## Why The Change Of Heart Joe?

Career politicians make political decisions for their careers, not for We the People.

BETH ANN

READ IN APP ↗

5-3-2024

War always leaves a mess in a nation, and it leaves the people in an upheaval, some left orphans, many left homeless. While many decide to stay in their homeland, others make the decision to leave. I cannot imagine having to make that kind of an extreme life changing decision.

Saigon fell on April 30, 1975. Hundreds of thousands of Vietnamese who did not manage to escape the country were eventually sent to "reeducation camps," where they were often abused, tortured, or killed. After the American troops withdrew, the North Vietcong went from village to village murdering everyone; women, men, children, the young and old; it was genocide! I personally know refugees (now American citizens) who escaped Vietnam. They tell of how their

families and the villages they once called home were completely wiped out, genocide! Genocide is the Communist way.

This occurred while Joe Biden was a senator. Senator Joe was quite outspoken against assisting the South Vietnamese people, who actually assisted Americans in the Vietnam “conflict.” Senator Joe was anti refugee at that time.

President Ford wanted to help the South Vietnamese. Henry Kissinger stated that, “There were Vietnamese to who we have an obligation.” Joe Biden stated, *“I will vote for any amount for getting the Americans out. I don’t want it mixed with getting the Vietnamese out, the U.S. has no obligation.”*

### **Upgrade to paid**

As President, Biden led an embarrassing, costly and deadly exit from Afghanistan. President Biden was caught on film as he anxiously paid more attention to his watch than he did giving a few minutes of tribute and honor to the 13 Marines who were lost on that day. Joe Biden, in his ignorance and arrogance, still claims he has no regrets regarding that day of horror in Afghanistan. America knows, the blood of Americans and Afghans are on Joe Bidens hands; he will one day pay for that day.

There was one Afghan interpreter begging to come to America, but last I heard he was not given permission, even though the American soldiers he was working with spoke out on his behalf. Yet, after this military debacle of an evacuation, the Biden administration brought over 80,000 Afghans into America. This administration did nothing to vet or keep track of these “refugees.” Three years later, this administration still does not know the identities of, or the whereabouts of these Afghanistan refugees. There is still an unknown, but believed to be large, number of Americans left behind; enslaved, in hiding or dead. Our government has done little to nothing to bring them home. This administration is concentrating on Ukraine and Americans in Afghanistan are completely forgotten by them.

The Democrats seem more eager to assist our enemies than they are to lend comfort to our own, our allies or our friends.

The same Joe Biden that was heartless with the Vietnamese refugees in serious need of asylum, is the same Joe Biden today who has opened up our borders, flown in “refugees” from all over the globe and sent them, unvetted, into our nation’s interior.

When you’re a lifelong politician, as is Joe Biden, politics always comes before the people.

**Upgrade to paid**

### **Why The Change Of Heart Joe?**

As President of the United States, Joe Biden has allowed over seven million illegal aliens into our nation. Not only are our borders wide open, but his administration is also flying illegals, unvetted and unknown (to us) into the interior of our nation. We don’t know who they are, or where they are.

With Joe as president of the United States, the world is in complete turmoil. On October 7, 2023, Hamas conducted a horrific act of terrorism and war in Israel. This administration refuses to admit the gory murders, rapes, dismemberments and tortures that took place that day and night.

It seems that our college campuses have been infiltrated with Islamic activists and are leading American students into protests and riots across this nation. These riots have been blatantly antisemitic. The protestors have not allowed Jewish students to attend class or even enter the campus grounds. They chant “from the river to the sea,” while they know nothing of what those words mean. They have taken down the American flag and hoisted the Palestinian flag on the U.S. campuses. They claim there were no rapes or murders. They have destroyed property and left quite a mess to clean up! A few activists easily

brainwashed these spoiled and uneducated brats. Now they are demanding water, food, reparation and all kinds of absurdities.

Finally, President Biden made a two-faced statement, *“I condemn the antisemitic protests. That’s why I’ve set up a program to deal with that. I also condemn those who don’t understand what’s going on with the Palestinians.”*

I’ve seen no evidence that the President has any “program” set in place to deal with the riots and protestors. Earlier this week police have been clearing out and arresting the rioters but that was per the request of the college presidents.

It was brought to light this week that the Biden Administration is “hatching” a plan to bring Gaza (Palestinian) refugees to the U.S. “Gaza” and “Palestinians” are synonyms for Hamas.

Is his change of mind, and heart, for refugees based solely on the November 5, 2024, election?

The election polling is not going favorably for Joe, he might need some illegal-alien-refugees to win his next election.

There is no doubt in my mind that the 2020 election was stolen. Not stolen from President Trump, but from the people! **We the People** really “pissed-off” Obama when we elected Donald John Trump!

Joe Biden, once hater of helping refugees, is now filling our nation with numerous illegal aliens (refugees), many of whom hate America and wish death to all Americans.

### **Why The Change Of Heart Joe?**

Truth is that career politicians make political decisions for their careers, not for **We the People**.

November 5, 2024, needs YOU! Get involved and stay alert America.

*No More Pennies For “Us,* the American People.” media coverage accurate. Whether all financial transactions will be in multiples of U.S. 5-cent coins remains to be seen. In theory, credit card transactions ought not be affected. IRS accounting rules, though, could be up for grabs. Even odds pennies will be collector items. **There Is Media Speculation** “We, the American People” will, gradually, do financial business with greater electronic funds transfer (EFT) as a cashless economy emerges. IMAGINE TAKING MEDICAL ADVICE FROM A MAN  
WHO NEEDS A PARDON FOR HIS MEDICAL ADVICE.

## WHAT THE QURAN SAYS ABOUT WOMEN.

3. Men are superior to women and have authority over them; women must obey or risk being beaten (Q 4:34)
4. A woman is worth one-half of a man (Q 4:34; 4:11; 2:282; 2:228)
5. Muslim men may marry up to four wives, including prepubescent girls, and can own sex slaves (Q 4:3; 65:4; 4:24)
6. Muslims are not allowed to marry non-Muslims unless they convert (Q 2:221)

"Our, the American People's" financial system, security and accuracy maintained reliably, should adjust to a 'no pennies' form with minimal frustration. People who've been hoarding pennies for years, even decades, should still be able to turn in their pennies for debit entries in their accounts, or, get other currency for their Abe Lincoln images. Either way, not much impact on Hormuz Strait.

"God grants liberty only to those who love it, and are always ready to guard and defend it."

~ *Daniel Webster* )

*There is Nedra Speculation Nickels* will be next, ‘Next’ could take a while, given, ending pennies is America’s first change in money form in some 170 years, nickels will be around at least until Election 2028. If an anti-Trump presidency comes out of Election 2028, however, there could be a return to pennies for no reason other than to show one Donald J. Trump is no longer America’s President.
