~ *James Bovard*

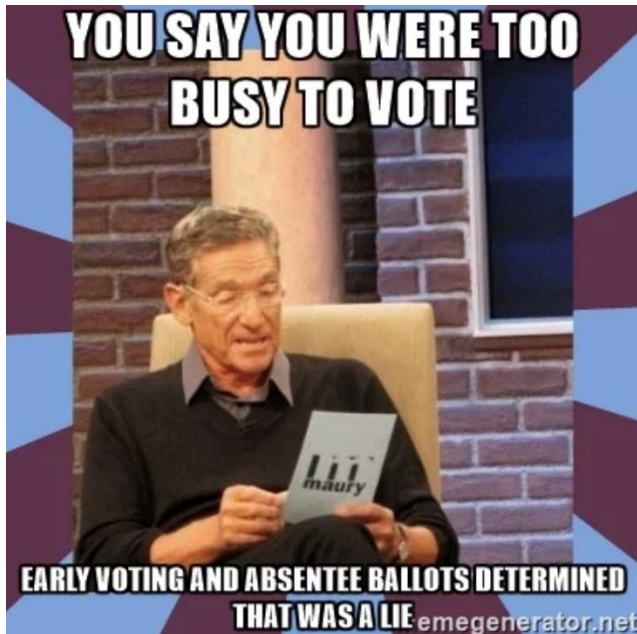

Media Coverage On Big Apple 2025 mayoral election includes an article summarizing economist assessment of Mayor-elect Zohran Mamdani’s plan to fix Big Apple housing. Reported economist

consensus is Mamdani's plan is not praiseworthy. Criticism centers on idea rent control is Mamdani's principal tool, and is flawed, namely because rent control neither corrects availability nor pricing.

"War is just one more big government program."

~ *Joseph Sobran*

"We, the American People," myriad media articles, talk shows, and like attention given to socio-economic woes, appear leaning toward socialism as a way to infuse justice and well-being. We would do well to bear in mind, when socio-economic 'problems' are turned over to government for resolution, government comes up with lawfully compulsory solutions. A few people tell lots of people how to live.

"Remember, democracy never lasts long. It soon wastes, exhausts, and murders itself. There never was a democracy yet that did not commit suicide."

~ *John Adams*

Justice, Fairness, Well-Being are subject to people's notions. Government is made up of people. People go about living based on their personal attitudes, values, and beliefs (PAVB). People who

become government officials are no less inclined to act on their PAVB than are people in other walks of life. “Our, the American People’s” government - capitalist, Marxist, or other, will be PAVB-driven.

“They that can give up essential liberty to obtain a little temporary safety, deserve neither liberty nor safety.”

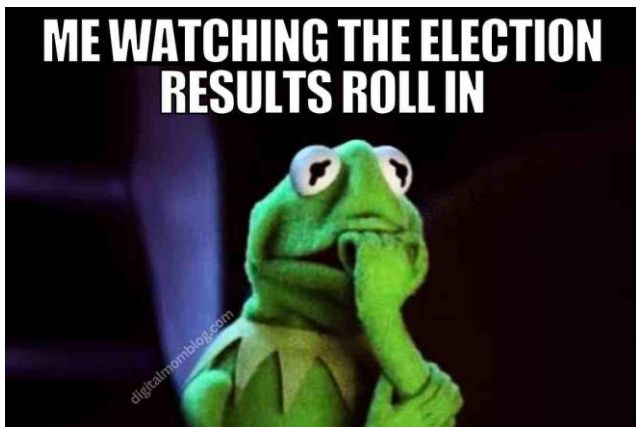

~ *Benjamin Franklin*

Odds Are Mayor-Elect Mamdani will have more than his share of hurdles when he tries imposing his ideas on New Yorkers. Mamdani-like government solutions to perceived or actual socio-economic woes rest with lawful force. It is no great task for “Us, the American People” to make a law. Whether a law is enforceable is another matter. All said and done, public rejection of a law renders it nought.

“One of the greatest delusions in the world is the hope that the evils in this world are to be cured by legislation.”

