“Our defense is in the preservation of the spirit which prizes liberty as a heritage of all men, in all lands, everywhere. Destroy this spirit and you have planted the seeds of despotism around your own doors.”

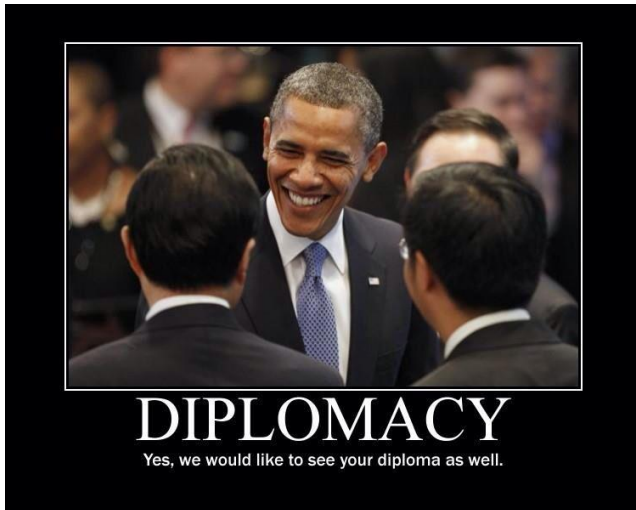

~ *Abraham Lincoln*

Media Report India's Prime Minister is prepared to make Indian products more expensive to U.S. markets, and put India's exporters at risk of losing business in U.S. Markets due "Our, the American People's" President Donald J Trump's tariff (trade tax) policy. Tariffs (trade taxes) are a cost of commerce (sales taxes) levied on imports. Governments use tariffs (trade taxes) to influence diplomacy.

"To deprive a man of his natural liberty and to deny to him the ordinary amenities of life is worse than starving the body; it is starvation of the soul, the dweller in the body."

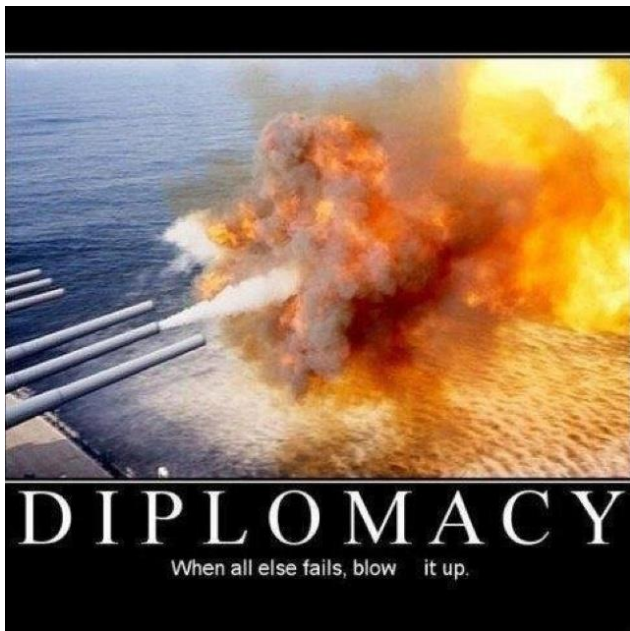

~ **Mohandas Gandhi**

Media Coverage Of India-U.S. Tariff (trade tax) controversy centers on using tariff (trade tax) policy to incentivize Russia to stop war-making in Ukraine. While legislators-politicians try outwitting each other, people in Ukraine die from Russian munitions, and people in tariff (trade tax)-impacted countries get to pay higher import prices with no benefit for paying higher prices. Supreme idiocy by any count.

“I know my country has not perfected itself. At times, we've struggled to keep the promise of liberty and equality for all of our people. We've made our share of mistakes, and there are times when our actions around the world have not lived up to our best intentions.”

