB, the Mayor, and CJC pursue a common purpose through the coordinated pattern of corrupt enterprise and racketeering acts to cover up the fabricators of, and accessories to, indictments on insufficient and false evidence.

10. This cover-up harms me and the thousands of fabricated indictees who have been and still are incarcerated before and after trial, and financially, emotionally, and reputationally devastated.

a. "[About Belluck Law](#)" states: "We are motivated by justice and driven by compassion."

b. But CJC Chair Belluck and the rest of CJC have proved that to be a mere slogan. The teachings of the Bible in [John 3:16-18](#) and [James 2:14-26](#) denounce the chasm between those words and their conduct: "Love without acts is dead".

11. In its 11th letter to me(4↓C4), CJC informs me that "it reviews all complaints and decides whether to inquire into them".

12. I respectfully request that:

a. just as a suspect can testify before a grand jury, I, who was unlawfully discharged from one, be allowed at CJC's next meeting to testify on behalf of fabricated indictees and myself. I offer to make a preliminary

presentation to you and your guests in person, if here in NY City; otherwise, via video conference; and

b. a public investigation by an impartial party be conducted before the commissioners rubberstamp with no “review” the denial of due process to the inditees and me and its cover-up, and manifest again their lovelessness toward us.

**B. A most opportune time to expose the coordinated fabrication of indictments and its cover-up: when Luigi Mangione is tried**

13. The public has become familiar with a descriptive triptych of words used by Luigi Mangione after he killed United Healthcare CEO Brian Thompson on December 4, 2024, as he was walking to a hotel in Manhattan to address investors: the healthcare insurers' abusive claims evasive tactics, to wit, "delay, deny, defend".

14. Mangione expressed through that triptych and his violent, criminal act his frustration with United: His mother had died because her illness had gone untreated as a result of United delaying and denying her claim for insurance coverage of her treatment.

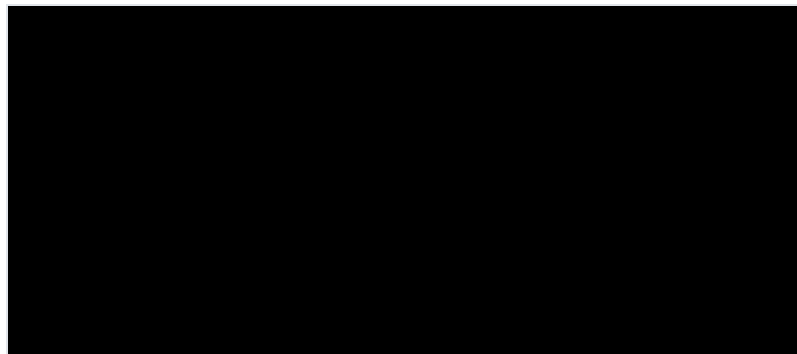

15. In fact, it has been stated that United Healthcare, the largest healthcare insurer in the U.S., denies an estimated one third of the claims of its insureds.

16. The public reaction to Mangione's act has been, not of condemnation, but rather of approval. He has been hailed as a folk hero because his experience with United is representative of that of scores of millions of people across the country: They too have been abused by their insurers' claim evasive "delay, deny, defend" tactics.

17. Those who already have been abused by their healthcare insurers with the complicity of Medicare and those who now know why they should distrust and be afraid of the insurers, may consider that Mangione has heroically sacrificed his liberty, even put his life at risk, to expose the insurers' abusive tactics and launch a reformatory process.

18. The public has also taken action, donating an enormous amount of money for the legal defense of its hero; see [Donations To Luigi Mangione's Legal Defense Fund Surpass \\$1M; Ryan Grenoble; HuffPost Latest News](#); HuffPost; 6 May 2025.

### **Donations To Luigi Mangione's Legal Defense Fund Surpass \$1M**

More than 28,000 people have donated, organizers of the effort said.

