Popes And Presidents (Legislators and clerics) work relentlessly to control “Our, the American People’s” (everyone’s) behavior by lawful and doctrinal authority. Papal or presidential authority is not seen limited to national borders or congregational faithful. They, by their willingness to exert their Constitutional and proclaimed theological jurisdiction, work to have everyone submit to their dictates.

Recent Media Outlet Articles report President Donald J. had two-and-a-half-centuries to learn and heed otherwise, continue to elect people who make promises they can't keep when it comes to 'tax-the-rich' because 'the rich' intend staying rich.

Has America Ceased Being Good?

What would Alexis de Tocqueville observe today in America?

According to John Adams you simply cannot legislate morals.

*“We have no government armed with power capable of contending with human passions unbridled by morality and religion. Avarice, ambition, revenge or gallantry, would break the strongest cords of our Constitution as a whale goes through a net. **Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other.**”* John Adams

Breaking that down shouldn't be difficult. As we know, the nature of mankind is apt to fall short, while some men (or women) are more apt to succumb to greedy ambitions, taking revenge on others who might have more, and gain power over many, the majority of citizens are not so inclined... or so we hope.

America's Declaration of Independence, our Constitution and the Bill of Rights, are all based on Biblical laws and principles; without those principles, our founding documents are useless. God is recognized as the giver of all rights, inalienable rights: Life, Liberty and the pursuit of Happiness.

“America is great because she is good, and if America ever ceases to be good, America will cease to be great”— Alex de Tocqueville

Has America now ceased to be good?

The Democrat Party has declared themselves to be socialists and communists. Every word from their lips and every idea they propose is the opposite of the characteristics of America and the American Dream. They believe capitalism is an evil thing, although many of them have profited very well by it. There's a great irony in the case of Bernie Sanders justifying his own millionaire status to the selling of his books, which of course were anti-capitalism books. They hate this nation and their new party candidates are vowing to destroy the Constitution, do away with borders, never arrest criminals, confiscate the wealth of billionaires and wealthy businessmen, and if they resist, unlike the criminals, they will be arrested. They are also promising, should they gain a majority in the House and Senate, they will immediately begin “going after” President Trump and his administration; his cabinet secretaries. JD Pritzker, the communist governor of Illinois, promises to arrest members of the administration and go after ICE agents and their families.

The Democrat-socialist-party's platform is a scary thing. There will be no Liberty, no safety and no wealth in America, if they should "win the day." America will rapidly take on the persona of other third world countries; Somalia, Haiti, Pakistan, Rwanda (home of Mamdani the NYC Marxist-Islamist Mayor), El Salvador and many others. The Biden regime let millions from these nations into America... and instead of America influencing them to be better, they will tear America down to be like their impoverished, pathetic - and crime infested nations.

The LEFT is a term we have given the evil in this nation. The evil democrat party is now openly anti-America and anti-American. Their hate is far beyond their hate for President Trump; it is a hate for all of America!

Their positions are all bizarre, unconstitutional, unamerican, perverted and yes, criminal:

The democrat-socialists want to kill unborn babies. They advocate for abortion on demand even if the baby is accidentally born alive and breathing... kill it, and like a rat throw it in a bucket.

They are okay with human trafficking and actually enabled it during the Biden *error*.

They hate women and want to remove their rights, such as Title IX, advocating it for biological males.

They insist on sexually perverted behavior.

They are foulmouthed and obscene.

They promote MAP (minor attracted persons) as normal, which is yet another form of human trafficking, abuse and slavery. Recently the communist Governor of Minnesota (Tim Walsh) pardoned a child rapist. Thankfully Secretary Rubio removed the man's immigration status and deported him.

They promote and use the mentally ill (gender dysphoria) trans confused people and furies to create chaos and instability in our nation.

They are ok with murdering those who believe differently and celebrate such heinous acts as assassination.

They are ok with ruining lives of others, who “hurt their feelings,” CANCEL CULTURE!

They don’t believe in God but believe they can remove Him! *Not gonna work!*

They do not believe in laws or local police; they will however, initiate “brown shirts” should they ever have power in this nation.

They do not believe in our Constitution; they loathe it.

They are a selfish – godless people led by the evil one.

They lack in morals and have zero self-respect; If it feels good do it!

They have zero personal accountability.

Most in their positions have never done a hard day’s work; not Bernie, not Mamdani, not AOC, not Omar, not Platner...They all believe you owe them your wages.

They believe in government, not God.

Upgrade to paid

The democrat-socialist party has ceased to be good, if they ever were. It was their party that defended slavery, initiated Jim Crow policies and brought about the civil war. It was their party that began welfare in order to “keep the black vote” forever; a political form of slavery. It is their party that refuses school choice, places pornography in the elementary schools, and continues push the lie of “Separation of Church and State.”

Americans need to step back and look at what is happening. Evil is trying to destroy America, which was established as a Christian nation.

French writer Alexis de Tocqueville, after visiting America in 1831, said *“I sought for the greatness of the United States in her commodious harbors, her ample rivers, her fertile fields, and boundless forests—and it was not there. I sought for it in her rich mines, her vast world commerce, her public*

school system, and in her institutions of higher learning— and it was not there. I looked for it in her democratic Congress and her matchless Constitution—and it was not there. Not until I went into the churches of America and heard her pulpits flame with righteousness did I understand the secret of her genius and power. America is great because America is good, and if America ever ceases to be good, America will cease to be great!”

