‘Education’ Has A Solitary Purpose – to control behavior. Media report “Our, the American People’s” universities are becoming places where political views assimilation is practiced and

promoted as a means to control; other people's behavior. It is axiomatic people seeking legislative office are out to make their personal attitudes, values, and beliefs (PAVB lawfully compulsory.

"The most important element of a free society, where individual rights are held in the highest esteem, is the rejection of the initiation of violence."

~ *Ron Paul*

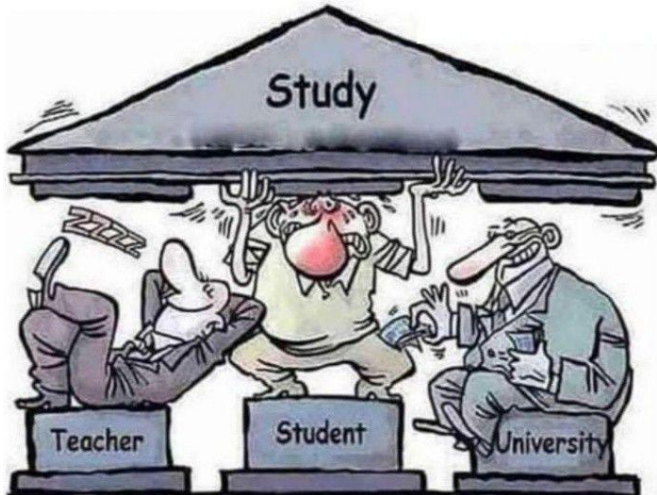

"We, the American People" would do well to pay close attention to our higher learning institutes to be sure students are learning how to think, not how to apply their knowledge in exploiting their fellow students' PAVB to further political ideologies. It is bad enough our legislators, chief government executives, and judges use their PAVB to shape America's legislative-jurisprudence system outcomes.

Education system nowadays:

Why. To Determine Reason or purpose. There may be no more consequential word available to “Us, the American People” we can use to decide if we are making a worthwhile decision. Worthwhile to our interests, not interests held by government officials or anyone we might deal with for any reason. Asking why can, if we are careful measuring information or response, who benefits by a decision.

The Genocide of the Democrat Party

The Democrat Party is anti-everything that makes America Great, Free and Independent.

BETH ANN

AUG 24

8-24-2026

The Democrat Party is dead to America; we need to bury them in November and put an end to their constant threats against our Constitutional Republic.

Friday's Substack was titled, "**The Genocide of America,**" so in explaining once again how the democrat party (all) hate America, I decided to switch up the title today.

I do not buy the "split" within the Democrat Party, because they still all vote anti everything President Trump. It is the current elected democrats who block, obstruct, protest, and sue the President of the United States. It is the current elected democrats who have threatened the Supreme Court Justices and refuse to show compassion for the families of the victims of illegal aliens. It is the current elected democrats who shut down the government, holding our nation hostage for a record amount of time; 43 days!

Upgrade to paid

The Democrat Party is dead to America!

Why do I say this? It is their hate for America that brings me to the conclusion that, as an American political party, they are dead to America. They are not shy about their hate for our Constitution, free speech, private property, or life in general. They say they hate America, and we should be listening to them. The hate the democrats have for America should not be rewarded by electing any of them to a government position... of any kind.

Genocide seems to be the word that the LEFT love to throw around these days; claiming genocide exists where it does not, such as their rhetoric about an ongoing genocide in Gaza. They're ok with a genocide of human babies, however.

While many are referring to these new democrat candidates as the DS (democrat socialist) party, you must remember there is only one Democrat Party. Some members might be a little embarrassed by what the others say and do out loud, but they still all vote the same; they all vote anti-American.

The current democrat candidates are promising the genocide of America. American Patriots must come to the realization that the Democrat Party is dead to us. We should vow the genocide of the Democrat Party and bury them in November's midterm election. Too big to rig is what President

Trump declared in 2023 and now we should vow the same for the midterms. With very few exceptions, statistics show that it is the opposite party of who holds the White House that will win the midterms. We need to see to it that 2026 will be one of the rare exceptions, but when we increase the House and the Senate with Republicans, it needs to be a huge number of seats we claim or take away from the Dead-to-America-Party; the democrats.

