"People appear to be forgetful that the dollar is steadily losing value, losing purchasing power, losing the all-important respect of foreigners."

~ *Antal E. Fekete*

**It's Only An Opinion Piece. Nonetheless**, media opinion writer claims "Our, the American People's" federal judges are being threatened for rendering opinions favorable to President Donald J. Trump. Not surprising. Not at all. Our legislative elections, after all, are voter mandate's for legislative office holders who display intent to pass and implement legislation favoring some Americans over others.

"When people owe money and can't pay it back, someone is going to take a loss. You can diddle with the details all you want....all you're going to do is to shift the loss from someone who deserves it onto someone else."

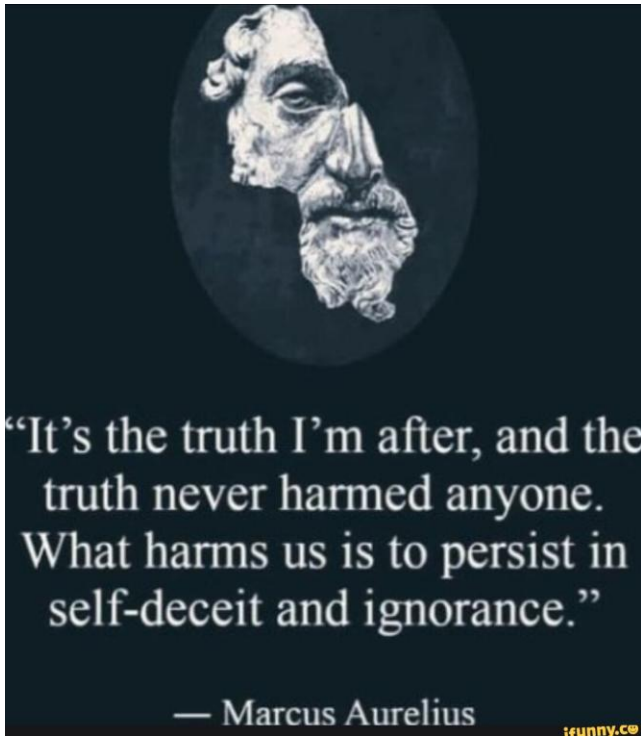

~ *Bill Bonner*

Why “We, the American People” do not see through legislative office elections as efforts by legislative office candidates and their backers to make their personal attitudes, values, and beliefs (PAVB) lawfully compulsory is inscrutable. Liberty (treat others as you would be treated) is not our aim. Rather, as evidenced by legislative election results, it is to give some groups lawful advantage over other groups.

"Without the right to own and control property, we have no real say over our lives."

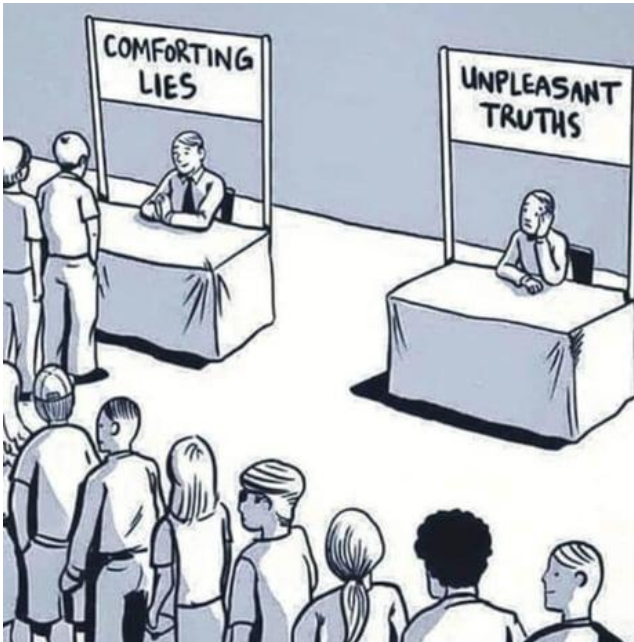

~ *Lew Rockwell* -

**Legislative Office Candidates Seek Office** to, despite vows to represent all, craft laws offering favored choice to some, lawfully-enforced compliance to others, mainly dissenters. Resentful societal division results when government decides winners and losers in socio-economic pursuits. Our legislators, judges, and chief government executives act on their PAVB, not on ordinary citizen-held PAVB.