~ *Thomas B. Reed*

Comey's Daughter Maurene Offered To Free Jeffrey Epstein If He Implicated Trump in His Crimes, According to His Cellmate

By Paul Serran Nov. 6, 2025 9:15 am

Jeffrey Epstein and Maurene Comey.

Did Maurene Comey try to set up Trump?

The Jeffrey Epstein trafficking ring keeps bringing revelations to the public, both in the US and in the UK.

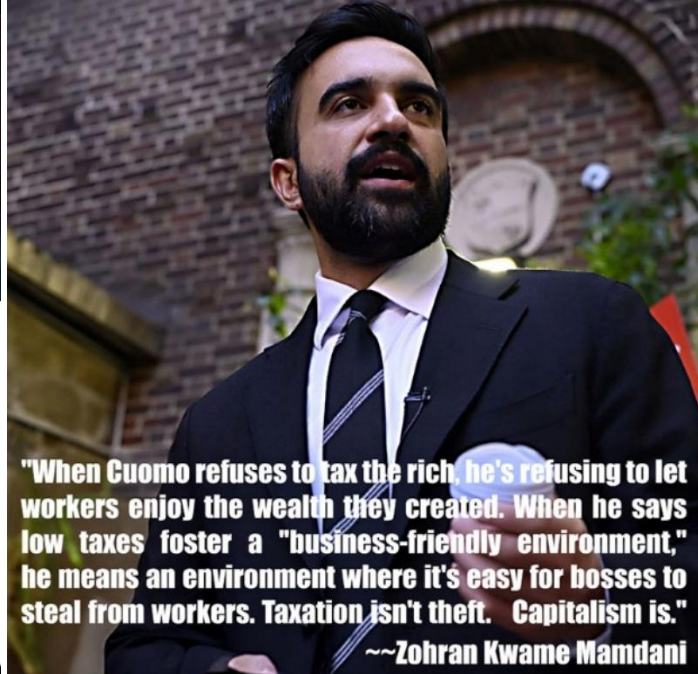

Now, it arises that **Epstein once claimed federal prosecutors offered him to 'walk free' if only he agreed to implicate president Donald J. Trump in his crimes**, according to the late pedophile's ex-cellmate.

Taqiyya (ثقية)

(Legitimate lies to avoid persecution and compulsion)

In Islam, we are allowed to lie for the sake of Islam and Allah. We will even pretend to be friends with the enemy and deny our faith if necessary

“Our, the American People’s” President Donald J. Trump’s approval rating now ‘his’ government shutdown has beaten his own record, media coverage accurate, is at a new low. Our proclivity, when something goes wrong socio-economically, is to blame whoever happens to be, in our view, running government and responsible. After all, it’s not our fault - - - if our tendency is to reject self-government.

Keep in mind this was said 73 years ago.
A quote from 1944:

Norman Mattoon Thomas
(November 20, 1884 - December 19, 1968)
was a leading American socialist, pacifist,
and six-time presidential candidate for the
Socialist Party of America.

The Socialist Party candidate for President
of the US, Norman Thomas, said this in a
1944 speech:

"The American people will never knowingly adopt socialism.
But, under the name of "liberalism," they will adopt every fragment of
the socialist program, until one day America will be a socialist nation,
without knowing how it happened.
He went on to say: "I no longer need to run as a Presidential Candidate
for the Socialist Party.
The Democratic Party has adopted our platform."

'Epstein told me that [lead prosecutor] Maureen Comey said that he didn't have to prove anything, as long as President Trump's people could not disprove it. According to Maureen Comey, the FBI were 'her people, not his [President Trump's]';' the filing states."

"We, the American People" are more than a little nuts, if we think America's presidents reopen a shutdown government when Congress fails to keep it operating. Federal government. We are, as Americans living under representative Constitutional republic government, a sovereign citizenry. We could, if we chose, see to it government does not shut down. We, as anyone, are who's to blame.

