Labor Day 101

“I must work the works of him that sent me, while it is day: the night cometh, when no man can work.” John 9:4

Liberty demands Labor

There's a push in our nation today to change our form of government. They claim they want socialism; but what they are describing is radical-Islamist-Marxism. They hate capitalism, claiming it is unfair. Capitalism is not a form of government; capitalism is markets, based on work and production. It doesn't matter what name you claim; be it socialism,

communism or Marxism; these forms of governing are based on envy, not on Rights of the People, not on Labor and Production. As far as the radical Islamist; that is a cult-religion that they want to force on America. Their proposed ideas of shredding our Constitution by eliminating the Senate, bumping up the Supreme court, eliminating the electoral college and redistricting the state maps for representatives in a way that favors one group of people over another, will actually remove the rights and the power of **We the People**; as declared by us in the Declaration of Independence and our US Constitution. There will no longer be any mention of **“Consent of the Governed.”** These radical changes they propose will bring about a permanent dictatorship; the very thing they accuse President Trump of doing. Their changes of governance, should they succeed, will give more power to government without any checks and balances.

“The accumulation of all powers, legislative, executive, and judiciary, in the same hands, whether of one, a few, or many, and whether hereditary, self-appointed, or elective, may justly be pronounced the very definition of tyranny.” James Madison

“All hard work brings a profit, but mere talk leads only to poverty.” Proverbs 14:23

The romanticized-fantasized talk of a utopia Marxist government has failed everywhere it was practiced. No matter the name; socialism, communism or Marxism; these forms of government enslave the people. Only when the people are in charge of their government will any nation prosper and flourish.

“Interesting occupations are essential to happiness: indeed the whole art of being happy consists in the art of finding employment.” Thomas Jefferson

Upgrade to paid

We speak of the evils of forever wars, which unfortunately America has been guilty of, but another policy for which we are equally guilty of is forever welfare; in this, we have demoralized humans (especially American males) and we have enslaved them to government; relying on government for their every need. Forever welfare robs humans of self-respect and personal sovereignty. Forever welfare does not respect Life. Forever welfare is not Liberty. Forever welfare does not support the pursuit of Happiness, which offers opportunity; the American Dream. Forever welfare is a legislated entitlement; it is a

form of socialism. When we have numerous generations within a family relying solely on the welfare system and not on personal employment (labor), this should be a sign that it is not good for the people or for the nation.

“That everyone may eat and drink, and find satisfaction in all their toil—this is the gift of God.” Ecclesiastes 3:13

Socialism and the Pilgrims

The financial backers in London required the Pilgrims to hold land, food, and supplies in a common stock for seven years. While all was to be shared equally, workers resented that their labor went to support other families, while others did not put in the same amount of labor. This growing resentment led to low crop yields and food shortages. Some neighbors would not work, while others worked hard, which ended up with less work from all.

When the Pilgrims Labored

After the pilgrims nearly starved to death, William Bradford broke away from those Londoners and changed the plan. Bradford assigned each family a private plot of land of their own to work, to plant, and to harvest.

William Bradford journaled: ***“This had very good success, for it made all hands very industrious, so as much more corn was planted than otherwise would have been by any means the Governor or any other could devise, and saved him a great deal of trouble, and gave far better content. The women now went willingly into the field, and took their little ones with them to set corn; which before would allege weakness and inability; whom to have compelled would have been thought great tyranny and oppression.”***

“For even when we were with you, we commanded you this: If anyone will not work, neither shall he eat.” 2 Thessalonians 3:10

Upgrade to paid

We have a loud vocal group of Americans who believe in such forms of government as socialism, communism and Marxism, which preach and force equality for all. In these

forms of governments they claim there should be no rich and government should redistribute (equally) all wealth so that all people live equally endowed. In every country where this is practiced; housing is unaffordable or completely unavailable, the people are hungry, poor, and die of disease because there is no wealth, except for those in government leadership; they live lifestyles worthy of the rich and famous. The people are their slaves; this is certainly not the utopia they were promised.

The equality they preach is not equality, it is equity; they do not believe that all men (and women) are created equal; they do not believe in a creator. Their god is government and their god will dictate over them, control them and leave them to live in squaller, chaos, crime and violence.

The capitalism of labor, markets and production of America is what has made our Constitutional Republic prosper and grow in strength and in power in the world; economically and militarily. Our form of government is not capitalism, we live in a Constitutional Republic, not a democracy. However, a Republic of ***the people, by the people, and for the people***...is only successful if the people are working and paying attention.

“Whatever you do, work at it with all your heart, as working for the Lord, not for human masters.” Colossians 3:23

Upgrade to paid

Our Constitution is also based on Judeo Christian laws and morals; this is what has for many years given Americans the “good” life. Those who refuse to work will remain poor. (I’m not condemning those who cannot work.)

“Six days you shall labor and do all your work, but the seventh day is a sabbath to the Lord your God.” Exodus 20:9-10

“Always give yourselves fully to the work of the Lord, because you know that your labor in the Lord is not in vain.” 1 Corinthians 15:58

Government bureaucracy does not make efficiency.

“My observation on every employment in life is that wherever and whenever one person is found adequate to the discharge of a duty by close applications thereto, it is worse executed by two persons, and scarcely done at all if three or more are employed therein.” George Washington

“It is here that the idle may be employed, the useless become useful, and the poor become rich; but by riches I do not mean gold and silver, we have but little of those metals; I mean a better sort of wealth, cleared lands, cattle, good houses, good clothes, and an increase of people to enjoy them.” Michel Guillaume Jean De Crevecoeur (Letters from an American Farmer 1782)

“Whenever there is, in any country, uncultivated land and unemployed poor, it is clear that the laws of property have been so far expended as to violate natural rights.”
Thomas Jefferson

Liberty demands Labor!

We must labor and toil for ourselves, our families and our nation. We must also practice due diligence in our governance. Are we to allow these foreigners to destroy America? We must work to protect and preserve our Constitutional Republic. The enemy is here, and they are running for government offices promising to destroy. The enemy never rests... even on Labor Day the enemy will be plotting and planning their next move of deception.

“Put on the full armor of God, so that you can take your stand against the devil’s schemes.” Ephesians 6:11

“I must work the works of him that sent me, while it is day: the night cometh, when no man can work.” John 9:4

Labor Day 101

Liberty demands Labor

Liberty is always in the hands of the people, but first it must be a longing and a lust within their hearts; now get to work my patriot friends... and...