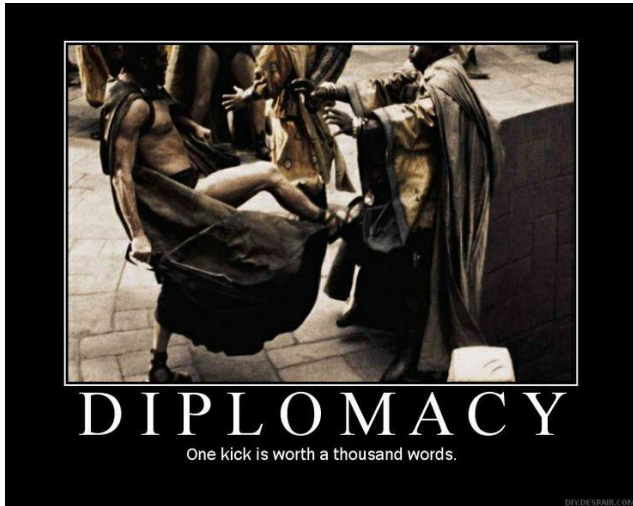

~ **Barack Obama**

“We, the American People,” complemented by people elsewhere, could stop war-making, were we, collectively, to set our minds to it. People, worldwide, capable of exerting force outnumber people in military uniform by about 70-1. No reason why countries can make war if their citizens decide to stop it. Trouble is, for some unfathomable reason, people tend to ask how high when told to jump.

“Concentrated power has always been the enemy of liberty.”

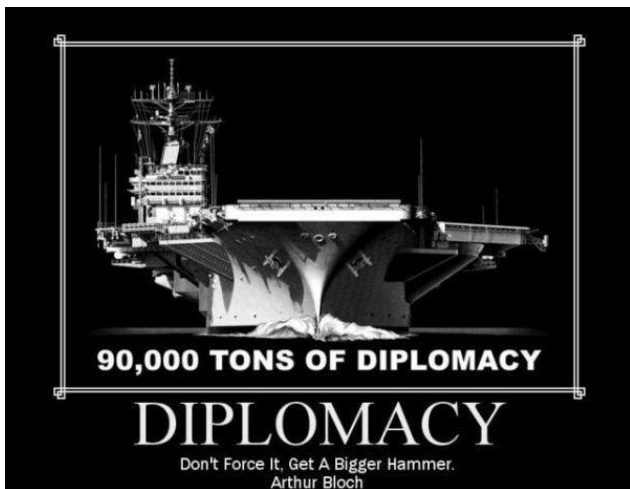

~ *Ronald Reagan*

It Would Be Smart For “Us, the American People” to boycott tariffs (trade taxes) when we get no benefit from increased costs for foreign commodities. India, media report, makes 44% of smart phones sold in America. Has to be a reason why we, innovative Americans, are not smart enough to make smart phones at cost-effective prices. Odds are we are. If we decide to keep legislators-politicians out.

“Life without liberty is like a body without spirit.”

~ *Kahlil Gibran*

People Intending To Live In Liberty do not allow legislators – or other public officials within These United States of America, to give quarter to, offer sanctuary to, or negotiate with terrorists. They dismiss elected leaders who put them at risk.

Media Report One Of "Our, the American People's" Commonwealth Police Training programs is considering *Moms For Liberty (MFL)* to be listed as a hate group. A hate group, reference referenced accurate is, in essence, intent on creating disorder and hostility toward other groups. Whether MFL is a hate group may well be in eyes of beholders. Never certain of motives when labeling pops up.

"In every country and every age, the priest had been hostile to Liberty."

The Bottom Line with Islam: It is **ANTI-FREEDOM**.

For Islam to BE "a Religion a Peace," it must grant the Freedoms:

- ~ To Criticize Mohammed, Islam's doctrines, and Shari'ah, without reprisal
- ~ To Create Images and Cartoons of Mohammed, either critical or favorable, without reprisal
- ~ To Leave Islam without fear of death or any other reprisal
- ~ To Live in Islamic countries as non-Muslims and be First-Class Citizens, not Dhimmis
- ~ To Live anywhere without Fear of Attack and Violent Jihad by Islamists
- ~ To Live under a representative democracy with full civil rights, instead of Shari'ah law

But Islam does not grant these freedoms. It enslaves its MUSLIM citizens and grows its religion by JIHAD, INDOCTRINATION, and DEATH to Apostates, not love.

If Islamists DISPUTE this, then PROVE IT. GRANT these freedoms.