The Democrat Party is dead to America, and we need to bury them in November, politically speaking.

There are no excuses for the violent, vulgar and bad behavior we've seen from politicians or their groupies on the LEFT of our Constitution. I'm done with the excuses of TDS (Trump Derangement Syndrome)! Their hate is for us...**We the People** elected President Trump in a landslide victory, and the democrats have attempted (with too much success) to block his every attempt to govern.

Upgrade to paid

The political party that has been screaming that President Trump is killing democracy is now calling for the death of America's Constitutional Republic; literally! Let's make a quick rundown of their disdain for America, Americans and the Constitution of the United States.

Democrats are Anti-Sovereignty; they want open borders

Democrats are Anti-Rule of Law; they want no criminals incarcerated

Democrats are Anti Women; they want to make rape a misdemeanor. Title IX is open for all, not just females. **Anti-Science... Anti biology and Anti-Equality**

Democrats are Anti Constitution, Anti Rule of Law and Anti Christianity; they want to shred the Constitution for Sharia law, (which is anti-women) do away with the Supreme Court and do away with the Senate Chambers

Democrats are Anti Free Markets, they want to ditch capitalism for Communism

The Democrat party is anti-elections. Look at what they've done in recent years and elections; no primaries are necessary...and if the people choose wrong, or the candidate turns out to be unelectable, the Democrat Party leadership will make sure the candidate is switched out! Kamala

Harris was forced on the American people as a VP in 2020, and she was forced on the people as a presidential candidate in 2023. We saw what California just did in the primaries, and well, how many other primary choices have been pushed aside, and without a special election, the party chose the candidate, not the American people.

Democrats are Anti-We the People; the choices and the wants of the people never seem to be the same as the democrats in power. We want election integrity, they do not. We want the illegal aliens out of our country, they do not! We do not want babies murdered; they do!

Democrats are Anti-Family; they have this obsession with killing babies, they believe our children belong to the state, they believe family is a white racist ideal. Democrats want to destroy the American families, and their policies go against family.

Democrats are Anti-Life; They are anti-death penalty for hardened criminals, yet they are cheerfully okay... rejoice even... when a baby is torn apart out of the womb.

Democrats are Anti-Liberty; The Democrat Party believes in a welfare state; government run healthcare and government incorporated!

The Democrat Party is Anti-Private Property; the Marxism and communism they now promote are not forms of governance that allow people to own property or private businesses.

Democrats are Anti-Free Speech, unless it's their own violent protests. A recent bill in the state of California, signed by Gavin Newsom, is titled the "Stop Nick Shirley Act." Nick Shirley is an independent investigative reporter that has uncovered numerous fraudulent behaviors (thefts). So, the state of California, which has been caught in fraud, wants to block or kill freedom of the press. To democrats the press is their tool, not the defender of facts, truth and Americans.

Upgrade to paid

The Democrat Party is Anti American Dream; Without Life, Liberty and the pursuit of Happiness, Property and Prosperity, all of which democrats detest, there can be no American Dream. Without Christianity, there can be no Constitutional Republic.

"We have no government armed with power capable of contending with human passions unbridled by morality and religion. Avarice, ambition, revenge and licentiousness, would break the strongest

*cords of our Constitution as a whale goes through a net. **Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other.***” John Adams

The Democrat Party is wholly inadequate to our Constitutional Republic.

The Democrat Party is no longer an American Party, as it is now Anti-American; perhaps it never was truly for America. It was the Democrat Party that fought to keep slavery, they are now sexist, as they fight against American women, they are anti-equality, anti-justice, anti-freedom, anti-family, anti-morality, anti-God... the Democrat Party is anti-everything that makes America Great, Free and Independent.

May the Democrat Party rest in peace on November 3, 2026.

It is undeniable that the Democrat Party is dead to America and **We the People** should bury them in November's Midterm Elections. The only way we can **Bring America Home** is to cull out all that is un-American!

