The “all-white jury” narrative about the Karmelo Anthony trial is a lie.

It was 7 white jurors out of 12 and the others were 3 Asian women, a Hispanic man, and a Middle Eastern woman in a hijab. Zero Black jurors? Yes. All white? No. That’s media spin.

His Holiness, further worried about humanity’s fall from grace, advocates government and institutions rein in Artificial Intelligence (AI).

“We, the American People” would be fools to expect President Donald J. Trump and Pope Leo to

shake hands on Illegal Immigrant, Migrants and Refugees (IIMR). Pope Leo's urge is for everyone, including President Donald J, Trump to remove all barriers to people crossing borders. It would be idealistic, at best, to consider anyone, including uncleared people, to cross borders absent certification.

SOCIALISM IN THEORY

SOCIALISM IN REALITY

Were Pope Leo's Stand On IIMR To Be Adopted, there would be no need for any pertinent laws policies, or controls. No need to screen people seeking air travel. No need for border officials, only traffic signals. It is doubtful we, a sovereign citizenry, regardless how we might think of IIMR, to tolerate a 'hands off' policy or practice regarding IIMR. Pope Leo would be pressed to think again.

“Our the American People’s” assessment of former President Barack Obama’s remarks at his Presidential Center opening would not be an exaggeration to say former President Obama made an impassioned plea for Americans to shrug off current Donald J. "We, the American People," no matter our differences in political stripes, would be smart to see through calls made by legislator, government chief executive, judge, or anyone who categorically closes ranks with them as, while sounding like calls for empowering people, are implemented by lawful force. MAY YOU HAVE THE STRENGTH OF THIS STOOL AND THE COURAGE OF THIS DOG IN LIFE.

It Would Be Irreparably Adolescent of “Us, the American People” to believe America’s judge, chief government executive, and legislator do not intend for their personal attitudes, values, and beliefs (PAVB) to be made lawfully compulsory. Having their PAVB be lawfully compulsory has nothing to do with their intent to do their very best for public good or their desire to help, however they are able.

“I cannot undertake to lay my finger upon an article of the Constitution which granted a right to Congress of expending, on the objects of benevolence, the money of their constituents.”

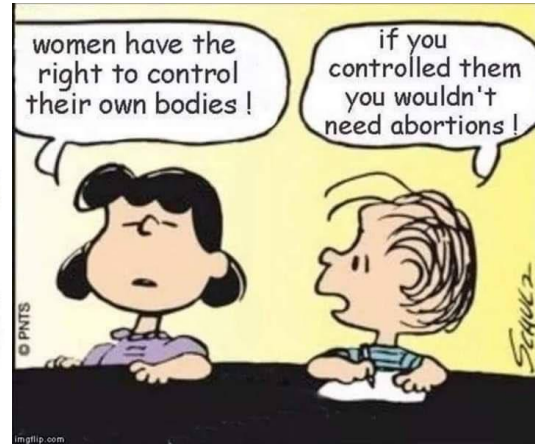

~ **James Madison**

Making PAVB Be Lawfully Compulsory is, all chips in, how legislator, chief government executive and judge do their jobs. Laws are rooted in PAVB. All laws, from when history's very first law was set to written record. Legislative, judicial, and executive idealism are subject to acceptance by they on whom PAVB-driven laws are intruded. No celestially declared certainty underpins legislative rationale.

“It’s not an endlessly expanding list of rights – the “right” to education, the “right” to health care, the “right” to food and housing. That’s not freedom, that’s dependency. Those aren’t rights, those are the rations of slavery – hay and a barn for human cattle.”

A Greenhorn Patriot Shows Up To Caucus

"I nominate Trump for President." I should've given a speech,
perhaps I still will...

3-4-2024

Missouri hosted a presidential caucus this year instead of a primary. This was my first time to attend a caucus. It was the general protocol of things, I suppose: sign in, pledge to be republican, show your picture ID, even though the woman confirming my registration has known me since she was a toddler; I taught her in Sunday school and then again when she was in the church youth group, BUT it is the rules... prove your identity! AND I'm ok with voter ID.