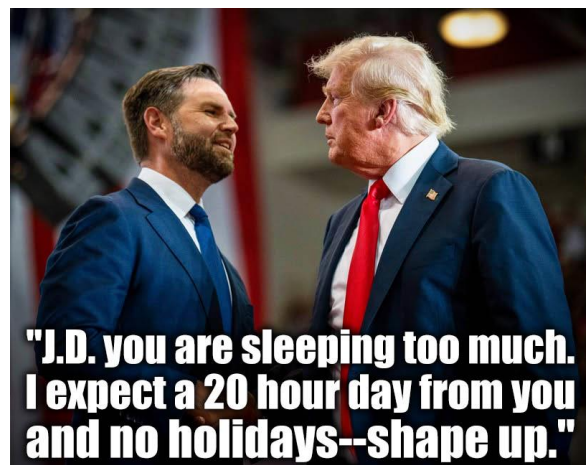

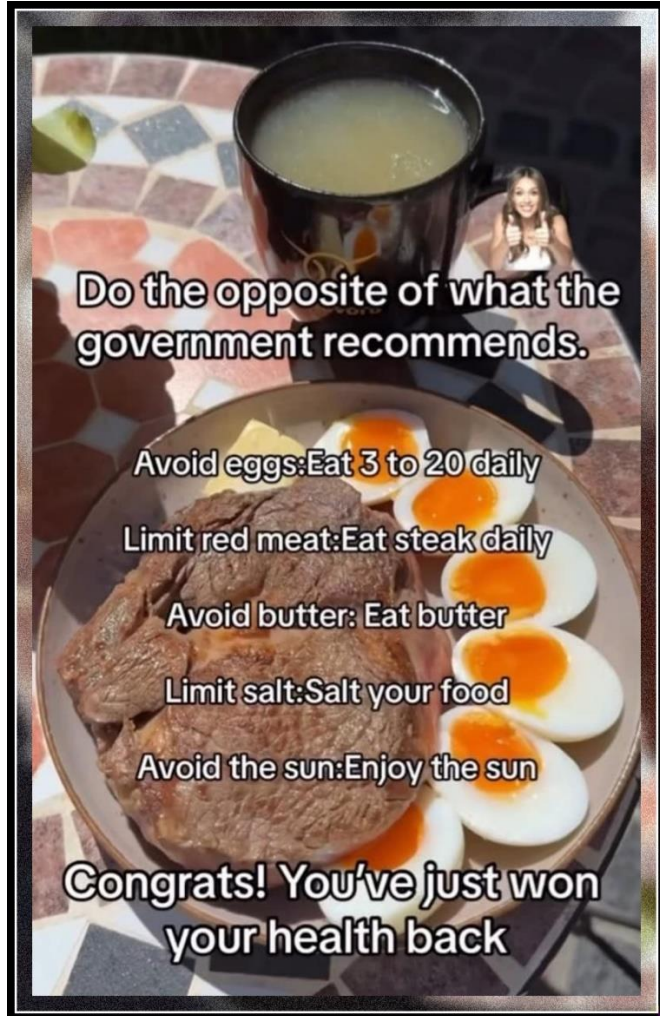

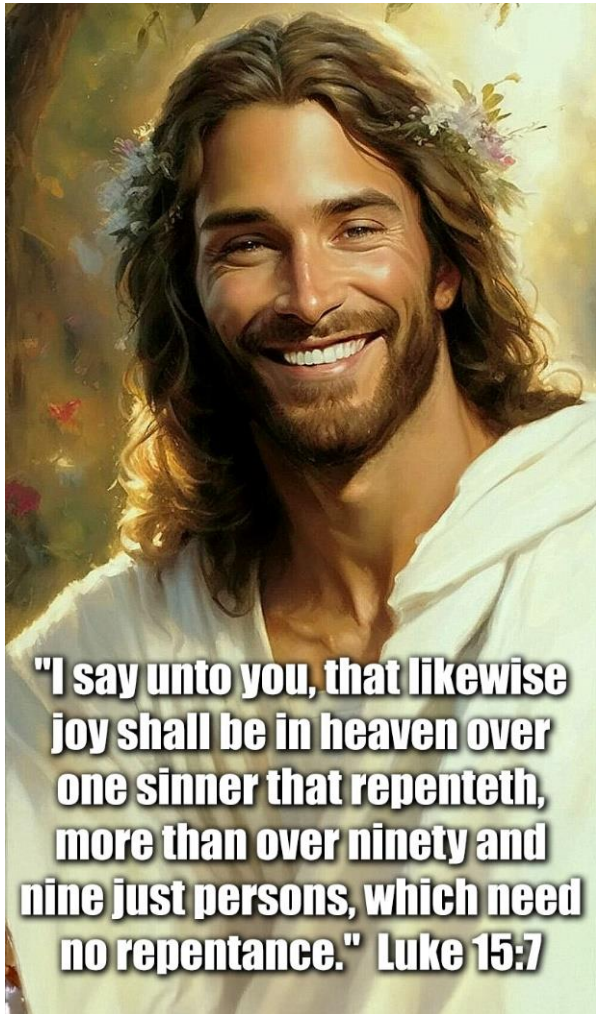

Peter Falkenberg Brown
@palkenbrown

"We, the American People" have a veritable plethora of information on hate groups at our perusal. It is not uncommon for anti-hate groups to work at subduing words and deeds of those groups anti-hate groups have decided are hate groups. Free and open discourse is not looked upon favorably by they who seek position and power to silence or suppress those who are seen as a threat to their ideals.

"The boisterous sea of liberty is never without a wave."