"The law is whatever those in power say it is.... Under positivism, whoever or whatever controls the government, whether a majority or a minority, always rules and always gets its way."

~ **Judge Andrew Napolitano**

**America's Legislators, Judges, And Chief** government executives are supposed to make, adjudicate, and execute laws fostering and upholding self-government. Self-government is impossible when lawmaker, chief government executive, and magistrate conspire to confiscate property (wealth) and restrict choice (Liberty). We, as a sovereign citizenry, can, so willed, abolish PAVB-driven laws.

"Most Americans have believed the Lie for so long that they have come to expect it; to lust after it."

The Democrat Party rejects the phrase "Consent of the Governed." Of course, this is a phrase out of the Declaration of Independence, explaining that America should be, and will be governed by the people.

I'm going to parallel the bad policies of the Democrat Party with Marxism. Marxism, of course cannot coincide with our Constitution, or with the ideal of "Consent of the Governed." So, anytime you hear a democrat speak of his or her concern over democracy, or our Constitution, as they claim President Trump is a dictator, remember that Marxism is 100% government ruling over everything in the lives of the people.

In Saul Alinsky's book, "**Rules for Radicals**," his "rules" are the actual policies of the Democrat Party. These "rules" are how they attempt to govern (dictate) over the democrat run cities and states.

To be Conservative and a Constitutionalist is not "far right," it's just the right side (as in the correct side) of Liberty. On the other hand, "radical" is a proudly declared title of the Marxist-Socialist, as Alinsky explained.

**In the dedication of Alinsky's book, he wrote:**

*Lest we forget at least an over-the-shoulder acknowledgment to the very first **radical**: from all our legends, mythology, and history (and who is to know where mythology leaves off and history begins — or which is which), the first **radical** known to man who rebelled against the establishment and did it so effectively that he at least won his own kingdom — Lucifer.*

**"The Devil Makes Them Do It," after all, they are anti-God.**

There's a lot to unpack in that statement! Whether you take his comment as a praise for Lucifer or just a simple tongue in cheek comment, it certainly is not meant to Glorify God or protect religious freedom. These radicals are not on the "right side" of Liberty; they do not believe all men were created equal and endowed by their Creator, nor do they ever plan to allow, "Consent of the Governed." The people (**We the People**) to these Marxist are nothing more than "Useful Idiots."

**Upgrade to paid**

In my Friday's Substack I explained how the Democrat Party uses and abuses those Americans living in the inner cities and takes advantage of our nations brown and black Americans, keeping them downtrodden and poor.

In his book, Alinsky laid out eight “simple” but crucial steps to create a complete socialistic state. As we go through these steps, you will realize just how the socialists-Marxists plan to take full control of the American people and our government.

I want to point out before I list the eight steps, that many of these “rules” have already been established in our nation. **We the People** tend to believe the absurd, “the government is here to help us.” Of course, government officials are elected to protect Liberty, not govern over us.

### **Step 1:**

#### **Healthcare – Control healthcare and you control the people.**

Remember the “Little Sisters of the Poor” and their fight against “Obamacare” which dictated, regardless of their beliefs and faith, that the nuns were to provide contraception and abortion insurance coverage to those who “worked” for them. This fight continues today in the state of Pennsylvania. Abortion is not healthcare; it is not a procedure that saves a life; it is a risky surgery that ends a life. Abortion is an industry that sells the tissues and body parts of the unborn for a profit.

### **Step 2:**

#### **Poverty – Increase the Poverty level as high as possible; poor people are easier to control and will not fight back if you are providing everything for them to live.**

The explanation there pretty much sums it all up – CONTROL!

