“America does not go abroad in search of monsters to destroy. She is the well-wisher to the freedom and independence of all.”

~ *John Quincy Adams*

Media Outlets Are Circulating articles on Big Apple Mayor Zohran Mamdani taking delight in letting New York City residents with second luxury homes they should check their mail for official notices on their taxes going up. "We, the American People" would be smart to regard public officials like Big Apple's mayor as arrogant power wielders who will learn just how angry a sovereign citizenry can get.

“An Avidity to punish is always dangerous to liberty. It leads men to stretch, to misinterpret, and to misapply even the best of laws. He that would make his own liberty secure must guard even his enemy from oppression; for if he violates this duty he a establishes a precedent that will reach to himself.”

~ *Thomas Paine*

Public Officials In These United States of America have no lawful power not granted them by consent of their constituents. Those of “Us, the American People” who grant public officials excessive power to confiscate property (wealth) and restrict choice (Liberty) invite despotic-minded people to seek public office. Despotic-minded public officials invariably end up treating ordinary people with disdain.

“Ask not what you can do for your country; ask what your government is doing to you.”

US Public (government) Schools lost 1.4 million students since Covid. Yet, tax payer costs increased by 34% per student.

It Is Not Unreasonable For Ordinary people to look on despotic-minded public officials with distrust and bitterness. Big Apple Mayor Zohran Mamdani would not be able to levy selective, arbitrary, and

discriminatory legislation, taxation, and regulation (SADLT&R), were it not for tacit or lawfully forced compliance by New York City residents, who, if they choose, can render Mamdani totally powerless.

“God grants liberty only to those who love it, and are always ready to guard and defend it.”
~ *Daniel Webster*

SADLT&R Allows Public Officials to pick and choose how “Our, the American People’s” property (wealth) shall be exacted by public officials to underpin government power to control people’s behavior through controlling choice. Wealthier people in places where public officials are treating them as cash cows try avoiding SADLT&R. If SADLT&R becomes unavoidable, they use force to rid its patrons.

There Are Numerous Media/Internet Articles reporting Elon Musk's assessment of "Our, the American People's" government debt as relates to government deficit spending. In Musk's reported words, "The only way the deficit actually gets paid is taxing the living daylights out of everyone." If Musk is right, then there must be a reason, or reasons, why government can't avoid deficit spending.

"Whoever prefers life to death, happiness to suffering, well-being to misery must defend without compromise private ownership in the means of production."

~ *Ludwig von Mises*

“We, the American People,” if we so choose, can ask Artificial Intelligence (AI) sources if government

spending is optional. Intuitively, we might be inclined to argue government spending is optional. We might be surprised to find AI has it government spending in not optional, nor is deficit spending. Why so, AI will be happy to elucidate, amounts to Constitutional obligations imposed on government.

“In framing a government that is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and in the next place oblige it to control itself.”

Given AI Explanation For Obligatory government spending si true, then it follows Constitutional dictate is responsible for “Us, the American People” being on hook for government debt. How it is a piece of paper has power to force us, a sovereign citizenry, to incur debt is mindboggling. T’ is a rare circumstance when we, a borrowers, can get a loan without evidence to a lender we can make payments.

GOVERNING LIKE GANGSTERS

King George III ruled like a gangster, look where that got him!

What do gangsters and politicians have in common?

They both wear nice suits and have security around them.

They both get rich off of others rather than working and earning their own living.

If not obeyed, they will both find a way to bend the opposition into submission.

They both believe they themselves have power over others.

They will do and say anything to achieve their desired goals, regardless of who might be hurt along the way.

They both have henchmen.

Upgrade to paid

George Washington said, **“Government is not reason, it is not eloquence-it is force! Like fire it is a dangerous servant and a fearful master; never for a moment should it be left to irresponsible action.”**

Irresponsible?

Would that include running a nation into an unsustainable debt?

Would that include starting and allowing “never-ending” wars?

Would we consider the mishandling of a pandemic to the point of harming young children, who were in little to no real danger from a virus, as irresponsible? Was it irresponsible to shut down businesses and churches while allowing mega corporations and liquor stores to remain open?

