## **A Greenhorn Patriot Shows Up To Caucus**

“I nominate Trump for President.” I should’ve given a speech, perhaps I still will...

BETH ANN

[READ IN APP](#) 

3-4-2024

Missouri hosted a presidential caucus this year instead of a primary. This was my first time to attend a caucus. It was the general protocol of things, I suppose: sign in, pledge to be republican, show your picture ID, even though the woman confirming my registration has known me since she was a toddler; I taught her in Sunday school and then again when she was in the church youth group, BUT it is the rules... prove your identity! AND I’m ok with voter ID.

Our caucus was a small group of 68 U.S. citizens. When the caucus was brought to order, the chairman first listed the three names whom we were to consider: Donald J. Trump, Nikki Haley, and a David Stuckenberg, whom I’d never heard of before. The Chair then had the room of people divide into groups, Haley supporters on the left (which I found appropriate) and Trump supporters on the right; there were no supporters of Stuckenberg.

There were approximately sixty people on the right and eight people on the left to support the left candidate, Nikki Haley.

I was sitting right up front when the Chair asked for nominations; there was a brief period of silence and so I spoke up, “I nominate Trump.” Then, when he asked if there were any other nominations, a man on the “left” stood up and

nominated Nikki Haley. As he nominated her, he began to list all the reasons we should consider Nikki. “*She’s the only one who can win in the national election.*” Of course, at that time, she had failed to win a single primary yet. “*She will unite the people.*” Of course she will, the few votes she’s acquired have been her encouraging democrats to vote in republican primaries. Let’s face the truth, those democrats will vote “Never-Nikki” in November, as they cast their vote for whatever democrat candidate lands on the ballot. He also told us that Nikki would end the chaos that Trump brings. But Trump didn’t bring the chaos, the D.C. establishment-government-swamp-dwellers brought the chaos along with ruthless attacks on Trump and all people surrounding him; associates, attorneys, family, and other employees. He again stated, as we’ve heard so many times, *the democrats want Trump to win*. At this point I muttered (maybe not the first time) “Oh yeah, that’s why they’re trying to imprison him.” A Nikki supporter scolded me and told me to be quiet and let “him” talk. I agreed that I was slightly rude and so I politely remained silent throughout the rest of his nomination speech for Nikki, founded and grounded in untruths.

#### **Upgrade to paid**

Trump won our county, and in fact President Trump won every county in Missouri. Nikki, “*the only one who can win*” lost again...hugely!

However, the words of this Nikki nominator were on my mind the rest of the day.

Nikki has proven herself to be a liar and a disloyal person. In my opinion that alone is reason enough to vote against her. **We the People** would be trading one liar in the White House for another, should she make it that far. Nikki believes in Climate Change; therefore, she will continue the US in the Paris Accord agreements and she will continue the mandates and restrictions being thrust on the American people. Nikki is a lover of NATO and will see to it that the US pays **everyone’s** fair share using the Americans’ tax dollars. Nikki stands with the military industrial complex.

***“In the councils of government, we must guard against the acquisition of unwarranted influence, whether sought or unsought, by the military-***

***industrial complex. The potential for the disastrous rise of misplaced power exists and will persist.***” President Dwight D. Eisenhower

This man, who nominated Nikki Haley, has been in politics most of his life. When he was in the prime of his life, however, he was a conscientious objector. When thousands of America’s young men were drafted into the Vietnam War (conflict) this nominee refused to serve his country. Now, this “conscientious objector” nominates a candidate who believes in and will capitulate to the military industrial complex. Nikki is no different than the Cheney’s the Bushes, the Clintons, the Obamas, the Bidens, and many others, who promote wars and find ways to profit from them.

In his speech at CPAC, President made the statement, “You don’t have to drop bombs, you can make a phone call.” Peace through strength is more than just having a *bigger-badder-bomb*, it’s having a strong President in the White House, for which Nikki could “never” be!

This conscientious objector, who was unwilling to serve his country, spent a lifetime in politics and now supports sending others to wars. He has no sons, he has no grandsons, he is ok with war these days! That my friends is a swamp creature from rural America. Swamp creatures will say and do anything to keep our 45<sup>th</sup> President from becoming our 47<sup>th</sup> President of the United States.

“I nominate Trump for President.” I was green to this caucus thing, I should’ve given a speech, perhaps I still will... keep watching here on Substack.

Be sure to check out my “Letter To Nikki” that was posted here -

[https://bethanncsctalkradio.substack.com/p/a-letter-to-nikki?utm\\_source=profile&utm\\_medium=reader2](https://bethanncsctalkradio.substack.com/p/a-letter-to-nikki?utm_source=profile&utm_medium=reader2)

Super Tuesday is tomorrow! Nikki will continue to lose (she’s saving all her winnings for November). Nikki is not a leader, she’s a follower and she will follow the globalist agenda, taking America down with her. She will grant

amnesty to millions of illegal aliens, and she will obey whatever orders she receives from the military industrial complex.

America needs to restore our Constitutional Republic and to do so, there will be a lot of chaos as the swamp creatures squeal and fight back! It is my opinion that November 5, 2024, is the last opportunity to restore our Republic in a peaceful manner; I hate to consider what might follow the years after.

So:

Stand Strong America!

Stand Firm America!

Stand Together America!

Make America Godly Again!

Make America Great Again...and