Let us vote out every democrat candidate, and then we'll work on fixing that old Republican Party that sits on its **Thune** and refuses to pass the SAVE AMERICA ACT.

So please don't lecture us on walls, immigration, war, or the virtues of Islam.

Calls For Measures To Resolve Societal Inequity commonly call for some form of forceful intervention. Some force-based measures are more radical than others. Media report a comparatively wealthy entrepreneur maintains companies should be required to choose one of two measures. Pay higher taxes, or, give employees comparable amounts of stock to lessen financial inequity hardship.

“When they took the 4th Amendment, I was quiet because I didn’t deal drugs. When they took the 6th Amendment, I was quiet because I am innocent. When they took the 2nd Amendment, I was quiet because I don’t own a gun. Now they have taken the 1st Amendment, and I can only be quiet.”

~ Lyle Myhr

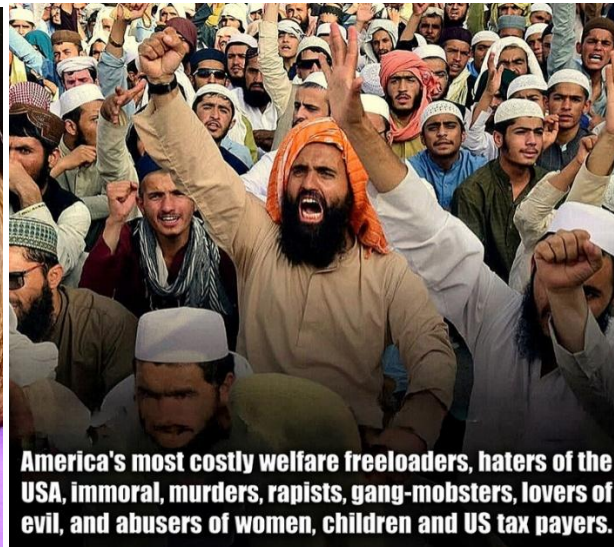

"We, the American People" are not equally capable of amassing property (wealth) to make our lives less arduous than lives of those who amass more property (wealth). Were we to permit government from forcing to choose between higher taxes or company ownership to deal with inequity, we could argue either choice amounts to legalized slavery where some must sacrifice for others to benefit.

"In Germany, they first came for the communists, and I didn't speak up because I wasn't a communist. Then, they came for the Jews, and I didn't speak up because I wasn't a Jew ... Then they came for the Catholics. I didn't speak up then because I was a Protestant. Then they came for me, and there was no one left to speak up."