Our caucus was a small group of 68 U.S. citizens. When the caucus was brought to order, the chairman first listed the three names whom we were to consider: Donald J. Trump, Nikki Haley, and a David Stuckenberg, whom I'd never heard of before. The Chair then had the room of people divide into groups, Haley supporters on the left (which I found appropriate) and Trump supporters on the right; there were no supporters of Stuckenberg.

There were approximately sixty people on the right and eight people on the left to support the left candidate, Nikki Haley.

I was sitting right up front when the Chair asked for nominations; there was a brief period of silence and so I spoke up, "I nominate Trump." Then, when he asked if there were any other nominations, a man on the "left" stood up and nominated Nikki Haley. As he nominated her, he began to list all the reasons we should consider Nikki. "*She's the only one who can win in the national election.*" Of course, at that time, she had failed to win a single primary yet. "*She will unite the people.*" Of course she will, the few votes she's acquired have been her encouraging democrats to vote in republican primaries. Let's face the truth, those democrats will vote "Never-Nikki" in November, as they cast their vote for whatever democrat candidate lands on the ballot. He also told us that Nikki would end the chaos that Trump brings. But Trump didn't bring the chaos, the D.C. establishment-government-swamp-dwellers brought the chaos along with ruthless attacks on Trump and all people surrounding him; associates, attorneys, family, and other employees. He again stated, as we've heard so many times, *the democrats want Trump to win*. At this point I muttered (maybe not the first time) "Oh yeah, that's why they're trying to imprison him." A Nikki supporter scolded me and told me to be quiet and let "him" talk. I agreed that I was slightly rude and so I politely remained silent throughout the rest of his nomination speech for Nikki, founded and grounded in untruths.

Upgrade to paid

Trump won our county, and in fact President Trump won every county in Missouri. Nikki, "*the only one who can win*" lost again...*hugely*!

However, the words of this Nikki nominator were on my mind the rest of the day.

Nikki has proven herself to be a liar and a disloyal person. In my opinion that alone is reason enough to vote against her. **We the People** would be trading one liar in the White House for another, should she make it that far. Nikki believes in Climate Change; therefore, she will continue the US in the Paris Accord agreements and she will continue the mandates and restrictions being thrust on

the American people. Nikki is a lover of NATO and will see to it that the US pays **everyone's** fair share using the Americans' tax dollars. Nikki stands with the military industrial complex.

“In the councils of government, we must guard against the acquisition of unwarranted influence, whether sought or unsought, by the military-industrial complex. The potential for the disastrous rise of misplaced power exists and will persist.” President Dwight D. Eisenhower

This man, who nominated Nikki Haley, has been in politics most of his life. When he was in the prime of his life, however, he was a conscientious objector. When thousands of America's young men were drafted into the Vietnam War (conflict) this nominee refused to serve his country. Now, this “conscientious objector” nominates a candidate who believes in and will capitulate to the military industrial complex. Nikki is no different than the Cheney's the Bushes, the Clintons, the Obamas, the Bidens, and many others, who promote wars and find ways to profit from them.

In his speech at CPAC, President made the statement, “You don't have to drop bombs, you can make a phone call.” Peace through strength is more than just having a *bigger-badder-bomb*, it's having a strong President in the White House, for which Nikki could “*never*” be!

This conscientious objector, who was unwilling to serve his country, spent a lifetime in politics and now supports sending others to wars. He has no sons, he has no grandsons, he is ok with war these days! That my friends is a swamp creature from rural America. Swamp creatures will say and do anything to keep our 45th President from becoming our 47th President of the United States.

“I nominate Trump for President.” I was green to this caucus thing, I should've given a speech, perhaps I still will... keep watching here on Substack.

