“Man is not free unless government is limited. There’s a clear cause and effect here that is as neat and predictable as a law of physics: As government expands, liberty contracts.”

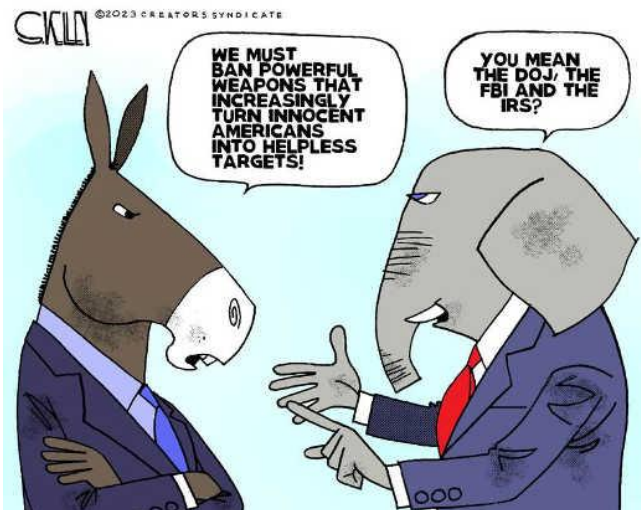

~ *Ronald Reagan*

It's A Quote From A Media Article on how a particular group is inclined toward socialism without understanding socialism: *"I would say I lean towards it, but I haven't completely been with that party."* Not far removed from a contemporary witticism on decision making: *"If you buy a pig in a poke, you better like pork."* Both can be indicative of how inadequately informed voters choose.

"All socialism involves slavery."

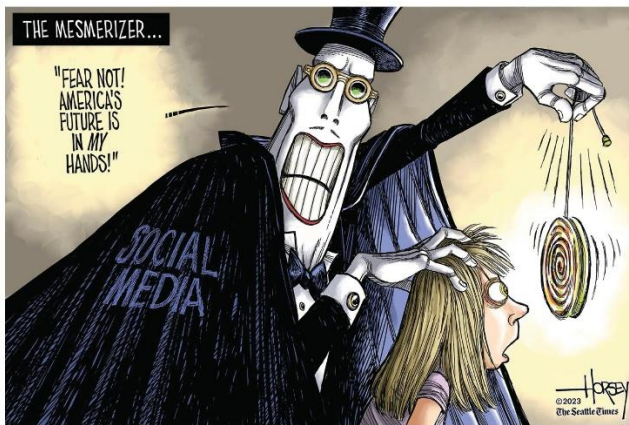

~ **Herbert Spencer**

Election 2026 Ramp Up Is Going much as elections go where candidates are asking voters for lawful authority to confiscate property (wealth) and restrict choice (Liberty). Voters, "We, the American People" may assume, will cast their votes based on those candidates who cause them (voters) to believe they (candidates) will cast legislature votes most favorable to their (candidates) constituents.

"Even if you're on the right track, you'll get run over if you just sit there."

~ **Will Rogers**

It Would Be Smart For “Us, the American People” to recognize and appreciate legislators cast legislature votes based on their (legislator’s) personal attitudes, values, and beliefs (PAVB) legislators vote their PAVB because Constitutional precepts and protection are subject to interpretation, and, there are no immutable standards when it comes to Constitutionality interpretation. Elections reflect PAVB.

“Don’t think there are no crocodiles because the water is calm.”