19. Therefore, it is reasonable to expect the trial of Mangione to attract the public and be reported on by the national and international media. They will gather for days, perhaps even weeks, in the courtroom and in front of the U.S. District Court for the Southern District of NY in lower Manhattan, NY City.

20. As a result, their gathering will offer a most opportune occasion for exposing fabricated indictments and those who cover them up. I will take advantage of it by distributing to journalists and the public an expository handout and inviting everybody to join or support a class action and report on it.

21. The public and the media are likely to pay attention because I will begin by informing them that it is precisely in that district court where I am prosecuting a case akin to Mangione's, for it is intended to expose healthcare insurers' -including Medicare-"delay, deny, defend" tactics, namely:

*Cordero*

*v.*

*Secretary of Health and Human Services, Medicare,  
EmblemHealth [healthcare insurer],*

*Maximus Federal Services [reviewer of insurance claims denials], et  
al.*

[including many of the top officers of the Medicare Appeals Council  
and the Office of Medicare Hearings and Appeals (OMHA)];

docket no. [24-cv-09778-JAV](#);

filed in U.S. District Court, SDNY,

on 16 December 2024

22. I will also invite journalists and the public to visit my website at <http://www.Judicial-Discipline-Reform.org>. There I post some of my articles, similar to this one, the product of my professional law and business research and writing, and strategic thinking. They have attracted so many webvisitors and impressed them so positively that as of 11 June 2025, the number of visitors who had become subscribers was **56,808**. I invite you now to visit my website and evaluate its posted articles.

23. In the same vein, you are welcome to review my three-volume study of abuse of power, titled and downloadable thus:

**Exposing Judges' Unaccountability and  
Consequent Riskless Abuse of Power:**

Pioneering the news and publishing field of

**judicial unaccountability reporting**\* † ♣

24. What is more, I encourage everybody now and will continue to do so during the trial to promote and participate in [unprecedented citizens hearings](#). They are to:

- a. be held at university auditoriums and media stations;
- b. have professors, journalists, lawyers, multidisciplinary experts, and graduate students as their moderators;

c. afford people wherever they are the opportunity to tell in person and through video conference [the story](#) of the abuse that they have suffered or witnessed;

d. present their findings in the first *Annual Report on Abuse of Power in America* at the first-ever national conference on abuse of power simultaneously held at several university and media venues before live and Internet audiences; and subsequently through a tour of [presentations\(§G\)](#) at universities, media stations, public interest entities, etc.;

e. prompt the creation of the Institute for Advocacy of Public Accountability, attached to a preeminent school or news network; and

f. launch the implementation of the [plan of action](#) to develop a *Me-Too!*-like national movement for abuse of power exposure, accountability, and compensation intended to turn academe and the media into a new joint powerhouse of American governance that holds public and private officers and entities accountable and liable to compensation.

25. This plan becomes all the more realistic given the Trump administration's executive orders and the vigorous pushback by Harvard, big law firms, and a growing segment of the public. To them must be added principled and opportunistic politicians up for reelection or vying to be elected and facing with trepidation or great expectation the inexorably approaching primaries and mid-term elections.

26. Do you feel confident that the Trump administration will never resort to fabricated indictments to incarcerate you if you say or do what it does not like? Before answering, be aware that more than [249 cases](#) have been filed thus far against the administration's denial of due process; abuse of power; restrictions' on habeas corpus; stripping of citizenship birthright; violations in effect of the right to counsel; reduction of Social Security and Medicare benefits; termination of government employees and programs; cuts in funding to universities; revocation of visas and no processing of their applications; etc.

27. Hence, the trend toward ever more blatant disregard for constitutional rights and the rule of law; the public mood; this strategic plan; and means of implementing it make it credible that this is a most opportune time to expose those who fabricate indictments and cover them up.

28. Take advantage of this opportunity to protect and assert your rights:

b. See [my motion](#) for having the decision of a district judge reviewed by his/her fellow district judges, which has a solid foundation in Cornell Law Professor Maggie Gardner's article [District Court en bancs](#). I provide additional foundation and explain how you can benefit from it.