~ Martin Niemoller

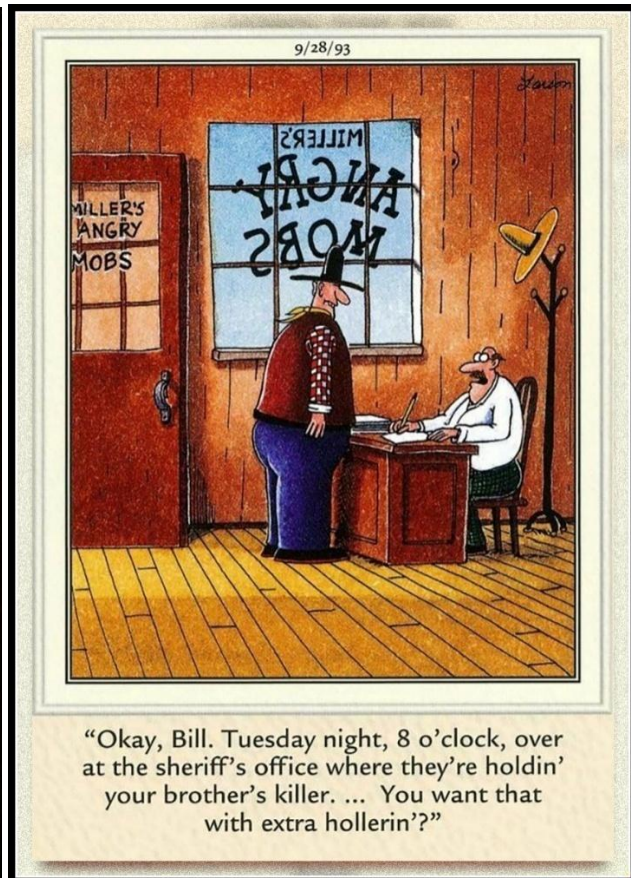

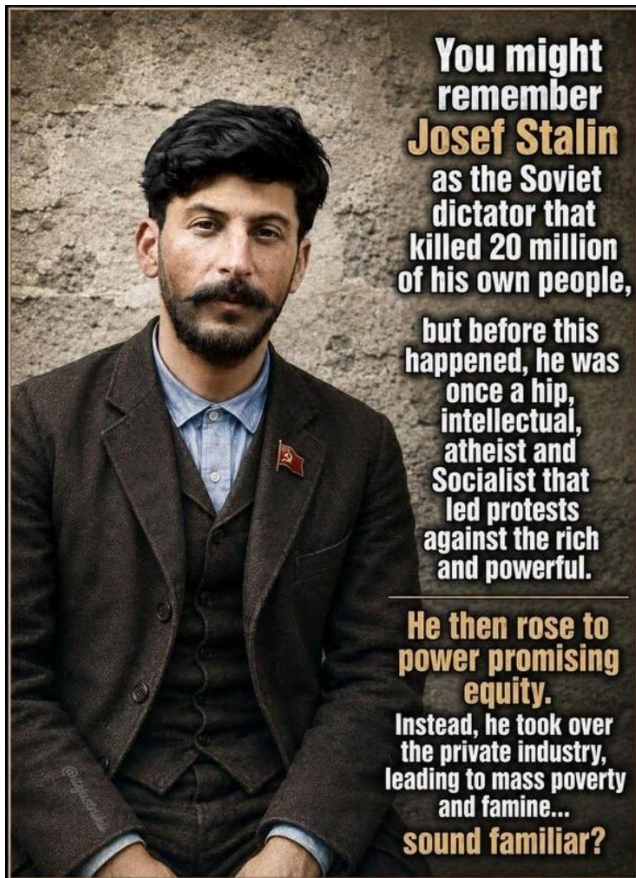

After 35 years, Somalia's TPS is TERMINATED! 81% of Somali immigrant households in Minnesota are WELFARE. A drain on American taxpayers. Time to return home & Make Somalia Great Again! 🙌🇺🇸

Using Force To Resolve Societal Inequity, arguably, presumes entrepreneurs will develop businesses successful enough so either higher taxes or company ownership can be exacted from entrepreneurs' portfolios. There is no guarantee "Our, the American People's" Constitutionality foundation would allow for wither higher taxes or company ownership. Laws need not be Constitutional, only passed.

"It is a popular delusion that the government wastes vast amounts of money through inefficiency and sloth. Enormous effort and elaborate planning are required to waste this much money."

~ **P.J. O'Rourke**

REMEMBER! If Obama had not sent that nearly 2 billion dollars to Iran in the middle of the night Trump wouldn't have to be at war with them!