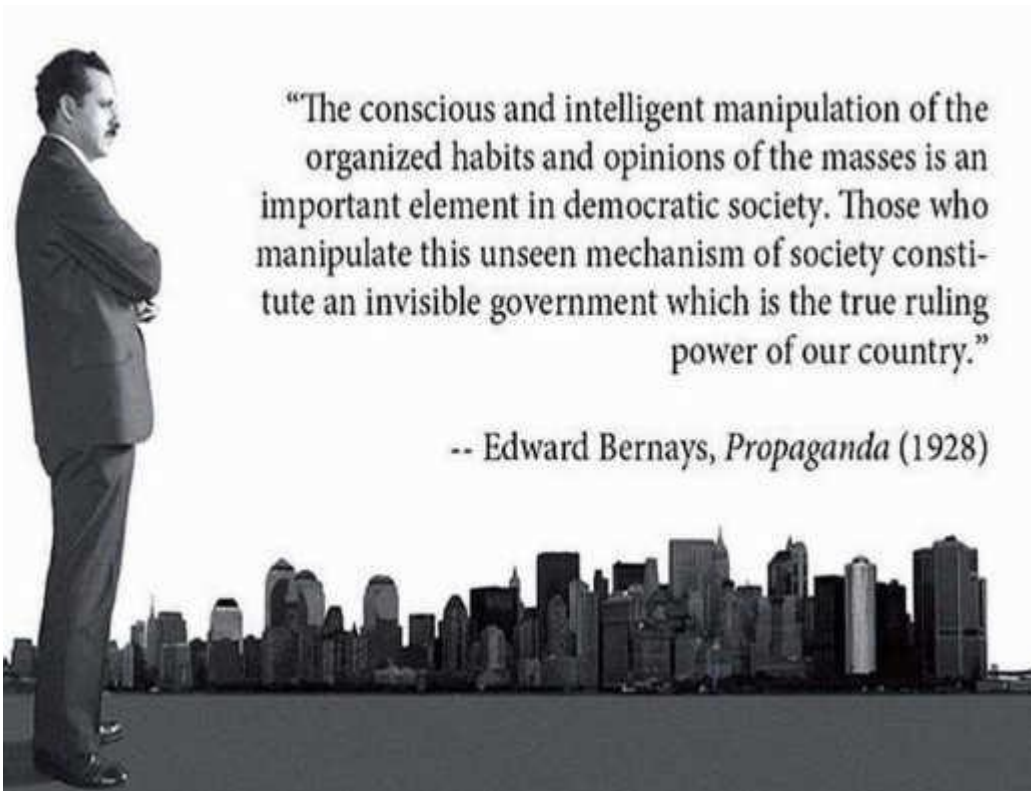

~ **Malayan proverb**

It Would Be To “Our, the American People’s” folly to expect winning Election 2026 legislative candidates to to act in office as they vowed in campaigns. Legislators say and do as they believe will gain them lawful power and keep it, election cycle after election cycle. We, a sovereign citizenry, will increase our likelihood of strengthening freedom under Liberty by rejecting laws we find antagonistic.

“Mankind will in time discover that unbridled majorities are as tyrannical and cruel as unlimited despots.”

~ **John Adams**

"The conscious and intelligent manipulation of the organized habits and opinions of the masses is an important element in democratic society. Those who manipulate this unseen mechanism of society constitute an invisible government which is the true ruling power of our country."

-- Edward Bernays, *Propaganda* (1928)

People Intending To Live In Liberty do not allow legislators - or other public officials within These United States of America, to offer amnesty to illegal aliens until those illegal aliens agree to become and become United States citizens. Daily Patriot REPORT

A Media Article Of Some Time Back poses a provocative question on how much power American judges have over American presidents. In a word, judges/courts have as much power over presidents

as they have over “Us, the American People.” America’s presidents must, in theory, at least, be as law-abiding as must every American. Executive orders from American presidents must be law-abiding.

“To disarm the people is the best and most effectual way to enslave them.”

HOUSTON SCHOOLS LOSE 21,000 HISPANIC STUDENTS AND STATE SAVES \$190M IN TAX DOLLARS

BY WARNER TODD HUSTON
23 SEP 2026

The Houston public school system has reportedly lost 21,000 Hispanic students amid President Donald Trump’s illegal immigration crackdown. That isn’t the city’s schools’ only loss: The district also lost \$190 million in state aid due to the drop in enrollment.

