"We, the American People" would be complete fools to be lured in by legislator-politicians who introduce bills to eliminate property taxes – or any taxes. Government operates, by and large, by a concept known as 'revenue neutral.' Government does not stand by and watch its coffers drop off because taxes are reduced or eliminated. Government sustains revenue flow at taxpayer expense.

"Manufacturing and commercial monopolies owe their origin not to a tendency imminent in a capitalist economy but to governmental interventionist policy directed against free trade and laissez faire."

“Socialism, a system that works only in Heaven, where it isn’t needed, and in Hell, where they’ve already got it.”

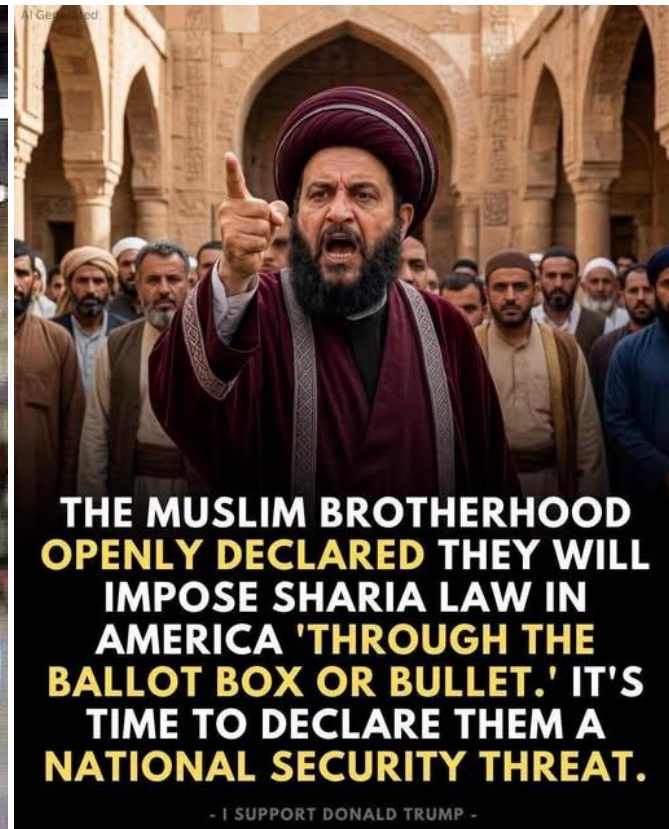

Ronald Reagan

It Is Folly For “Us, the American People” to allow government to sustain revenue by using ‘revenue neutral’ to increase revenue from some taxes if revenue from other taxes is reduced. One needs only to call on a government official to reduce taxes to hear from said official government has to be able to lay its bills. Reality is government pays its bills with other people’s (taxpayers’) money. Cunning.

“Experience should teach us to be most on our guard to protect liberty when the government’s purposes are beneficial”

**Dear people of Spain,

“Our, the American People’s” effort to reduce or eliminate taxes, while an easy cause to take on, is

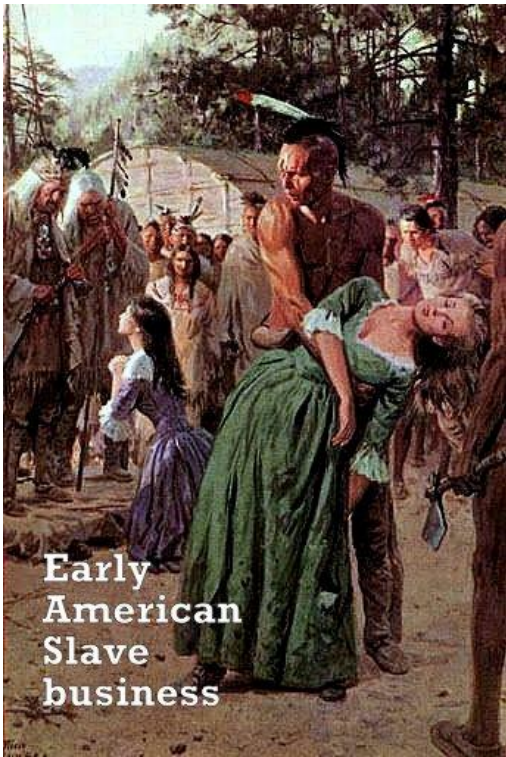

not a winning battle. Government officials are no different than anyone. Their foremost priority is to keep their jobs. Private sector employees have no choice but to find new jobs if they lose their jobs. No reason why government employees shouldn't face similar circumstances. There are no free lunches.