### **Step 3:**

#### **Debt – Increase the debt to an unsustainable level. That way you are able to increase taxes, and this will produce more poverty.**

President Trump is doing all that he can to bring down and/or eliminate our unsustainable national debt. It’s hard to just blame democrats on this one, since the republicans are addicted to spending too. The tariffs and the ending of wasteful and fraudulent spending by

our government are just a part of President Trump's plan to bring down the debt. The democrats are screaming their heads off over these commonsense efforts. An unsustainable debt keeps this nation weak in every aspect of the word.

#### **Step 4:**

**Gun Control – Remove the ability to defend themselves from the government. That way you are able to create a police state.**

Democrats are anti-Second Amendment! They don't complain about the everyday shootings and crime in their democrat governed cities, but when a mass shooting takes place, they are back out in force complaining about the Second Amendment and the need to disarm Americans. It is not about "people safety," its about "government safety." This step is also why the Democrat Party is anti-local police; they want the Federal government to be the police of every county, town, city and state. Nazi brown shirts?

#### **The Second Amendment:**

*A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.*

**Upgrade to paid**

#### **Step 5:**

**Welfare – Take control of every aspect of their lives (Food, Housing, and Income).**

All poor Americans on welfare are completely dependent on government; it is a trap to keep them down; it is not an effort to lift them up.

Moron, excuse me, I mean **Zohran**-commie-swamy-**Mamdani**, wants to have government run grocery stores and eliminate private and corporate businesses. Would this also do away with Farmers' Markets? Mamdani is a very wealthy anti-capitalist. He also wants to defund New York City's police force. He promises to rebel against President Trump and our

Constitutional Republic. If NYC elects this man, they will become darker than they already are. You'd think they'd wise up; we shall see come November.

#### **Step 6:**

**Education – Take control of what people read and listen to – take control of what children learn in school.**

No school choice here, my friends, and the democrats have long been against Home Schooling. While most of Americans weren't paying attention, the "radical democrats" took over our institutions of higher learning... teaching young Americans to hate America. These institutions have indoctrinated our young Americans and radicalized them to be socialist-Marxists. Those are the ones who are following Zohran-commie-swamy-Mamdani in New York City.

#### **Step 7:**

**Religion – Remove the belief in the God from the government and schools.**

The Democrat Party has long pushed the false narrative of "separation of church and state." They totally twist the meaning of the First Amendment. The state must stay out of the church, but the church has and should continue to have great influence in our government.

#### **The First Amendment:**

*"Congress shall make no law respecting an establishment of religion or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances."*

*John Adams stated: **"Our constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other."***

Socialist Marxists believe in government not in God.

**Step 8:**

**Class Warfare – Divide the people into the wealthy and the poor. This will cause more discontent, and it will be easier to take (tax) the wealthy with the support of the poor.**

**Can you hear those democrats now?**

**“The rich need to pay their fair share.”** (Of course, many of those democrats own more than one home, and are millionaire wealthy...)

**“America is a racist country!”**

**“White colonialism is white supremacy.”**

**“Married heterosexuals are nothing more than white supremacists.”**

**“Trump and his followers are all racists, homophobes, xenophobes, etc.”**

**Upgrade to paid**

Yeah, these democrats are looney tunes BUT for some reason there are Americans believing all the gaslighting!

I've been married to the same man for 53 years. We raised five sons, have seventeen grandchildren, and at last count, six great grandchildren. (We're just getting started there) Democrats don't like happy Christian families because we can see through their lies.

Disclaimer here: I am a white woman, and my national heritage goes back to the revolutionary war days. I am not a wealthy person at all... it was a struggle raising those boys of mine; emotionally, mentally and financially.

I believe in Consent of the Governed.

I believe my inalienable rights come from my Creator God: Life, Liberty and the pursuit of Happiness.

I believe in my Savior Jesus Christ.

I am a Christian and I'm not ashamed of the gospel!

I will continue to do what I can from my radio platform to encourage and educate, and at times entertain my audience... BUT most importantly to...