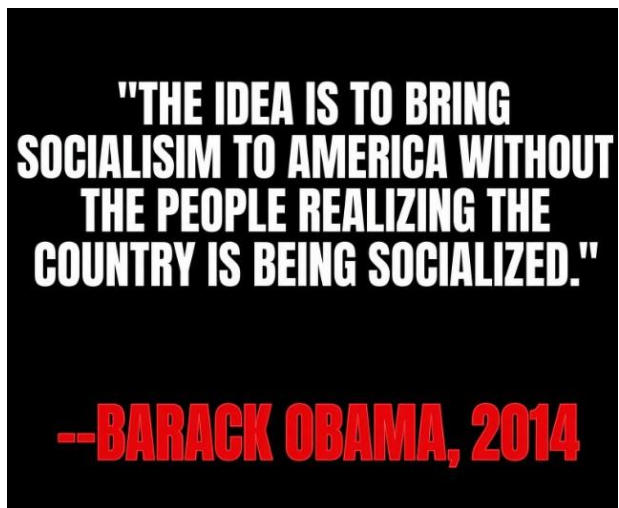

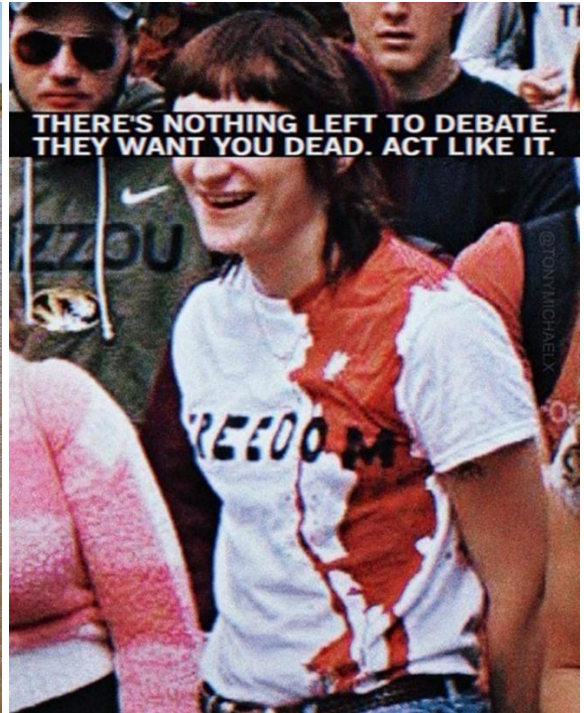

Executive Orders Issued By “Our, the American People’s” presidents must be Constitutionally sound and rooted in law. Presidential executive orders apply to federal executive agencies and do not expand presidential jurisdiction. Seemingly ironic, court orders requiring presidential action must be enforced by executive action. It may take Congressional action to resolve presidential-court disagreements.

“You can’t get rid of poverty by giving people money.”
~ **P.J. O’Rourke**

America’s Military Action Against Iran was taken consistent with pertinent legislation such as 1973 War Powers Resolution. It is entirely possible such legislation might be cancelled by future Congressional-Judicial action. Neither American President nor America’s Supreme Court of the United States (SCOTUS) can supersede sentiments “We, the American People” decide shall be made law.