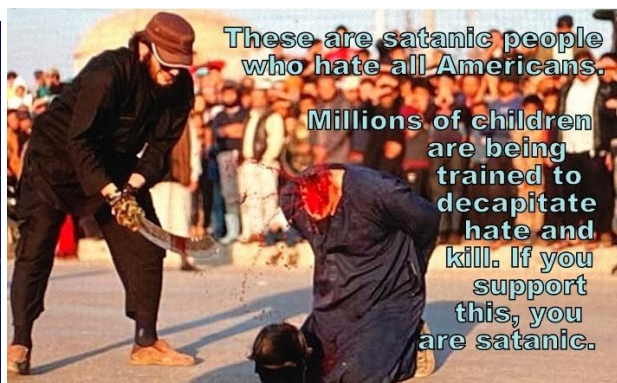

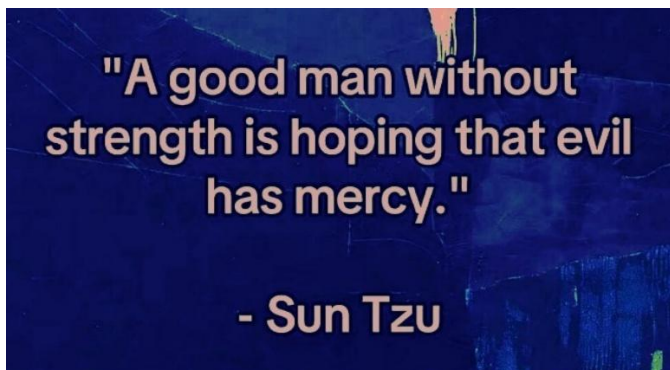

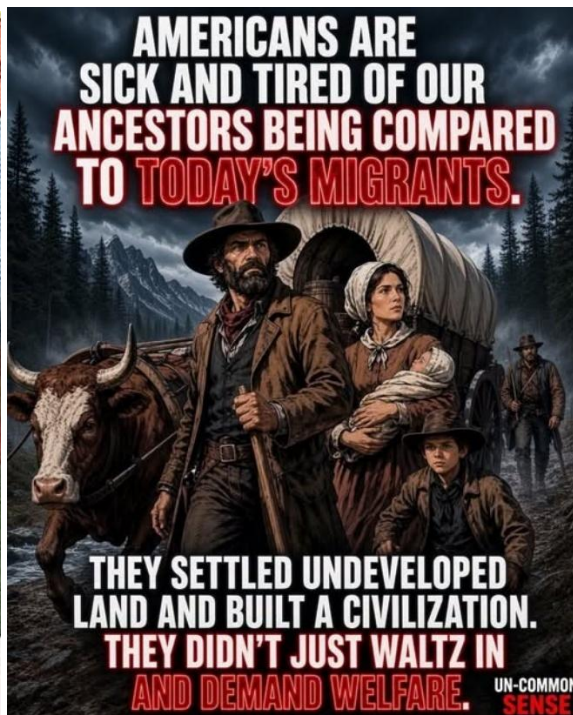

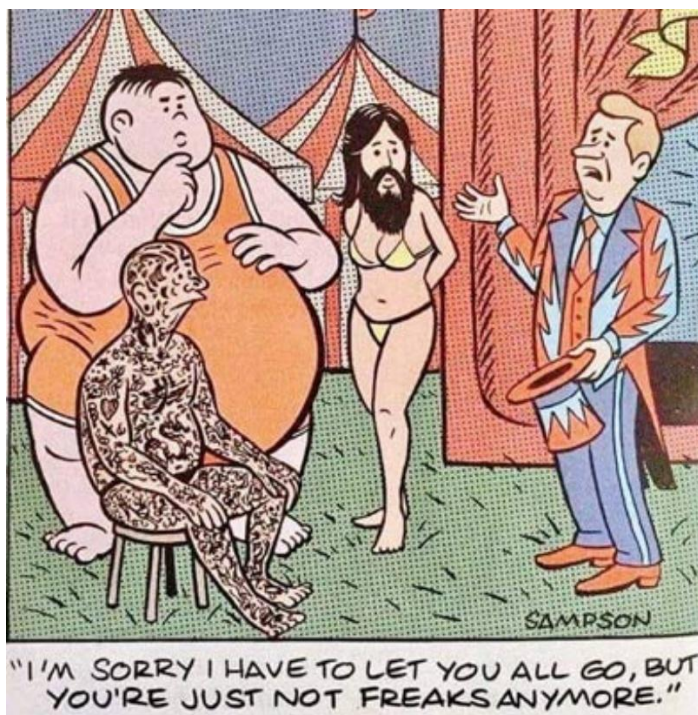

Competition Is Inherently Suited to deal with societal inequity. Force proponents might counter competition does not weed out discrimination; therefore, force of law must be used to overcome

competition inadequacy for “Us, the American People” to overcome societal inequity. There is no way for us to be sure force will be enough to overcome societal inequity if market demand is unsatisfactory.