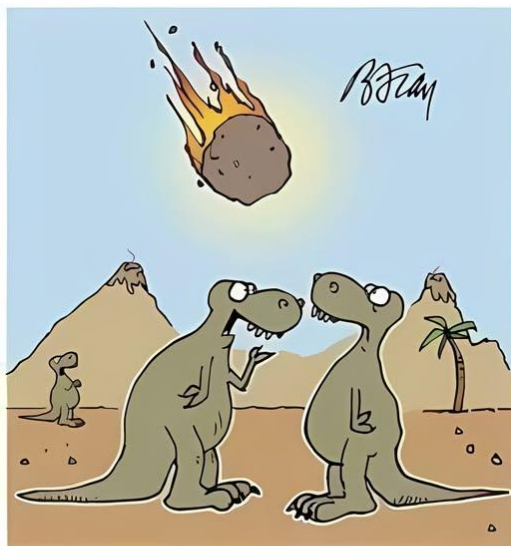

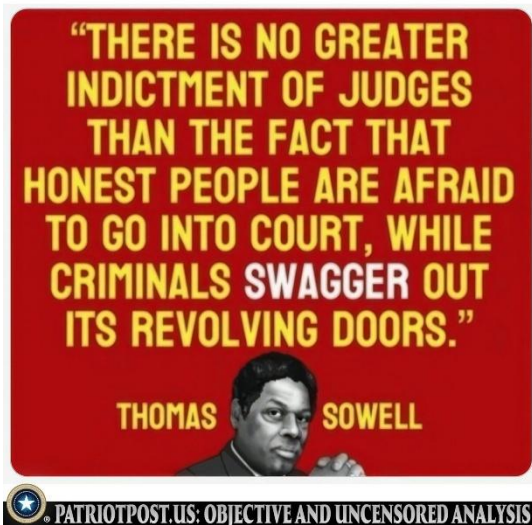

"No man's life, liberty, or property are safe while the legislature is in session."
~ **Mark Twain (1866)**

Media Report Federal Government shutdown has begun delaying air travel. Some ten percent of flights from high volume ports will be late. One in ten of “Us, the American People” traveling to or from major airports are likely to find ourselves marking time in security lines or awaiting boarding at gates. All because we allow Congressional legislators to act like spoiled children sulking on play yards.

“There is no worse tyranny than to force a man to pay for what he does not want merely because you think it would be good for him.”

~ **Robert Heinlein**

Sooner Or Later, Once Congressional legislators figure they can't delay any longer, or they'll lose

their cushy jobs, federal government shutdown will be over. We, history an example, will go about our business replacing those legislators we think were at fault with new legislators inclined to shut down government if they don't get their way. We'll be happy blaming them, not us, who are to blame.

"The true danger is when Liberty is nibbled away, for expedients."

A Greenhorn Patriot Shows Up To Caucus

"I nominate Trump for President." I should've given a speech, perhaps I still will...

BETH ANN

MAR 4

[READ IN APP](#) ↗

3-4-2024

Missouri hosted a presidential caucus this year instead of a primary. This was my first time to attend a caucus. It was the general protocol of things, I suppose: sign in, pledge to be republican, show your picture ID, even though the woman confirming my registration has known me since she was a toddler; I taught her in Sunday school and then again when she was in the church youth group, BUT it is the rules... prove your identity! AND I'm ok with voter ID.

Our caucus was a small group of 68 U.S. citizens. When the caucus was brought to order, the chairman first listed the three names whom we were to consider: Donald J. Trump, Nikki Haley, and a David Stuckenberg, whom I'd never heard of before. The Chair then had the room of people divide into groups, Haley

supporters on the left (which I found appropriate) and Trump supporters on the right; there were no supporters of Stuckenberg.

There were approximately sixty people on the right and eight people on the left to support the left candidate, Nikki Haley.

I was sitting right up front when the Chair asked for nominations; there was a brief period of silence and so I spoke up, “I nominate Trump.” Then, when he asked if there were any other nominations, a man on the “left” stood up and nominated Nikki Haley. As he nominated her, he began to list all the reasons we should consider Nikki. “*She’s the only one who can win in the national election.*” Of course, at that time, she had failed to win a single primary yet. “*She will unite the people.*” Of course she will, the few votes she’s acquired have been her encouraging democrats to vote in republican primaries. Let’s face the truth, those democrats will vote “Never-Nikki” in November, as they cast their vote for whatever democrat candidate lands on the ballot. He also told us that Nikki would end the chaos that Trump brings. But Trump didn’t bring the chaos, the D.C. establishment-government-swamp-dwellers brought the chaos along with ruthless attacks on Trump and all people surrounding him; associates, attorneys, family, and other employees. He again stated, as we’ve heard so many times, *the democrats want Trump to win*. At this point I muttered (maybe not the first time) “Oh yeah, that’s why they’re trying to imprison him.” A Nikki supporter scolded me and told me to be quiet and let “him” talk. I agreed that I was slightly rude and so I politely remained silent throughout the rest of his nomination speech for Nikki, founded and grounded in untruths.