2. I was a grand juror at the Bronx County Supreme Court Criminal Term, 265 E. 161<sup>st</sup> St., Bronx, NY 10451; tel. (718)618-3700. On May 23 and 24, 2022, I saw ADA Burim Namani, his supervisor, ADA Diana Jetta, and five NYPD officers and detectives present an indictment of two men for murder that had allegedly occurred on or around May 24, 2021, in a street in Bronx, NY City.

a. The evidence presented did not include any photos or footage of the victim; the street crime scene; police, ambulance, medical examiner, or CSI cars, or incident or autopsy report.

b. Only one witness was examined. He testified that the alleged victim was his friend but that he

was not with his friend at the time of his alleged murder and did not see it happen.

c. The footage presented was from neighboring restaurants and bodegas, had no sound, and only showed normal indoors and sidewalk business or pedestrian scenes.

d. The presenters relied on the known grand jurors' indifference and uncritical judgment that lead to their voting indictments based even on insufficient and false evidence. This attitude has given rise to the saying, "A prosecutor can have a grand jury indict a ham sandwich".

3. When given the opportunity to ask questions, I pointed up those facts. The ADAs referred me to Grand Jury Judge Laurence Busching, who summarily discharged me from the jury on 25 May 2022.

4. I stated these facts in a May 26, 2022, eight-page 4,743 words sworn statement -available upon request- and mailed it to Administrative Judge

Alvin Yearwood. His secretaries, Dana and Stephanie, acknowledged receipt of my statement, but Judge Yearwood would not take my calls to discuss it. He was remiss in his supervisory duty by referring it to Judge Busching, who foreseeably held himself unaccountable: Without discussion or regard for the harm to the fabricated indictees and me, he dismissed it on the inconsequential fact that the grand jury term had expired.(3↓A1)

5. Since May 28, 2022, I have mailed the complaint to three Court of Appeals chief judges; each of the associate judges; the NYC and NYS administrative judges as well as three NYPD commissioners; three chiefs of the Internal Affairs Bureau; NYC Mayor Eric Adams, who is a former NYPD captain; the respective inspectors general; council members; public advocates and defenders; et al.♠

♠ [http://Judicial-Discipline-Reform.org/IAB/DrRCordero-Commission\\_Judicial\\_Conduct.pdf](http://Judicial-Discipline-Reform.org/IAB/DrRCordero-Commission_Judicial_Conduct.pdf)

a. I have emailed my complaint daily to more than 30 officers, as shown by each email's "To:" and

"cc:" boxes, so that as of May 27, 2025, I have sent well over 15,000 emails.

b. See my complaints to the NYPD's Internal Affairs Bureau ([IAB](#)), which has disregarded them:

1) 2022-03787;

2) 2022-13831;

3) 2022-15482;

4) 2022-15601;

5) 2022-19474;

6) 2023-00275;

7) 2024-07652;

8) 2024-25697;

9) 2025-02823;

10) Nor did I receive any response after my complaint to Jonathan Darche, Esq., Executive Director of the Civilian Complaint Review Board ([CCRB](#)), of on or around February 3, 2023([OL3:1561](#)), was forwarded to IAB by its Director of Case Management, Eshwarie Mahadeo, as stated in her/his email to me of August 2, 2024, in CCRB Case #202407652.([OL3:1701a♠](#))

6. On September 23, 2022, CJC received my complaint against Judges Busching and Yearwood.([3↓B1](#)) The NYS Unified Court System([UCS](#)) identifies both on its website as UCS members(2↓).

7. Yet, beginning with the letter by CJC assistant Lee Kiklier of November 3, 2022(3↓B1), subsequently reaffirmed by

CJC Debra Douglas and Clerk Celia Zahner, CJC has informed me that it dismissed my complaint on the preposterous pretense that:

Although the law requires the Commission to review all complaints, please note that the Commission's jurisdiction is limited to judges in the New York State Unified Court System, which does not appear to apply to your complaint.

8. I have not received a single response addressing the complaint's merits. That identical no-response for years from so many people duty-bound to enforce the law and administer justice is not coincidental.