Would it be considered irresponsible to refuse proper medical treatment or refuse to allow people to make their own health decisions?

Is it irresponsible to allow an invasion of illegal aliens into our country without vetting them?

Is it irresponsible to allow criminals to go free and continue to wreak havoc, murder, rape and other heinous crimes upon the citizens of our nation?

Do we call this irresponsible, or do we call it tyranny?

There’s an old expression that states, *“The inmates are running the asylum.”* It truly feels that way today. Taking that into consideration, I believe they are governing like gangsters.

The era of gangsters in New York and Chicago was ended by tough law enforcers. Mayor Rudy Giuliani put away many gangsters in his day, but now he is the one being persecuted by gangsters in our own government. These gangsters are targeting President Trump, Peter Navarro, Steve Bannon, and a

multitude of others. These government gangsters have threatened any American who might agree with and stand with President Donald John Trump.

We now have political lawfare, the gangsters are abusing the laws and “reimagining” justice to suit their own selfish desire for power. As I mentioned in my book, **The American Crisis Continues:**

“Tyranny is a vicious enemy. Limitless with its tactics to subdue a people and conquer their land. Tyranny is cunning and deceitful, never hiding its face, just its intentions. Disguised as a do-gooder, Tyranny preys on our emotions and uses our own system of governance against us. Tyranny changes the rules, amends the contract, ignores the rule of law, spreads falsehoods, and sows discord among the people.”

When Government Gangsters are in charge, the position of leadership becomes a pretend presidency. The position becomes nothing more than a walking talking, (mumbling-bumbling-stumbling) suit. Like “Weekend at Bernie’s,” the person is moved from one event to the other, like a puppet he is told what to say, when to say it and of course when to “pause” for clapping.

When the people’s elections no longer matter, we are being ruled by gangster-tyrants. A presidential election is the time when **We the People** choose the leader of the Executive branch of our government. In today’s situation it is obvious to Americans, and to the world, that Joe Biden is not the man in charge; he is nothing more than a pretend president.

The result of being governed by gangsters is living under tyranny. Gangsters govern by tyranny; they will bully, practice extortion and punish their victims by severe cruelty.

The gangsters are labeling citizens as domestic terrorists for practicing patriotism, for practicing Christianity, for defending their children at schoolboard meetings, for standing up for the lives of the unborn, for believing in the Constitutional Republic. These normal moral attributes label you a

radical, therefore you are a threat to what they call democracy, and you are a domestic terrorist. **NOTE:** Democracy is mob rule, and the gangster mob is ruling their way, and their way is tyranny.

What if the citizens of America classified their government gangsters as domestic terrorists? That is truly what should happen for it is who they are!

Government Gangsters believe themselves to have unlimited power. The rule of law is a phrase they throw around, but they do not practice it in their own lives. Government Gangsters believe themselves to be above our laws, and they will protect their own. We've seen this with Hillary Clinton, James Comey, Hunter Biden, Joe Biden, Nancy Pelosi, Chuck Schumer and many others.

“God forbid, my lords, that there should be a power in this country of measuring the civil rights of the subject by his moral character, or by any other rule but the fixed laws of the land!...Unlimited power is apt to corrupt the minds of those who possess it; and this I know, my lords, that where law ends, tyranny begins!” William Pitt, Earl of Chatham

“Tyranny, like hell, is not easily conquered.” Thomas Paine

Our Founding Fathers new what governing like gangsters felt like, King George III ruled as a gangster, believing he owned the world... he was a tyrant.

...when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security. (excerpt The Declaration of Independence)

We're living in an America that is hardly recognizable. No longer are the inalienable rights of the people respected. With the current administrative climate it's easy to blame the democrats and there is great truth in that, but it is deeper and more evil than just one political party.

As American citizens, it is our right and our duty to stand up to the gangster-tyrants running our government, destroying Liberty, and ruining our nation.

“Rebellion to tyrants is obedience to God!” Thomas Jefferson

Our Founding Fathers laid out the plan for Liberty; it is up to us to restore Liberty in America and **Bring America Home**®.