Upgrade to paid

Trump won our county, and in fact President Trump won every county in Missouri. Nikki, “*the only one who can win*” lost again...*hugely!*

However, the words of this Nikki nominator were on my mind the rest of the day.

Nikki has proven herself to be a liar and a disloyal person. In my opinion that alone is reason enough to vote against her. **We the People** would be trading one

liar in the White House for another, should she make it that far. Nikki believes in Climate Change; therefore, she will continue the US in the Paris Accord agreements and she will continue the mandates and restrictions being thrust on the American people. Nikki is a lover of NATO and will see to it that the US pays **everyone's** fair share using the Americans' tax dollars. Nikki stands with the military industrial complex.

“In the councils of government, we must guard against the acquisition of unwarranted influence, whether sought or unsought, by the military-industrial complex. The potential for the disastrous rise of misplaced power exists and will persist.” President Dwight D. Eisenhower

This man, who nominated Nikki Haley, has been in politics most of his life. When he was in the prime of his life, however, he was a conscientious objector. When thousands of America's young men were drafted into the Vietnam War (conflict) this nominee refused to serve his country. Now, this “conscientious objector” nominates a candidate who believes in and will capitulate to the military industrial complex. Nikki is no different than the Cheney's the Bushes, the Clintons, the Obamas, the Bidens, and many others, who promote wars and find ways to profit from them.

In his speech at CPAC, President made the statement, “You don't have to drop bombs, you can make a phone call.” Peace through strength is more than just having a *bigger-badder-bomb*, it's having a strong President in the White House, for which Nikki could “*never*” be!

This conscientious objector, who was unwilling to serve his country, spent a lifetime in politics and now supports sending others to wars. He has no sons, he has no grandsons, he is ok with war these days! That my friends is a swamp creature from rural America. Swamp creatures will say and do anything to keep our 45th President from becoming our 47th President of the United States.

“I nominate Trump for President.” I was green to this caucus thing, I should’ve given a speech, perhaps I still will... keep watching here on Substack.

Be sure to check out my “Letter To Nikki” that was posted here -
https://bethanncsctalkradio.substack.com/p/a-letter-to-nikki?utm_source=profile&utm_medium=reader2

Super Tuesday is tomorrow! Nikki will continue to lose (she’s saving all her winnings for November). Nikki is not a leader, she’s a follower and she will follow the globalist agenda, taking America down with her. She will grant amnesty to millions of illegal aliens, and she will obey whatever orders she receives from the military industrial complex.

America needs to restore our Constitutional Republic and to do so, there will be a lot of chaos as the swamp creatures squeal and fight back! It is my opinion that November 5, 2024, is the last opportunity to restore our Republic in a peaceful manner; I hate to consider what might follow the years after.

So:

Stand Strong America!

Stand Firm America!

Stand Together America!

Make America Godly Again!

Make America Great Again...and

Bring America Home.©

“The evils of tyranny are rarely seen but by him who resists it.”