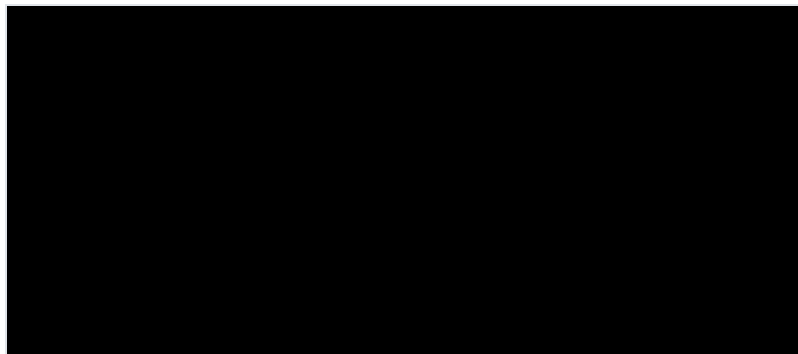

9. Rather, it furnishes probable cause to believe that prosecutors, judges, NYPD, IAB, the Mayor, and CJC are engaged in a cover up of the fabricators of, and accessories to, indictments on insufficient and false evidence. They pursue in coordination through a pattern of corrupt enterprise and racketeering acts the common purpose of

lending mutual assistance in evading any investigation.

10. This cover-up continues harming me and the thousands of fabricated indictees who have been and still are incarcerated before and after trial, and financially, emotionally, and reputationally devastated.

a. In "[About Belluck Law](#)", it is stated: "We are motivated by justice and driven by compassion."

b. Chair Belluck and the rest of CJC have proved that to be a mere slogan. They are denounced by the teachings of the Bible in [John 3:16-18](#) and [James 2:14-26](#): "Love without acts is dead".

James 2:14-26 NKJV - - Bible Gateway

**1 John 3:18 Meaning of Love Is Action Not Words**

1 John 3:18 "Dear children, let us not love with words or speech but with actions and in truth." Explanation and...

11. In its 11<sup>th</sup> letter to me([4↓C4](#)), CJC informs me that "it reviews all complaints and decides whether to inquire into them".

12. I respectfully request that:

a. just as a suspect has the right to testify before a grand jury, I, who was discharged from one arbitrarily and capriciously in violation of my rights, be allowed at CJC's next meeting to testify on behalf of fabricated indictees and myself. I offer to make a preliminary presentation to you and your guests in person, if here in NYC; otherwise, via video conference; and

b. I offer to make a presentation to you and your guests in person, if here in NY City; otherwise, via video conference.

**B. A most opportune time to expose the coordinated fabrication of indictments and its cover-up: when Luigi Mangione is tried**

13. The public has become familiar with a descriptive triptych of words used by Luigi Mangione after he killed United Healthcare CEO Brian Thompson on December 4, 2024, as he was walking to a hotel in Manhattan to address investors: the healthcare insurers' abusive claims evasive tactics, to wit, "delay, deny, defend".

14. Mangione expressed through that triptych and his violent, criminal act his frustration with United: His mother had died because her illness had gone untreated as a result of United delaying and denying her claim for insurance coverage of her treatment.

15. In fact, it has been stated that United Healthcare, the largest healthcare insurer in the U.S., denies an [estimated one third](#) of the claims of its insureds. Most of them lack the physical and emotional stamina and knowledge needed to challenge a denial through not one, but rather five levels of administrative and judicial appeals!

16. The public reaction to Mangione's act has been, not of condemnation, but rather of approval. He has been hailed as a folk hero because his experience with United is representative of that of scores of millions of people across the country: They too have been abused by their insurers' claim evasive "delay, deny, defend" tactics.

17. Those who already have been abused by their healthcare insurers with the complicity of Medicare and those who now know why they should distrust and be afraid of the insurers, may consider that Mangione has heroically sacrificed his liberty, even put his life at risk, to expose the insurers' abusive tactics and launch a reformatory process that forces transformative change on the insurers' modus operandi.

18. The public has also taken action, donating an enormous amount of money for the legal defense of its hero; see [\*Donations To Luigi Mangione's Legal Defense Fund Surpass \\$1M\*](#); Ryan Grenoble; HuffPost [Latest News](#); HuffPost; 6 May 2025.