Be sure to check out my “Letter To Nikki” that was posted here -

https://bethanncsstalkradio.substack.com/p/a-letter-to-nikki?utm_source=profile&utm_medium=reader2

Super Tuesday is tomorrow! Nikki will continue to lose (she’s saving all her winnings for November). Nikki is not a leader, she’s a follower and she will follow the globalist agenda, taking America down with her. She will grant amnesty to millions of illegal aliens, and she will obey whatever orders she receives from the military industrial complex.

America needs to restore our Constitutional Republic and to do so, there will be a lot of chaos as the swamp creatures squeal and fight back! It is my opinion that November 5, 2024, is the last opportunity to restore our Republic in a peaceful manner; I hate to consider what might follow the years after.

So:

Stand Strong America!

Stand Firm America!

Stand Together America!

Make America Godly Again!

Make America Great Again...and

Bring America Home.©

Dear Mr. Llamas, reporters, Mr. Panlilio and Reuters Business Development officers,

Thank you for your kind call this morning and for your willingness to review my business development proposal and bring it to the attention of your superiors.

1. I worked at Thomson Reuters's Lawyers Cooperative Publishing (LCP) as a researcher-writer for ALR Fed (American Law Reports, Federal). I left LCP to attend The University of Michigan Business School, where I earned a Master's in Business Administration. This is a proposal for a business and a venture that can benefit Thomson Reuters, others, me, and millions of insureds.
2. I propose that Reuters Business Development gain access as a sponsor to the **66,606+** subscribers to my website Judicial Discipline Reform at <http://www.Judicial-Discipline-Reform.org> as of 16 June 2026, in exchange for compensation and the granting to me of access to WestLaw services and books.
3. My website subscribers read the articles that I write in long form, that is, consisting of more than 1,000 words...and ask for more. They are interested in the intricacies of the law and the way I discuss them. It is reasonable to expect them to be intellectually demanding and certainly educated, influential, and well-off. They can afford Reuters's products and services as well as those advertised by third-parties, be they law-related or addressed to other needs of affluent people(C infra).

4. Convinced by experience of the substantial usefulness of Reuters's offerings for finding and arguing the law, I have praised them in a series of articles.¹ The latter and similar ones are collected in my three-volume study² exposing abuse of power; collectively demanding compensation; and setting in motion a national movement for transformatively reforming the system of justice.
5. Just as my study exposes abuses of power by the judiciary and other public and private entities, so did Reuters in its series of articles exposing the riskless abuse of power by state judges and the state commissions charged with supervising their conduct([OL3:1825](#)). It described them as intertwined by "hardwired judicial corruption". It titled the series "***The Teflon Robe***".([App:6§C¶491](#))³
6. This is the most opportune time for us to join forces on behalf of the [70.1 million insureds](#) abused by Medicare and its healthcare insurers. They coordinate their running of an insurance fraud scheme whose modus operandi centers on committing claim evasive "delay, deny, defend" tactics.
7. That word triptych has been made known by Luigi Mangione. He allegedly killed the CEO, Brian Thompson, of United Healthcare on 4 December 2024. His impending trial will attract journalists from NYC, NYS, the rest of the country, and abroad. We can benefit by interesting them in investigating an angle unavailable to Mangione as justification for murder: how Medicare and its insurers abuse their insureds with those tactics because they are old, sick, disabled, and ignorant of the law.
8. The joint venture's timing is optimal: Mangione's trial will be held in the federal court where I am prosecuting a civil case⁴ intended to be a test case in the public interest of exposing, not the abuse inflicted on one insured, but rather how those tactics work(^{4>}[SDNY:156§L](#)) and abuse millions.
9. The strategy(§A, B infra) aims to turn my website from an informational source into a rallying point where an informed and outraged public organizes to compel primaries and mid-term elections candidates to make this issue a key one of theirs; hold public hearings; and undertake reform. I offer to present it to you and your guests, whether in person if in your NYC offices, or anywhere else if

my expenses and fee are covered; otherwise, via video conference.

So, I look forward to hearing from you.⁵