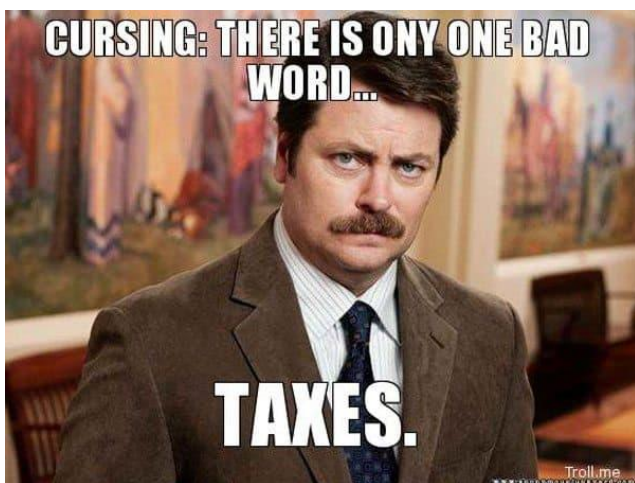

~ *John Hay*

There Is, Media Outlets Report, A more favorable leaning toward socialism by younger people. Reasons include a lack of free market understanding, along with a desire for a more equitable societal social fabric. Socialism, by its hierarchical makeup requires greater government control over a society's wealth. Wealth is not, like precious metals or fossil fuels, discovered. Wealth must be created.

“The natural progress of things is for liberty to yield and government to gain ground.”

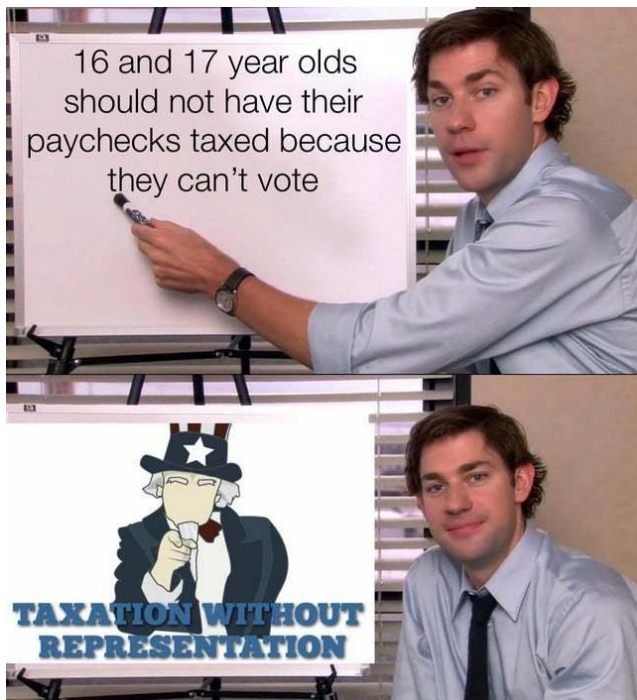

~ *Thomas Jefferson*

“Our, the American People’s” socio-economic system, largely capitalistic, is created directly or indirectly, by sales. Government, by and large, is not subsidized by sales revenue. Government subsists on tax revenue. There can be no more equitable wealth redistribution than wealth (property) taken by lawful confiscation – taxes. Taxes, in business, are a cost of doing business - a cost of sales.

“Timid men prefer the calm of despotism to the tempestuous sea of Liberty.”

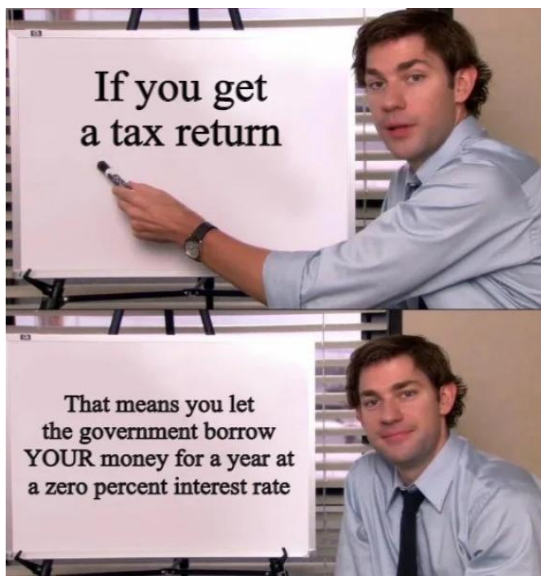

~ *Thomas Jefferson*

"We, the American People," if we are to have a thorough understanding of socialistic wealth distribution or redistribution, need to grasp, thoroughly grasp, taxes are a cost of sales. As a cost of sales, taxes are a factor in deciding sale prices. Increasing taxes to improve societal government services means prices have to increase to keep businesses in business. Higher tax rates, fewer services.

"None are more hopelessly enslaved than those who falsely believe they are free."