What would Alexis de Tocqueville observe today in America?

Has America ceased to be good?

The Armor of God: Ephesians 6:10-16

Finally, be strong in the Lord and in his mighty power. Put on the full armor of God, so that you can take your stand against the devil’s schemes. **For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms.** Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. **In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one.**

America ceased to be good because we have forgotten our God, therefore the enemies are here and we are now plagued with Godlessness, lawlessness, and evil.

If you are a “born again” Christian; a believer in the one and only God and His Son, our Savior, Jesus Christ, get on your knees first, but then, get up, get active and fight to stop the evil communists in America and...

According to Mamdani this is how New
York City was built.

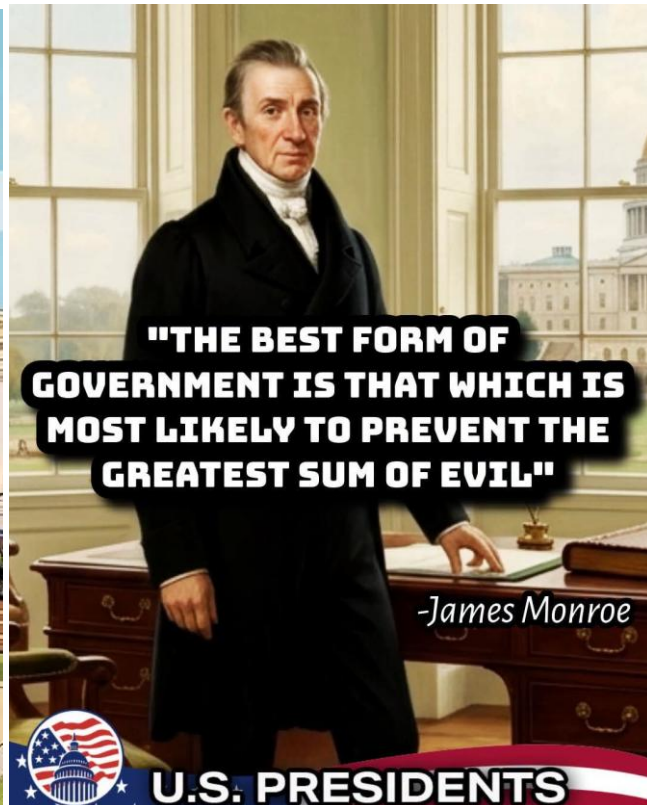

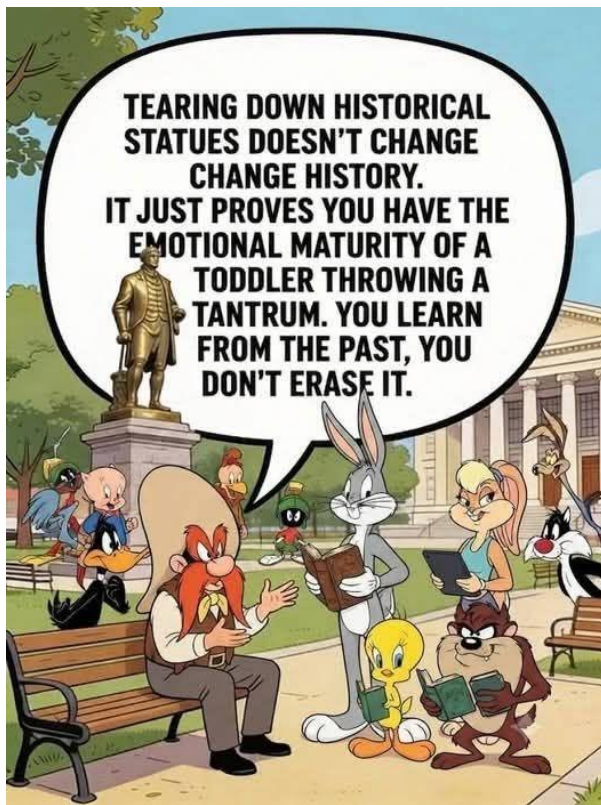

Media Reports Accurate, “*Our*, the American People’s” Big Apple Mayor Zohran Mamdani had few words by way of explanation for increases in city homeless numbers. Mayor Mamdani is reported to have resorted to explaining city policy on homelessness as organized to develop trust in a mutual effort to make life better for everyone involved. Critics claim Mamdani policies have worsened housing.

“It may be better to live under robber barons than under omnipotent moral busybodies. ”

~ C. S. Lewis

"We, the American People," for reasons inexplicable, persist in electing legislator-politicians who have all but no success delivering on promises to make life better for those in need by confiscating property (wealth) from those who legislator-politicians deem have too much property (wealth). We should know, know unmistakably, it is consumers, not wealthy people, who pay confiscation's price.

~ ***Lysander Spooner***

Free Societies Remain Free by free citizens acting to make sure government costs do not unnecessarily tap wealth by indirectly causing cost-of-living price increases. Free economies produce wealth by turning a profit from sales. Meaning, when price minus cost-of-sales leaves business owners, employees, and investors with money available to increase equity. Government costs reduce equity.