~ **Thomas Jefferson**

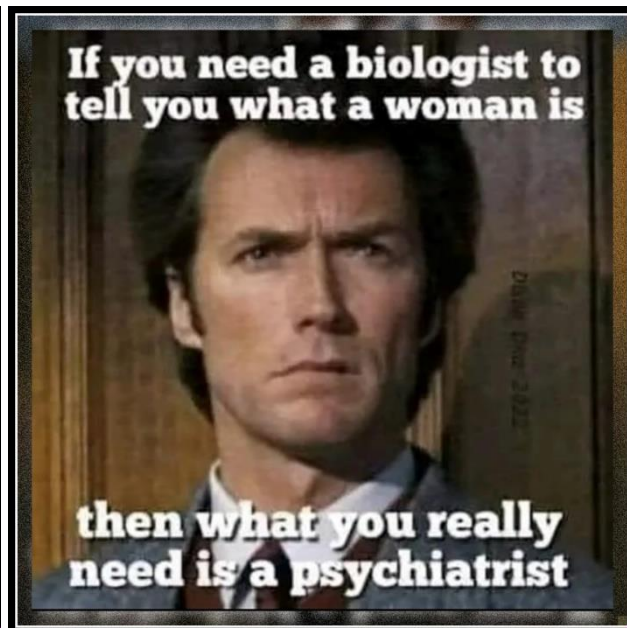

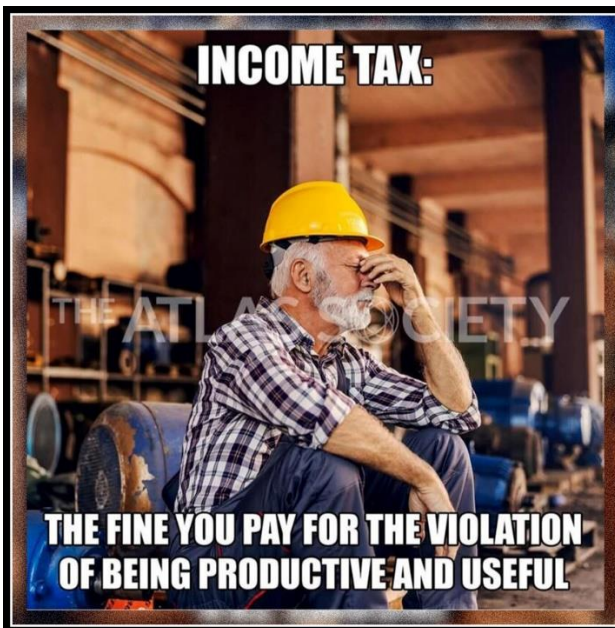

It Would Be Smart For "Us, the American People" to view hate groups characterizations or accusation with a jaundiced eye and clear mind. MLF is, for example, branded as a cabal using parental rights as

a cover for racist undercutting of LGBTQ expression. A prominent blog lists some 28 hate groups at work to destabilize other groups or organizations they consider anti-American, MLF atop list's 28.

“We are not to expect to be translated from despotism to liberty in a featherbed.”