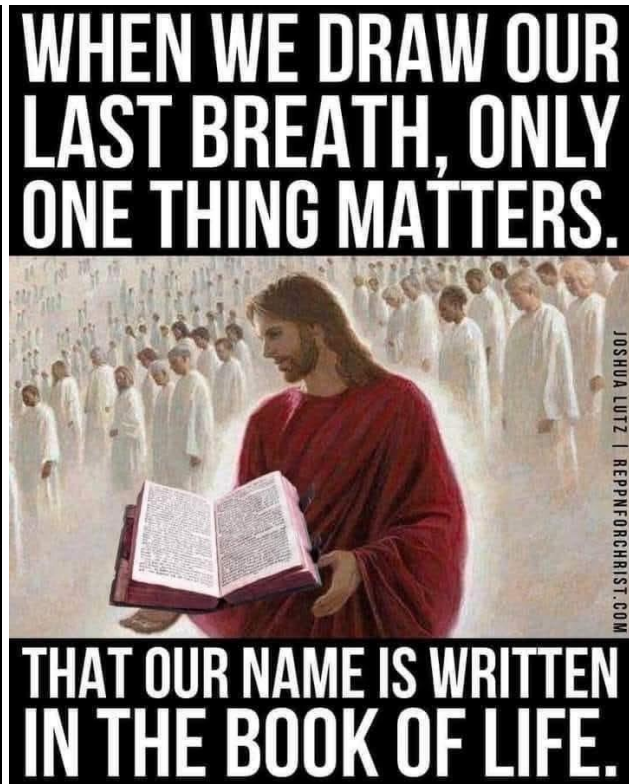

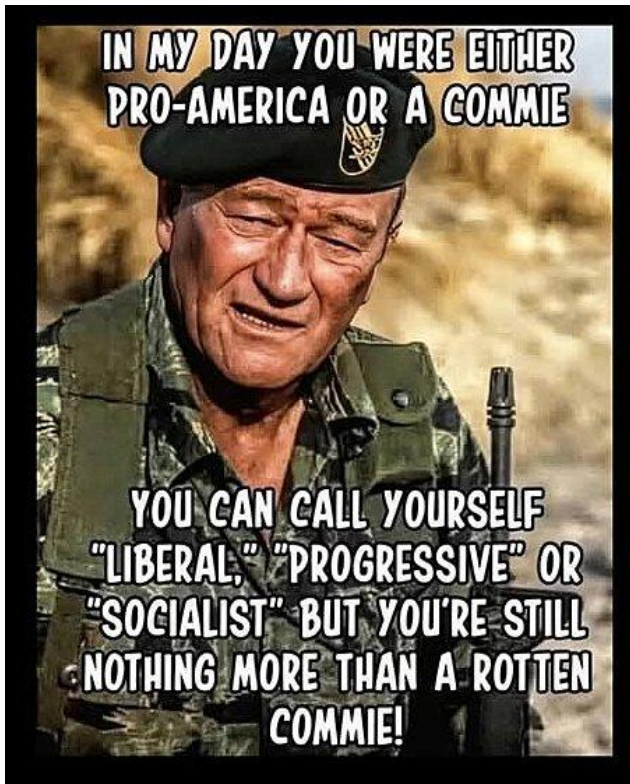

“Government is not the solution, but rather the cause of our problems.”
~ **Ronald Reagan**

Should Our President, SCOTUS, or Congress attempt to impose law we do not find to our liking or in our better interest, we can take steps we deem necessary to have such law rescinded or annulled. Were president, SCOTUS, or Congress have power to ignore our petition, we would be justified in removing president, SCOTUS Justice, or Congressional legislator by force to uphold Constitutional precepts.

The Democrats Refused To Show Up...

Last week female athletes appeared before Congress to advocate and fight for their Title IX rights, and for their human rights to decency and safety; to keep mentally ill men (trans) out of women's sports and out of the females' locker rooms and bathrooms. Not one Democrat showed up; not even those democrats who try to convince us that they are moderates. The democrats did not want to hear what the female athletes had to say; so they didn't bother to show up.

Democrats did not show up to stand for women's rights.

Women's rights are on the ballot in November; **Will You Show Up?**

Did you know that Virginia's Governor Abigail Spanberger wants to minimize the crime of rape from a felony (violent crime) to a misdemeanor crime?

Democrats are anti-women! They are not campaigning for women, they are campaigning against President Trump, and President Trump stood up to protect women's sports and protect women from the violence of illegal aliens.

The safety of American women is on the ballot in November; will you show up in November for women? Will you show up for your sisters, your daughters, your nieces and your granddaughters? **Will You Show Up?**

A woman with multiple stab wounds was found dead in a gazebo by a Central Park boathouse this weekend. New York Mayor Mamdani, Chicago's Mayor Brandon Johnson, and most, if not all blue states, have a lot of violent and senseless crime. Democrats are Anti-victims and pro criminals; democrats refuse to stand up for victims in America. The Angel families appeared before Congress, and the democrat officials were bored and didn't want to continue hearing how Americans had been violently raped and murdered by illegal aliens. The democrats are not campaigning to protect Americans; democrats want to protect illegal aliens.

The safety of Americans is on the ballot in November; **Will You Show Up?**

A Lindsay Clancy-obsessed mom texted her family expressing her excitement about a Disney World trip for her son and family. Hours later she murdered her two-year-old son, by hanging him in their basement. She "attempted" to kill herself in the bathtub by slitting her arms and legs; notice they never quite get the suicide done correctly. Do these women have an excuse to murder their children inside and outside the womb? Democrats are defending murderers and allowing them to go free to murder again. The right to Life is not protected by democrats.

The lives of America's children will be on the ballot in November; **Will You Show Up for them?**

Upgrade to paid

Democrats now claim to be socialists, like that's a good thing, but socialism is the opposite of our Constitutional Republic. So, should they be elected, they will take an oath to protect and preserve our Constitution and then they will begin to legislate against it; to destroy it!

Americans who have been wooed by the utopian promises of the democrat-socialists need to know the truth about socialism, communism and Marxism.

On "X", **a woman from Russia** who immigrated to America says Democrats have no idea what they're supporting with socialism. She fled the Soviet Union and came to America; she explains what life will be like under socialism:

*You are required to work; the government controls the means of production, so they decide where you work and place you into a job. "And you know what happens to social parasites in socialism? **You're gonna be sent to a labor camp.**" In places that have centrally planned socialism like the Soviet Union, the government would decide where you work. The government planners set production targets. To hit those targets, they allocated labor administratively. You get a job assignment after school or training, and if you refuse, you will be escorted to a labor camp. **Democrats are voting for this!***

Americans fought in wars to end socialism, communism, Nazism and Marxism. Many Americans died to free others, and now the Democrat-socialist party will, as Biden said, *"They're gonna put y'all back in chains."*

Socialism-Marxism is on the ballot this November, **Will You Show Up** to fight against it in the election booth?