19. Therefore, it is reasonable to expect the trial of Mangione to attract the public and be reported on by the national and international media. They will gather for days, perhaps even weeks, in the courtroom and in front of the U.S. District Court for the Southern District of NY in lower Manhattan, NY City.

20. As a result, their gathering will offer a most opportune occasion for exposing fabricated

indictments and those who cover them up. I will take advantage of it by distributing to journalists and the public an expository handout and inviting everybody to join or support a class action and report on it.

21. The public and the media are likely to pay attention because I will begin by informing them that it is precisely in that district court where I am prosecuting a case akin to Mangione's, for it is intended to expose healthcare insurers' -including Medicare- "delay, deny, defend" tactics, namely:

*Cordero*

*v.*

*Secretary of Health and Human Services, Medicare,  
EmblemHealth [healthcare insurer],*

*Maximus Federal Services [reviewer of insurance claims denials], et  
al.*

[including many of the top officers of the Medicare Appeals Council  
and the Office of Medicare Hearings and Appeals (OMHA)];

22. You can benefit from [my motion](#) in that case to have the decision of the district judge reviewed by her fellow district judges. It has a solid foundation

in Cornell Law Professor Maggie Gardner's article [\*District Court en bancs\*](#). I furnish additional foundation and explain its broad applicability

23. I invite journalists and the public now and will do so during Mangione's trial to visit my website at <http://www.Judicial-Discipline-Reform.org>. There I post some of my articles, similar to this one, the product of my professional law and business research and writing, and strategic thinking. They have attracted so many webvisitors and impressed them so positively that as of 14 August 2025, the number of visitors who had become subscribers was **58,350**. Visit my site and evaluate its articles.

24. You are welcome to review my three-volume study of abuse of power, titled and downloadable:

25. What is more, I encourage everybody now and will continue to do so during the trial to promote

and participate in [unprecedented citizens hearings](#). They are to:

a. be held at university auditoriums and media stations;

b. have professors, journalists, lawyers, multidisciplinary experts, and graduate students as their moderators;

c. afford people wherever they are the opportunity to tell in person and through video conference [the story](#) of the abuse that they have suffered or witnessed;

d. present their findings in the first *Annual Report on Abuse of Power in America* at the first-ever national conference on abuse of power simultaneously held at several university and media venues before live and Internet audiences; and subsequently through a tour of [presentations\(§G\)](#) at universities, media stations, public interest entities, etc.;

e. prompt the creation of the Institute for Advocacy of Public Accountability, attached to a preeminent school or news network; and

f. launch the implementation of the [plan of action](#) to develop a *Me-Too!*-like national movement for abuse of power exposure, accountability, and compensation intended to turn academe and the media into a new joint powerhouse of American governance that holds private and public officers and entities accountable for their acts and liable to compensation.

25. This plan is realistic given the Trump administration's executive orders and the vigorous pushback by Harvard, big law firms, and a growing segment of the public. To them must be added principled and opportunistic politicians up for reelection or vying to be elected and facing with trepidation or great expectation the inexorably approaching primaries and mid-term elections.

26. Do you feel confident that the Trump administration will never resort to fabricated

indictments to incarcerate you if you say or do what it does not like? More than [250 cases](#) have been filed against the administration's power abusive:

- a. detentions and deportations;
- b. tariffs;
- c. denial of due process;
- d. restrictions' on habeas corpus;
- e. stripping of citizenship birthright;
- f. violations in effect of the right to counsel;
- g. reduction of Social Security and Medicare benefits;
- h. termination of government employees and programs;
- i. cuts in funding to universities;
- j. revocation and no processing of visas;
- k. etc.

27. Do you trust that if you fall sick or have an accident your insurer will not evade your claims?

28. The systematic violation of the rule of law; the public mood; this strategic plan; and the available means of implementing it make this a most opportune time to expose the pattern of racketeering and corrupt enterprise acts of fabricating indictments and committing "delay, deny, defend" tactics.

29. Take advantage of this opportunity to protect and assert your and the public's rights.