All communist theory is essentially this:

Liberty Discriminates Against None. They who wouldd abide by Liberty know Liberty, while discriminating against none, disallows harmful discrimination by people against people. Liberty accepts personal attitudes, values, and beliefs (PAVB) diversity, denies harmful discrimination against divergent PAVB. America's Liberty-based Constitution does not discriminate; America's laws might.

“Fourscore and seven years ago our fathers brought forth on this continent, a new nation, conceived in Liberty, and dedicated to the proposition that all men are created equal.”

~ *Abraham Lincoln*

People Committed To Living In Liberty do not allow legislators – or other public officials within These United States of America, to give quarter to, offer sanctuary to, or negotiate with terrorists. They dismiss elected leaders who put them at risk.

“The shepherd drives the wolf from the sheep's for which the sheep thanks the shepherd as his liberator, while the wolf denounces him for the same act as the destroyer of liberty. Plainly, the sheep and the wolf are not agreed upon a definition of liberty.”

The Democrat Party has evolved into a Marxist anti-American party. They refuse to support the American people; they live only for their own personal lust for power and money. It was

once said, *“Congress should wear labels like NASCAR drivers, so we know exactly who they are “working for.”*

Once again, it is more than obvious that the Democrat Party is not working for America. While they talk about the Constitution, they legislate to “fundamentally change” America’s governance. No longer do they work to protect and preserve our nation’s freedom and independence, instead, they work to increase government and draw Americans into the need for government social programs, making **We the People** dependent upon government and dependent upon the elected officials.

However, we cannot blame just the elected politicians, **We the People** hold a great deal of responsibility, *“When the people find that they can vote themselves money, that will herald the end of the republic.”* Benjamin Franklin. In many ways, **We the People** stopped treasuring our Independence and lost the reality of Liberty!

In the novel, **“The Scarlet Letter,”** a young woman was forced to be identified by her sin of adultery, by wearing the scarlet letter **“A”** upon the breast of her garment.

Perhaps all elected members of the Democrat Party should be forced to wear a scarlet **“M”** upon their breast OR better yet, their foreheads, to identify them for who they truly are: **Marxists!**

The Democrats of Texas decided to take a sabbatical from their duty of voting and skipped town and the state. Angry over the redistricting (even though when the democrats are in the majority they overwhelmingly embrace the practice of redistricting) all the Texas Democrats left the state. Fat-daddy Governor Pritzker of Illinois called them courageous, and weirdo-Governor Hochul welcomed the vote-skipping democrats to her Anti-American state of New York.

Are the Texas democrats the new illegal aliens? If so, Governor Abbott should deport them all and ban them from the Texas legislature.

It isn’t the first time these Marxist committed democrats “skipped town! Texas House Democrats walked out in May 2021 to block a bill they argued would restrict voting rights in

the state. **According to the Texas Tribune**, they ran to Washington, D.C., and into the arms of the rich and powerful “Ripper of the House,” their Great-Granny Nancy Pelosi. That particular walkout lasted 38 days, but ultimately failed to stop the bill's passage.

In **Nathaniel Hawthorne's** novel, **The Scarlet Letter**, Hester Prynne is publicly shamed by being forced to wear a scarlet, embroidered “**A**” on the breast of her garment. This letter, standing for “adultery,” is a constant reminder of her sin and the judgment of her Puritan community. The letter is not merely a symbol of shame, however; it also becomes a symbol of Hester's identity and her journey of redemption and self-discovery. Initially, it represents Hester Prynne's sin of adultery, marking her as an outcast and defining her identity through the Puritan community's condemnation. However, as Hester embraces the letter and its implications, it transforms into a symbol of her strength, resilience, and eventual ability. The letter's meaning also shifts in the eyes of the community, as some come to interpret it as “**Able**” due to Hester's charitable acts and unwavering spirit.

By the time you read this article, we'll know whether Texas goes full **MAGA**. Governor Abbott said if the prodigal Texas democrats don't show up for work by today (Monday August 4) at 3:00 pm, he will declare the seats vacant and begin the process to replace them.

I've come to the conclusion that the only good democrat is an unemployed democrat! I really hope the **Scarlet “M” democrats** call Governor Abbott's bluff. I can hear the screaming and crying now. We'll watch the D.C. House and Senate Democrats throw a few fits! It will be a tub of buttered popcorn fun to watch!