America... Have we completely ceased to be good?

"Not until I went into the churches of America and heard her pulpits flame with righteousness did I understand the secret of her genius and power. America is great

because America is good, and if America ever ceases to be good, America will cease to be great.” Alexis de Tocqueville

Americans seem to be consumed by the world. You can't watch TV without being subjected to gambling commercials, drugs-big pharma ads, and lawyer ads. Our phones are also avenues for these, as well as pornography. America is now number one in human trafficking. America is ok with aborting our babies and calling a child murdering-mom a victim; and then doxing a juror who had a different opinion. Many American churches no longer follow the Bible and refer to the Ten Commandments as “white supremacy” and bigotry. We seem to be oblivious to sin and then wonder why our children are dying of suicide and overdoses.

American churches, Christianity, will be on the ballot this November – **Will You Show Up?**

America's greatness will be on the ballot this November – **Will You Show Up?**

I heard it said that statistics show that evangelical Americans are the least likely to show up to vote. Yet, today, they literally have the most to lose; Evangelical Christians are being persecuted in America.

Freedom of Religion is on the ballot this November, **Will You Show Up?**

Will Americans who believe in the Declaration of Independence – who believe our inalienable rights come from God... **Life – Liberty and the pursuit of Happiness...** will they show up in November?

The American dream (pursuit of happiness) is on the Ballot this November.... **Will You Show Up?**

If democrats win, and this is not hyperbole, because this is what they say they will do. They will begin a vigorous campaign to impeach President Trump, and they will go after many in his cabinet. According to the governor of Illinois JB Pritzker, democrats will begin arresting people if they ever gain the White House again. Our Constitutional Republic will

end and the way of life the woman from Russia explained, will be the fate of once free and independent Americans.

Billions of dollars in fraud has been discovered.

Billions of dollars being sent to foreign nations (without approval of Americans) was discovered by DOGE. The democrats were so angry, and they had judges in place to counter President Trump's every move to "defund and drain the swamp." If democrats gain power, this will all be put back in place and will be increased. However, we are spent to the max (both parties have done this disservice) and America will rapidly become a third world nation.

Democrats will once again open the borders, and we will be invaded by our enemies.

America's very existence is on the ballot in November... **Will You Show Up?**

America spends more on education than any other nation, yet our children are less educated. Illiteracy is growing and our children cannot do simple math. Democrats support more spending and they are against school choice.

Your children and grandchildren's education is on the ballot this November; **Will You Show Up?**

Upgrade to paid

Will you show up to support the president you elected in 2024, so that he can continue and finish the work we elected him to do?

Will you show up to stand against the murders and assassination attempts? Two Americans died because of the assassin in Butler PA.

Corey Comperatore: A 50-year-old former fire chief from Sarver, Pennsylvania, was killed while shielding his family from the gunfire.

James (Jim) Copenhaver: A 76-year-old man from Moon Township, Pennsylvania, who sustained severe injuries to his arm and abdomen and later passed away recently, due to complications from his injuries.

David Dutch: A 57-year-old man from New Kensington, Pennsylvania, survived his injuries, as did President Donald J. Trump.

There have been numerous attempts on President Trump's life. As information is made known, it appears the democrats tried to coverup a lot of what happened in Butler, Pennsylvania.

Political violence is on the ballot this November, will you honor these Americans? **Will You Show Up?**

America is in deep trouble! Be warned, we are not too big to fall! The attacks are coming from within our own government; the Democrat Party.

Americans (Consent of the governed) You must show up! Your vote is vitally important to Liberty! You need to understand how important your vote is; if it wasn't, they wouldn't be trying so hard to take it from you. They are worried we will figure that out and they are worried that **We Will All Show Up** in this midterm election.

Let me leave this with you: ***"Select capable men from all the people—men who fear God, trustworthy men who hate dishonest gain—and appoint them as officials over thousands, hundreds, fifties and tens."*** Exodus 18:21

We cannot Make America Great Again until we Make America Godly Again, and we can't Make America Godly Again unless we show up!

It Would Be Astute for "Us, the American Peoples" to view every Election 2028 legislative candidate as out to have lawful authority to confiscate property (wealth) and restrict choice (Liberty).