Our Effort Where Taxes Are Concerned should be focused on lowering cost of government. All government costs are paid for from private sector wealth creation. There is no reason why government employees who lose their jobs due government cost reduction could not find private sector employment. Government, in effect, is a parasitic liability on private sector marketplace productivity

THE SIRENS’ SONG OF TYRANNY

Lessons we can learn from fables of long ago.

BETH ANN

AUG 4

8-4-2026

I wrote the following back in August of 2023. Last evening I heard a Fox News Consultant use the term “Sirens Song of Communism” ...and since “The Odyssey” is currently back in the news, I decided to bring this poem back and share it with you once again. There are

certain American states and cities who have fallen captive to the Sirens' Song of Communism and are leading this nation down the road of tyranny.

THE SIRENS' SONG OF TYRANNY

by Beth Ann (August 16, 2023)

The adventures of Liberty in the Souls of mankind

Often travel in waters full of creatures unkind,

Seeking to lure the free soul in their snare,

Singing promises of peace but delivering despair.

The sojourner's voyage home after the war

Is met with temptation along life's shore,

Creatures so evil they must be disguised,

Their shimmering promises laced with vast lies.

Tyranny knows no right or wrong.

Chords of deception are the Sirens' song.

Listeners are entranced by the strange melody,

What sounds so simple is pure tyranny.

Its melodic promises of utopia and ease

Lures with coercion and then it will seize

Freedom, Independence, Liberty, and Life,

Tyranny now rules with oppression and strife.

Governing with equity, tyranny doth rule,

Claiming equality is a racist tool.

Dividing We the People makes tyranny strong,

So louder yet it sings its Sirens' song.

Social Policies are the chorus of the Sirens' song,

What they said would be good, turned out to be wrong.

Our Founding Fathers they made it quite clear

The power of big government is the most to be feared.

The Founding Fathers they did us warn,

The sounds of the Sirens around us would swarm.

Enticed by the beauty of the Sirens' song,

Our inalienable rights now appear to be gone.

We the People now recognize the siren's melody,

The discord and deception in its strange harmony

Rings painfully in our ears, we now understand,

It's liberty we choose and for God we will stand.

While tyranny sings the deceiver's song,

The song of Liberty sings of freedom strong.

Tyranny sought to enslave and destroy,

God our Deliverer is our Hope and our Joy.

We warn once again of the sirens who sing,

Their sharp harmony delivers tyranny.

Stand up for truth and freedom it will bring

Consent of the governed is sweet Liberty.

As the music of Orpheus played a sweeter tune,

It is the song of Liberty mankind should cling to.

Drown out the siren's song of abject tyranny,

Let your voices sing louder for sweet Liberty!

Liberty comes from our God up above,

Truth, Freedom, and Justice evidence His Love.

So Dance and Sing for Sweet Liberty,

He has loosed our chains; We are now Free!

Those Of “Us, the American People,” who care to know and do some digging to find out Hormuz Strait population, are apt to learn Hormuz Strait has no population. Hormuz Strait coastal areas, though, have a few hundred thousand people of, principally, two nationalities, Iran and Oman. How it is Oman has not declared some authority in controlling Hormuz Strait waterway is curious. A little curious.

“Our, the American People’s” President Donald J Trump has, of late, made it known he might declare Hormuz Strait a U.S. Territory. America’s federal (U.S./National) Constitution Territorial Clause