In the novel, **The Scarlet Letter**, Hester had a story of redemption. The democrats are a long way from redemption, but they are very close to extinction; they simply refuse to learn from their mistakes. They refuse to honestly represent their constituents.

It is my personal opinion that the only way for America to reign in the corrupt two-party system, is to vote out one party and then chip away at the second party, until we elect Americans who believe in Life, Liberty and the pursuit of Happiness, and are willing to work to **Make America Great Again...and...**

“Educate and inform the whole mass of the people... They are the only sure reliance for the preservation of our liberty.”

~ Thomas Jefferson

One Person, One Vote, One Voice. Not a bad way to sum up how “Our, the American People’s” representative Constitutional republic governmental form. As it happens not everyone sees it so. Media report a Lone Star State legislator tried to keep fellow Lone Star State legislators from speaking their minds on Congressional redistricting debacle between Lone Star State legislator and Texas governor.

“We hold these truths to be self-evident: that all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are life, liberty, and the pursuit of happiness.”

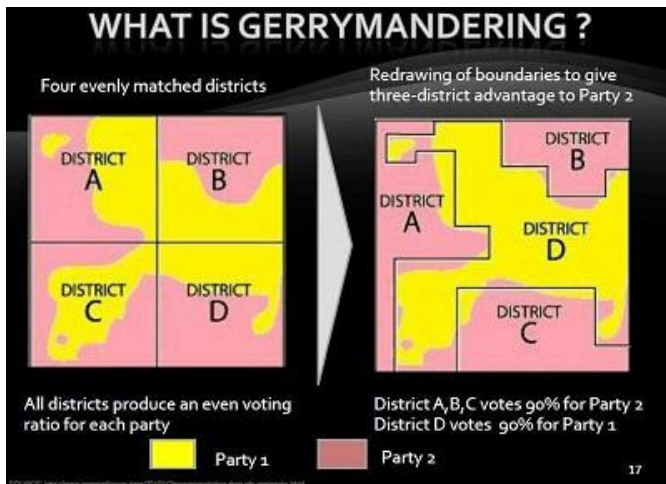

~ Thomas Jefferson

“We, the American People” are media-informed of recurring cases when legislator-politician gets into verbal fisticuffs with legislators-politicians. Dust settled, it’s not unreasonable to conclude such verbal fisticuffs between legislators-politicians are directed at having final say on how legislators-politicians shall have lawful power to confiscate people’s property (wealth) and restrict people’s choice (liberty).

“The God who gave us life, gave us liberty at the same time.”

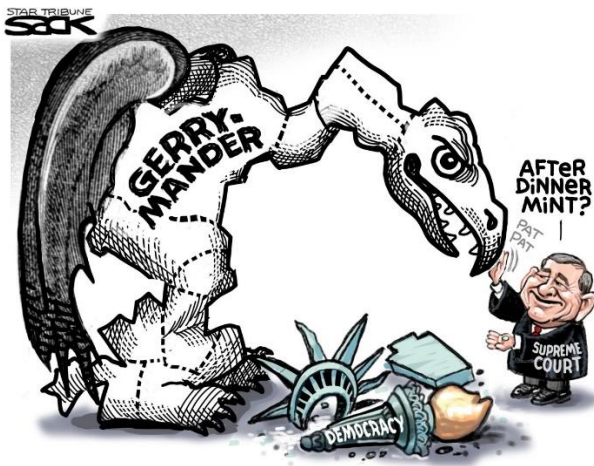

~ Thomas Jefferson

It Would Be Naively Optimistic for “Us, the American People” to believe in our heart-of-hearts legislators-politicians get into harsh arguments with other legislators-politicians to assure Americans are secure in Constitutional precepts and protections. Every legislator-politician might so say. Legislators-politicians want their personal attitudes, values, and beliefs (PAVB) lawfully compulsory.

“Rightful liberty is unobstructed action according to our will within limits drawn around us by the equal rights of others.”

~ *Thomas Jefferson*

Both Sides In Lone Star State governor v. legislators spat are crying districting map abuse (Gerrymandering). Both sides claim they are protecting democracy. If, protecting democracy they are, “We, the American People” might inquire of them how it is Texans are not voting on redistricting. We know before Texas governor or legislators might answer. Government is not about protecting choice.

“Timid men prefer the calm of despotism to the tempestuous sea of liberty.”

~ *Thomas Jefferson*
